3.1.2

- (a) Due to prevailing normalcy in the area, the academic and administrative activities of the University have been expanded and increased providing latest communication facilities which cause for this increase in the usage. Due to the development activities, widening of road network caused frequent disconnection of power supply during the whole office hours leads to the compulsory usage of direct lines.
- (b) It is to be pointed out that electricity charges for the nine months aggregating to Rs. 26,253.26 has an average monthly sum of Rs. 2,917.029 and the average monthly charge for this should have been much lower than this if the first three months are not taken into account. During December to April in the above Building Engineers and workers who work under SIDA project for the It network project stayed there and completed and finalized all the work. University has signed the agreement with SIDA in which it was agreed to provide accommodation and electricity and other amenities free for those who were engaged by way of SIDA agreement to facilitate completion of the said project. They used electrical equipment during the stay and it was the reason for the higher electricity charges during that period. Further, CEB has reported connection wiring malfunctions during the period in the line supplying electricity to the said building and losses have been reported to be occurred to faulty earthing in the surroundings. This fact could be verified from the CEB as it has rectified it later after informing the University. Only the basic electrical maintenance charges are to be expected from the Guest House and no special/extraneous expenses were related to it. The Registrar by virtue of his post is entitled for quarters and was accommodated in the above said premises with the approval of the Vice Chancellor.
- (c) Whatever interest earned from investment out of the endowment fund or similar donation would be utilized for the intended purpose of the donor.

3.1.3

- (i & ii) With the Shifting of the Faculty of Agriculture to Kilinochchi the Land Master will be used. Action will be taken to auction for other vehicles.

The items in the stores are being classified into serviceable and obsolete items. Action has already been taken in the year 2013 to auction all the obsolete items.

- (iii) Already finger scanner machines were installed and in use according to the latest Circular. Time recording machine. had been taken as condemned and unserviceable item. The procedure to abandon above.
- (iv) All the beds have been already issued to the newly rented houses. No beds are idling.

- (v) With the commencement of the E-Iab of Faculty of Commerce and Management Studies, computers are being used. All these are coming under the Faculty of Commerce and Management Studies.
- (vi) These items are not issued to the Department of Computer Science. These items are left behind by the ETPL Company Ltd. Which constructed the SIDA funded campus LAN WAN Network. to be used in case of a repair. Some items are excess items by the DMS electronic limited who have supplied and installed the network switches.

Computer Unit has a list of these items and it is reported to the Computer Unit for further actions. Action is in progress.

- (vii) All of these items are reported to the Administration Branch for further action after the annual survey held on 17th June, 2013. Now action is in progress.
- (viii) Disposal of damage Items

As there was no space to keep the damaged sports items consumables with the permission of the coordinator we have disposed the items and we assure in case of disposing the damaged items we will obtain permission in future from the Board in-Charge for it.

3.1.4

- (i) It was decided by the University Senate to conduct the 4th year study programme for the LLB students in Colombo in consideration of the following to ensure the quality.
- (1) The fourth year programme consists of six Course Units and Research Project having 30 Credit Value.
 - (2) Only one permanent Lecturer will be available in the Department of Law in the next academic year to undertake the teaching programme.
 - (3) Mr. V. T. Thamilmaran SL I, Mrs. S. Segarajasingam SL I, Mr. Sivapatham SL I and Mr. A. Sarveswaran SL I, of the Faculty of Law, University of Colombo are prepared to take Lectures for the 4th year students in Colombo Center of the Department of Law, University of Jaffna. They cited that present workload and the inconvenience in travelling to and from Jaffna as primary reasons for them to prefer teaching the 4th year students in Colombo.
- (ii) Finger Scanner Machines have been fixed at the all Dean's office, Teaching Hospitals, Library, Registrar's office, Security department, Ramanathan Academy of Fine Arts and Unit of Siddha Medicine to confirm the arrival and departure. Administrative Officers, Trainees and other staff on assignment basis are using the machines. The new recruits and they who will obtain promotion have been issued Letters to use the details with finger scanner.
- (iii) The Cheques were drawn as at 30.12.2012 in order to utilise the availability of funds. The cheques were drawn when the orders were placed. As the supplier did not supply the item within the stipulated period, the cheques were cancelled to reverse the advance.

3.2.1 Already Annual Verification has been done except Library.

3.2.2 Now it has been improved. Action is being taken to report to the Senate about the Examiners who are not responding in time based on the circulars. Further these reminders will be filed in their personal files.

3.2.4

- (a) (i) The Cadre and the actual staff position as at 31.12.2012, excluding the Vavuniya Campus is given below:

<i>Category of staff</i>	<i>Approved Cadre</i>	<i>Actual staff position</i>	<i>Vacancies</i>	<i>Excess appointments</i>
Permanent Academic positions	419	325	94	Nil
Temporary Academic positions	104	98	06	Nil
Academic support staff positions	42	25	17	Nil
Non-Academic staff positions	664	467	197	Nil
Total	1,229	915	314	

As per the above detail, no staff had been recruited excessively as at 31.12.2012. However, during the year 2012, 146 temporary academic staff had been appointed whereas 66 temporary staff had resigned their position or been terminated from the services. Further, six advertisements were made to fill the academic positions in the year 2012 and another two advertisements were made in the month of December 2011 to fill such vacancies. The University had made following numbers of permanent recruitment to the academic grades in the year 2011, 2012 and 2013 to date.

2011	- 30
2012	- 29
2013 to date	- 22

The above details clearly reveal that the University of Jaffna has taken all efforts to fill its existing academic vacant positions promptly. Even though the efforts taken by the administration as described above to fill vacancies, the University was unable to fill the 33 positions of Professor Chair as there was no application received with required qualifications despite of repeated advertisements. Such situation is prevailed even for the position of Senior Lecturer/ Lecturer in some disciplines in the Faculty of Medicine. In such circumstances the University filled these vacant positions by Temporary Lecturers, Temporary Instructors or by Temporary Demonstrators in order to carry out the academic programmes without interruption.

- (ii) Out of forum approved academic cadre of the Sports Science Unit, three were filled and action is being taken to fill other vacant position. It is compulsory to the existing two Lecturers (prob.) to acquire necessary postgraduate qualification within the maximum. probationary period of eight years; otherwise, they will be terminated from the services in terms of section 72 of Universities Act, No.16 of 1978 amended by Universities Act, No.7 of 1985 and 1 of 1995. Further both of them were awarded HETC scholarship and NCAS funding for postgraduate studies in the year 2011 and their eight probationary period will expire in June 2014. Having considered the above and the fact that there was another Senior Lecturer in services, the University Council granted study leave to these Probationary Lecturers to complete their Ph.D. programme within June 2014. But, unfortunately the Senior Lecturer in Sports Science went on maternity leave with pay and then on No pay maternity leave. Therefore, the University was forced to carry out the academic programme of Sports Science Unit with Temporary and Visiting appointments.
- (b) Academic Staff in the University system do not generally sign in the Attendance Register. However this matter was brought to the notice at its 372th Meeting of the Council dated 29.09.2012 and it was pointed out at the meeting that nowhere in the world academic staff are expected to sign in the Attendance Register and no action should be taken in this regard. Deans of Faculties endorsed this view. A decision is awaited to implement the finger scanner to record attendance of all other staff. Moreover, Executive officers, staff recruited on temporary/contract/casual/assignment basis and trainees have now been using the finger scanner machine to record their attendance and it is emphasized to extend this to other non-academic Staff as well who will be appointed in near future.

3.2.5

- (a) The Appointment/Reinstatement of the two staff that was made in concurrence with the decision of the UGC by its Letter No. UGC/HR/3/UJF dated 27.02.2013.
- (b) Members are appointed in accordance with the regulations in respect of the posts for which the oral tests were conducted. As such, depending on the posts and level of competencies that each post requires the composition of members may differ, but were constituted in consistence with the scheme of recruitment.

No specific constitution for members for selection boards was in the universities Act or Regulations. Panel for the members for conformation of services is appointed by the head of the institution (Vice Chancellor) if there is no specific scheme given in the scheme of Recruitment in terms of provisions in scheme of recruitment and UGC guidelines where it is stated on the composition of the selection Boards that:

For the Administration Officers the Chairman is the Vice Chancellor

For other Non-Academic staff Registrar is the Chairman.

Two permanent staff are as other members.
