- (1) The internationally recognized scratch and match technology shall be adopted for identifying the prizes of each groups of tickets.
- (2) Every ticket shall be sold at the price of ten rupees (Rs. 10/-) or twenty rupees (Rs. 20/-) in accordance with the range of prizes awarded to that ticket. There shall be printed such number of tickets per each groups of tickets as may be determined by the Board. All tickets printed shall be offered for sale.
- (3) Forty nine percent (49%) of the gross proceeds of the sale of tickets shall be allocated for the award of prizes. The prizes shall be determined by the Board within the range of Ten rupees (Rs. 10/-) to One Million Five Hundred Thousand Rupees (Rs. 1,500,000/-).
- (4) The ticket shall be printed in such manner that the instant prize cannot be seen by the purchaser of the ticket until the latex covering a panel on the ticket is being removed.
- (5) Each ticket shall clearly state the manner in determining whether a purchaser of a ticket has won a prize and the procedure for claiming such prizes.

11. Notwithstanding the preceding provisions of these rules, following provisions shall apply in general, for the draw of any national lottery :-

- (1) Where a specific method for determining the winning tickets has not been introduced by these rules, the draw of any national lottery shall be conducted either by utilizing one or more barrels or a draw machine.
- (2) Following particulars shall be stated on every ticket of any national lottery conducted by the Board which does not bear instant prizes :-
 - (a) the name of the lottery;
 - (b) the price of each ticket;
 - (c) the number of the draw;
 - (d) the date of the draw;
 - (e) the venue of the draw;
 - (f) the manner to determine whether the ticket has won a prize and the manner for applying for the prize;
 - (g) the lottery is conducted by the Board subject to the provisions of the Finance Act.
- (3) Following particulars shall be stated on every ticket of any national lottery conducted by the Board which bears instant prizes :-
 - (a) the name of the lottery;
 - (b) the price of each ticket;
 - (c) the manner to determine whether the ticket has won a prize and the manner for applying for the prize;
 - (d) the lottery is conducted by the Board subject to the provisions of the Finance Act.
- (4) The Board shall publish in news papers published in Sinhala, Tamil and English in Sri Lanka the winning number or numbers of the national lotteries, the value of the prizes thereof and the name and address of the winner or winners, as the case may be, if known and such other information as may be deemed necessary.
- (5) Tickets that are torn or disfigured shall not be qualified to be presented to obtain a prize of a lottery. However holders of such tickets shall, by paying the expenses to the Board cause such tickets to be certified as genuine by an Examiner of Questioned Documents or any other person and present the same for the award of the prize.
- (6) All tickets printed in respect of each lottery shall be presented for sale. The tickets shall be sold only at the prices stated in the ticket. Prior to each draw, all tickets printed and not sold in that particular draw shall be documented and certified by the auditors for cancellation.

- (7) The Board may award from time to time additional prizes for the serial number or any other number of the tickets of any national lottery with a view to increase the sale of tickets of such national lottery by a special draw.
 - (8) The draw shall be conducted in the presence of a supervisory board comprising of one representative from the Auditor General's Department and one member from the Board of Directors or General Manager or the Additional General Manager or the Chief Financial Officer of the Board and a Police Officer holding a post not below the rank of an Assistant Superintendent of Police (hereinafter referred to as the "Supervisory Board").
 - (9) The draw shall be made by a person or several persons not being members, officers or servants of the Board.
 - (10) The Chairman of the Board shall determine the time at which the winning number or letter shall be drawn according to the operation of the equipment used in the draw. When such determination is made, the winning number or letter selected shall be deemed to be the legally drawn number or letter.
 - (11) The items in which the numbers or letters marked for the purpose of the draw shall after the draw be placed in a safety box and padlocked in the presence of two members of the Supervisory Board. The box containing the said items shall be opened in the presence of two members of the Supervisory Board. The keys of the said box shall be in the custody of a Senior Executive nominated by the Chairman of the Board.
 - (12) There shall be an arrangement for the safe custody of the recordings of the draw, until they are transmitted over the television. The Chairman of the Board shall decide on practical arrangements to be adopted.
 - (13) All the numbers or letters used in respect of the draw of the lottery and all other recording material shall be duly examined by a recognized Standards Institute to the effect that all such material comprise of the uniformity reasonably necessary for their durability.
 - (14) Any person below the age of eighteen years shall not be eligible to purchase national lotteries and the Board shall not make any payment if any such claim is received.
 - (15) Any person having a winning ticket shall be entitled to receive the prize stated therein. Prizes shall be valid for a period of six (6) months from the day of the draw. Unclaimed prizes after this period shall be forfeited.
12. The following rules shall apply for the sale of national lotteries referred to in rule 2 :-
- (1) The Board shall also use the telecommunication facilities such as Short Message Service (SMS) and Interactive Voice Recognition (IVR) for the purpose of selling the national lottery tickets in addition to the sales generated through the dealer network.
 - (2) The Board shall select a mobile service provider following the normal tender procedure and shall enter into an agreement for this purpose.
 - (3) The Board shall pay a commission to the mobile service provider for the services so obtained as determined by the Board and specified in the agreement entered under paragraph (2).
 - (4) The Board may appoint a third party to coordinate the operation among the Board, the mobile service provider and the mobile users. The third party shall ensure an error free operation as the third party is held responsible for errors and omissions.
 - (5) The third party shall be paid a commission as determined by the Board.
 - (6) Both commissions payable to the mobile service provider and the third party shall be within the normal range of dealers' or agents' commissions payable to other dealers or agents.
 - (7) The users of any other mobile service network may use this facility in order to purchase lottery tickets through the network of the mobile service provider with whom the Board has entered into an agreement to obtain the service.
 - (8) The mobile service provider may fix a maximum amount up to which a user would use the facility. This may be done with a view to avoiding any malpractices.

- (9) Prizes for the winners shall be awarded in accordance with the prevailing prize structures of the national lotteries.
- (10) For the purpose of the operation, a number range as determined by the Board shall be allocated to the mobile service provider from each national lottery draw from the master data base of a lottery.
- (11) The mobile service provider shall settle the Board the proceeds of the tickets sold in the number range allocated to such service provider deducting the commissions entitled by such service provider and the third party in accordance with the agreements.
- (12) Consolation prizes may be awarded as may be determined by the Board from time to time as a marketing promotional strategy.
- (13) The prize shall be paid to the registered owner of a mobile phone.
- (14) Where there is a prize for a lottery purchased through a mobile phone, the service provider shall set off up to Rs. 1,000/- from the bill value in the mobile phone bill of registered owner. Where the payable amount in the bill is less than Rs. 1,000/- the amount shall be entered as a credit in the mobile phone bill of registered owner. Prior to making such payments, the mobile service provider shall obtain a certified list of the prize winners from the Board and the third party.
- (15) It is the responsibility of the mobile service provider and the third party with whom the Board has agreed to run this operation to coordinate with the other service providers with regard to prize payments for the lotteries generated through them.
- (16) The Board shall pay the mobile service provider the sum of the total value of prizes up to Rs. 1,000/- so paid or given credit by the mobile service provider to the prize winners based on a verified detailed list of the prizes submitted.
- (17) Prizes above Rs. 1,000/- shall be paid by the Board to user of a mobile phone only after producing the last bill paid to ensure the payment is made to the correct party. Prior to making the payment, the Board shall obtain a certification from the mobile service provider to verify the identity and to ensure correctness of the record.
- (18) The winners shall be subject to any Government taxes imposed from time to time.
- (19) Where there is an unforeseen operational problem such as failure in downloading, unexpected power failure or any other of such nature with regard to the number range allocated for the SMS lottery sales, the Board reserves the right to cancel the said number range allocated for the SMS lottery sales for any particular lottery draw to enable the Board to conduct the daily draws. However, all the purchasers who were affected by the said cancellation shall be allowed to purchase tickets free of charge up to the total value of the cancelled purchases.
- (20) The purchasers of national lotteries shall be subject to all the rules of the Board and the mobile service provider.

13. The National Lotteries Board (No. 2) Rule, 1981, published in *Gazette* No. 143 of May 29, 1981, is hereby rescinded.

14. In these rules unless the context otherwise requires –

“National Lotteries Board” means the National Lotteries Board established under the Finance Act, No. 11 of 1963 ;

“National Lottery” means a lottery conducted by the National Lotteries Board under Section 14(1) of the Finance Act.
