SRI LANKA NURSING SERVICE MINUTE

6.2.3.1.1 Recruitment on Results of the G. C. E (A/L) Examination

Should have passed any 03 subjects from Biology, Chemistry, Agriculture, Physics and Mathematics which belong to Bio Science subjects stream in one sitting at the G. C. E. (A/L) Examination. (Except Common General Test and General English)

Or

Should have passed any 03 subjects from Combined Mathematics, Chemistry, Physics and Advanced Mathematics which belong to Physical Science subjects stream in one sitting at the G. C. E. (A/L) Examination. (Except Common General Test and General English)

And

Should have passed 06 subjects with credit passes for Sinhala/Tamil Language, Mathematics, Science and English in not more than two sittings at the G. C. E. (O/L) Examination.

6.2.4.1 Recruitment on Results of the G. C. E. (A/L) Examination in a certain year

The total number to be recruited from the island will be divided in proportion to the population in each district and then the number recruited from each district will be decided.

The number to be recruited from each district will be divided in proportion to the number of applicants who apply from Bio Science and Physical Science subject streams in the respective district and are eligible after the general interview and then, the number recruited from each subjects stream in the respective district will be decided.

The number of recruits from each subjects stream will be decided as such and out of that number 5% is for male applicants and 95% is for female applicants. Selections will be made from the applicants who have obtained the highest Z-score in the respective district.

6.2.4.2 Recruitment on Results of the G. C. E. (A/L) Examination in two or more years

The total number to be recruited from the island will be divided in proportion to the population in each district and the then number recruited from each district will be decided.

The number recruited from each district will be divided in proportion to the number of applicants who apply from the respective district in each year and are eligible after the interview and then, the number recruited from the respective district in each year will be decided.

After that, the number recruited in each year will be divided in proportion to the number of applicants who apply from the Bio Science and Physical Science subject streams in the respective year and are eligible after the general interview and then the number recruited from the respective district from each subject stream in each year will be decided.

The number of recruits from each subjects stream in each year will be decided as such and out of that number, 5% is for male applicants and 95% is for female applicants. Selections will be made from the applicants who have obtained the highest Z-score from each subject stream in the respective district in each year.
