No. 2037/20 - THURSDAY SEPTEMBER 21, 2017

(Published by Authority)

PART IV (A) — PROVINCIAL COUNCILS
Provincial Councils Notifications

NORTH CENTRAL PROVINCE PROVINCIAL COUNCIL

Regulations of Education Statute No. 02 of 1990

EDUCATION STATUTE No. 02 OF 1990 OF THE NORTH CENTRAL PROVINCE

AS the Chief Minister and Minister in charge of Law and Order, Finance and Planning, Local Government, Rural Infrastructure Facilities and Special Projects, Tourism, Education, Information Technology, Engineering and Culture of North Central Province, I hereby announce that the following regulations are enforced by me under Section 12 of the Education Statute No. 02 of 1990 of the North Central Province.

PESHALA JAYARATHNE BANDARA,
Chief Minister and Minister of Education.

At the Chief Minister's Office,
On the date of 01 of September, 2017.

REGULATIONS

01. Providing Facilities to Provincial Schools.

- I. For every school of the North Central Province, there shall be a main plan relating to the structure. Under this plan, location of buildings of the school, how each section is located under each building and proposed changes for future improvements shall specifically be illustrated therein.
- II. The document relating to the carder, which has been approved by the Provincial Ministry and which contains information on the number of students of the relevant school, approved number of academic and non-academic staff and shall be displayed within the main administrative unit to be conspicuous to everyone.
- III. The Principal shall take strict measures to maintain the carder as per the said document.

- IV. The Principal, in collaboration with the School Development Society shall identify all the physical and human resource requirements for his school as per the school categorization and such requirements shall be informed to the Provincial Director of Education through the Zonal director of Education.

02. School-Supervision Affairs

- I. School-supervision affairs should be carried out quantitatively and efficiently, wherein, provisions stated in here shall be put into operation.
- II. An annual plan shall be prepared by each Divisional Education Director to supervise schools within his Division. Such plan should be handed over in advance to the Principal of every school of his Division with a copy to the Zonal Director of Education and the supervision affairs shall be conducted according to that plan.
- III. The following mentioned sections of every school shall be supervised separately.
- (a) Teaching affairs of school
 - (b) Teachers' and students' attendance
 - (c) Term notes, textbook use
 - (d) Affairs of the School Development Society
 - (e) School environment (school specifications)
 - (f) Achievement of relevant subject-related and extracurricular targets
 - (g) School's Financial Control
 - (h) Teachers' and students' Performance levels
- IV. All the relevant officers should take measures to conduct the supervision activities in a manner covering all the existing sections and notes should be kept in the service diary about such supervision activities.
- V. The Instruction manual and standards introduced by the Education Ministry and Provincial Ministry of Education should be adopted in relation to school-supervision.
- VI. In addition to this plan relating to schools, the Divisional Directors should conduct emergency inspection affairs on schools. Such emergency inspections should cover every school once during each academic term.
- VII. Zonal Directors of Education should supervise duties of all the Divisional Directors of his Zone. An annual plan in that regard should be prepared. In addition to this, emergency inspections should be carried out.
- VIII. The Zonal Director of Education, after preparing the supervision plan for the oncoming year and subsequent to obtaining the prior approval of the Minister in charge of the subject, shall serve such plan to all the Principals through Zonal and Divisional Directors of Education prior to 15th of November of the relevant year.
- IX. Provincial Director of Education shall annually prepare a plan to supervise Zones and Divisions. In addition to that, emergency supervisions should be carried out when and where necessary.

03. Recruitment of Persons to Teachers' Service and other affiliated services

- I Provincial authorities should take action in accordance to provisions stated under Chapter 17 of the Constitution and provisions stated under Clause 32 of the Provincial Councils Act No. 42 of 1987 amended by Provincial Councils (Amendment) Act No. 28 of 1990.
- II Recruitments shall be made as per approved Teachers' Service Minutes of North Central Province, when recruiting to the Teachers' Service and as per relevant recruitment procedures with regard to the other services.
- III With regard to the teachers who are appointed on the basis of secondment to the Provincial Public Service, recruitments shall be made by the provincial authority subjected to the limitations imposed by the written law relevant to such appointment.
- IV Measures should be taken compulsorily to fill the vacancies existing in remote or critically remote schools when recruiting teachers. She/He shall serve in such school at least for three years.

04. Placing Principals

- I When placing a Principal who has been released to the Provincial Council, he shall be attached to a vacant position taking into consideration about his seniority, talent and skills displayed.
- II When a Principal's post becomes vacant in a school, having called applications from the graded Principals of the Province and after interviewing them, the officer with highest qualifications and who obtained the highest merits, shall be appointed to that position.
- III However, when a Principal's post of a school becomes vacant accidentally, the above mentioned provisions shall not obstruct the appointment of a Principal temporarily to the said position until a graded Principal is appointed permanently.
- IV The Interview Board to select a Principal for a vacant Principal's post shall comprise of following mentioned persons.
 - (a) Secretary to the Provincial Ministry of Education
 - (b) Provincial Director of Education
 - (c) Zonal Director of Education of the zone in which the relevant school is situated
 - (d) Additional Director of Education (Administration)
- V Annual Principals' transfers should be conducted by the Provincial Public Service Commission.

05. Transfers and disciplinary control of all the persons relevant to the Education field

Transfers and disciplinary control of all the officers relevant to the education field shall be performed as per provisions of the Constitution, Provincial Councils Act No. 42 of 1987 as well as according to Procedural Rules of Provincial Public Service of North Central Province.

06. Preparation of the Provincial Education Development Plan

- I According to the proposals of Divisional and Zonal Directors of Education, the Provincial Education Development Plan shall be prepared by the Provincial Department of Education prior to thirty first (31) of October of the previous year and it shall be a three year plan. Secretary of the Provincial Education Ministry shall obtain approval for this prepared three year plan after forwarding it to the Minister in charge of the subject of Provincial Education.
- II In compliance to the three year Provincial Education Development Plan, having prepared an annual Education Development Plan per each calendar year, it shall be forwarded to the Secretary of the Provincial Education Ministry by the Provincial Director of Education prior to 30th November of each previous year and along with the Secretary's recommendations, approval of the relevant Minister in charge of the subject should be obtained for the said Development Plan.
- III According to the exact dates stated in the Divisional and Zonal Pre-Development Plan, the said plan should be forwarded by the Provincial Director of Education to the Ministry's Secretary for approval.

07. Implementing Education Development Plans at Zonal, Divisional and school level.

- I In accordance to the approved three-year and annual Provincial Development Plans, three-year and annual Zonal Education Development Plans for each Zone should be prepared by Zonal Directors of Education as per instructions of the Provincial Director of Education.
- II In accordance to the approved three-year and annual Provincial Development Plans, three-year and annual Divisional Education Development Plans for each Division should be prepared by Divisional Directors of Education as per instructions of the Zonal Director of Education.
- III In accordance to the approved three-year and annual Provincial Development Plans, three-year and annual Education Development Plans for each school should be prepared by the Principal with representations from the School Development Society and as per instructions of the Divisional Director of Education.
- IV Annual Development Plans and three-year Development Plans prepared at school level shall be forwarded to the Zonal Director of Education prior to 15th November and 31st October respectively and after obtaining his approval, the Principal shall implement them within the school.
- V When implementing the Development Plans which operate at Provincial, Zonal, Divisional and School level, the Provincial Director of Education, Zonal Directors of Education, Divisional Directors of Education and Principal shall take measures personally to carry on their supervision and regulation activities relevantly.

08. Staff Evaluation

- I Provincial Department of Education shall evaluate Teachers and Principals serving in schools before 15th of July in every year.
- II When evaluating the performance of the Principal, the Board appointed by the Secretary to the Ministry shall conduct the evaluation annually to ascertain whether the annual targets assigned to the school by the Provincial Department of Education has been achieved, how the academic progress of the school is as a whole, the report relevant to such evaluation should be forwarded to the Secretary.

- III Every school shall analyze the marks of first, second and third term examinations of every grade for all the subjects and the performance and progress of the Teacher teaching each subject shall be based on the said analysis and on the analysis of results of national examinations, as applicable.
- IV The Principal shall hand over this analysis to the Zonal Director of Education at the end of every year before the third term school- vacation, and the Zonal Director of Education shall, along with the relevant results analysis, hand over the name-list of teachers to be appreciated to the Provincial Ministry of Education through the Provincial Director of Education before 30th January. Subsequent to inquiring about the accuracy of the documents handed over thus, evaluation of Principals and Teachers should be conducted as suitable, under the Provincial Ministry of Education prior to 15th of July in every year.
- V A report on whether the results-targets assigned annually by the Provincial Department of Education for each school have been achieved or not in the relevant year, if not achieved, what reasons have affected such non-achievement, shall be forwarded to the Secretary before 30th May of the following year.

09. Service Related Training Programs

- I Residential trainings shall continuously be conducted for required subjects.
- II In addition to the steps taken under the above stated sections, residential training camps should be conducted for subjects identified additionally.
- III The Provincial Director of Education, having called applications for the resource persons for the following year shall register them prior to 31st December in every year. The persons selected for the resource persons' reserve should possess post-graduate qualifications for the relevant subject or qualifications equal to that level.
- IV The Provincial Director of Education should take heed to conduct all the teacher training affairs in a manner not hindering the academic processes of schools.

10. Term Tests

- I. In every school, term tests should be held as follows.
 - (a) First term test to be school based
 - (b) Second term test to be conducted at Zonal or Provincial level
 - (c) Final term test to be conducted at Provincial level
- II. Supervision committees at school, Zonal and Provincial level should be appointed with regard to preparation of papers, typing, printing, distribution, preparation of marking sheets and marks analysis of all term tests.
- III. Boards to prepare question papers should be established at Divisional, Zonal and Provincial level before 15th of December in every year to prepare term test papers. Forming of Question Paper Boards should be a responsibility of the Additional Provincial Director of Education (Development) and Deputy Provincial Director of Education (Development), whereas, supervision of all the above mentioned affairs should be a responsibility of the Provincial Director of Education.

- IV. Officers of the committee shall take responsibility with regard to examination inaccuracies.
- V. The Committee composition for the term tests held at school level should be approved by the Divisional Director of Education, Committee composition for the term tests held at Zonal level should be approved by the Provincial Director of Education, whereas, the Committee composition for the term tests held at Provincial level should be approved by the Provincial Secretary of Education.
- VI. On the previous day to the commencement of term-concluding-holidays, every Principal should take action to hand over to students the students' Progress Report which contains marks obtained by a student for each subject at the term test.
- VII. All the above mentioned examination affairs should be performed on the instructions of Deputy Assistant Director of Education in charge of examination affairs and Provincial Director of education.

11. When deploying Boards of Judges for various competitions held among school children, action must be taken in the following manner.

- I. Selecting a Board of Judges for competitions held in a Division from among academic staff of another Division or from among veterans of the subject field.
- II. For competitions held within the zone, deploying persons serving in other Zones.
- III. For Provincial competitions, selecting representatives from the two districts of the province as well as representatives from another province in equal numbers.

12. Formal, informal and special educational programs

- I. When formal and informal educational programs are implemented, the schools of the Province shall take action as per announcements made in relation to ceremonies and commemorations conducted by the Ministry of Education at national level.
- II. The Provincial Education Director shall take action to issue prior instructions about ceremonies identical to the province after having included them into the annual calendar and to hold such ceremonies.
- III. With regard to activities concurrent to the curriculum, action should be taken as per national and provincial policies, circulars which shall be conducted under the supervision and guidance of the Provincial Director of Education.

13. Asset Management

- I. Where any well-wisher makes a donation to a certain school, it shall be made under the approval of the Zonal Director of Education and Provincial Director of Education.
- II. The Principal of a school shall take measures to properly maintain the school by maintaining all the buildings and property belonging to the school.

- III. With regard to teaching aids, teaching equipment, visual aids, audio-video equipment as well as furniture, computers or any other requirement of a school; receivable on Government or Provincial Council provisions, such requirements shall be informed before 30th June of the previous year through Zonal Director of Education, Provincial Director of Education to the Secretary of the Provincial Ministry of Education.
 - IV. The Zonal Director shall forward to the Secretary of the Provincial Ministry through the Provincial Director of Education prior to 30th June of every year, the requests to obtain teaching equipment, visual aids and audio-visual equipment for school requirements; equipment required for school laboratories on Government or Provincial Council provisions and the Provincial Secretary of Education shall take every measure to distribute the relevant equipment to schools before the termination of first term of the following year.
 - V. A library should be maintained in every school to be appropriate to the number of students and when and where possible, a teacher possessing knowledge about Library Science should be deployed as the in charge therein.
 - VI. School timetable shall be prepared in a manner ensuring that every child uses the library at least for one period during a week.
 - VII. Measures should be taken to conduct Annual Reading Day Competitions at school, Divisional, Zonal and Provincial level.
14. Determining the boundaries for Divisional, Zonal Education offices shall be decided by the minister after considering about the recommendations of a committee appointed by the Provincial Minister of Education.
 15. Emergency holidays for provincial schools on the basis of public requirements of the Province shall be decided by the Secretary to the Provincial Ministry of Education.
 16. Subsequent to analyzing the examination results, the Principal shall implement educational feedback programs for backward students and the relevant Divisional and Zonal Director of Education shall supervise them.
 17. In collaboration with the Provincial Director of Health Services, the Provincial Director of Education shall plan medical examinations, treatments, health promotional programs and Provincial Secretary of Education shall regulate such affairs. A Health Society shall be established within each school.
 18. According to the policies and standards presented by the Minister in charge of Education, grading and categorization of schools of the province and opening up of new schools should be carried out.
 19. **Conducting tuition classes for students receiving school education in the North Central Province.**
 - I. Institutions conducting external tuition classes for school children shall register under the Provincial Department of Education and such classes shall be conducted subjected to the criteria for such classes and decisions issued by the Provincial Director of Education.
 - II. Up to 14.00 Hours on every school-day and up to 14.00 Hours on every Sunday, on Full Moon Poya Days as well as on special religious and national festival days, tuition classes for school children in the North Central Province shall not be held in any way.

- III. These regulations are not meant to support the conducting of external tuition classes, instead, they shall be relevant to maintain student education systematically under disciplined and virtuous behavior and at the same time, preserving the standards of teaching.
- IV. Persons/ institutions conducting private tuition classes to school children by contravening these regulations or persons supporting such affairs will be considered as offenders under these regulations and subsequent to presenting before an authorized Court, if found guilty, they shall be punished by subjecting to a fine of not less than Rs.50,000/- or imprisonment for a period of not less than three months.
- V. If a teacher or a person of the academic staff/ officer of public service is found to have engaged in teaching in tuition classes having obtained his personal leaves, considering that he/she had made an offence, the Provincial Director of Education shall report it to the disciplinary authority to take disciplinary action.
- VI. In no way shall tuition classes be conducted for school children before 7.00 a.m. and after 7.00 p.m. in every day of the week and such holding of classes shall be considered as child abuse/ contravention of children's rights.
- VII. If it is revealed that certain student is attending tuition classes during school hours without attending school, the Principal shall take disciplinary action against such student.
- VIII. The average of the attendance of students sitting for national examinations should be 80% as per the national policy and having considered students who have not fulfilled it as students who have not completed the prescribed syllabus; they shall not be permitted to sit for the examination. These calculations regarding attendance should be performed at academic term level.

Teacher Transfer Policy of the North Central Province

20. The Teacher Transfer Policy should be implemented in a suitable manner to achieve more productivity to the education process of the North Central Province as well as for welfare of teachers and students of that province.
21. Implementation of the Teacher Transfer Policy of North Central Province shall accord to provisions of Section 32 of the Provincial Councils Act No. 42 of 1987 and provisions consequential to such.
22. When implementing the Teacher Transfer Policy of North Central Province, the following matters should be objectives of the said policy.
 - I. As education process should always be student-centered, students' requirements should be considered top-most when transferring teachers.
 - II. Transfers should take place in a manner ensuring confidence on teachers' professional safety and enabling the achievement of maximum service satisfaction and service delivery devoid of any unreasonable fears of unfair teacher transfers.
 - III. The main objective of the Teacher Transfer Policy is to minimizing irregularities seen in the North Central Province with regard to education.
 - IV. Teacher transfers shall be made in a manner of fair distribution of human resources of Teachers' service which may be limited to certain Educational Zone, Division or school and enabling the use of such resources by students of other areas of the Province.

- V. Since the improvement of the quality of education relies on teachers' knowledge and skills, space should be provided through the Teacher Transfer Policy for teachers to improve their knowledge and skills.
- VI. This Policy shall provide for guidance towards maximum efficiency through proper human resource management of the relevant field in the area.
- VII. Except in a situation where a disciplinary action is taken or is about to be taken against certain teacher and where such disciplinary action is facilitated by a transfer, in all the other occasions, Transfers of the Teachers' service shall be based on recommendations of a Teacher Transfer Board established formally.
- VIII. Teacher transfers shall always be made by a Teacher Transfer Board established formally except in situations of disciplinary action being taken against a teacher or such disciplinary action is about to be taken against a teacher or on urgent and specific situations kindled on service requirement or owing to teachers' requests on health conditions or on spouse's transfer or mutual transfers. With regard to such teacher transfers made on the above mentioned specific reasons, the Teacher Transfer Board shall be assembled within two weeks and presented to the Teacher Transfer Board for reference.
- IX. Format A under Schedule 01 for Annual Transfers and for an application for a reason external to it, Format B should be used.
- X. Completed teacher transfer applications shall be handed over by the applicant to the Zonal Director of Education along with the Principal's recommendations. It shall be the responsibility of the Zonal Director of Education to forward those applications to the Provincial Director of Education for future action.
- XI. Service attachments shall never be made. Attachments made with regard to pregnant teachers as per circular provisions too should be carried out on recommendations of the Teacher Transfer Board.

Zonal Teacher Transfer Boards shall assemble on Friday of the third week of every month and the Provincial Teacher Transfer Board shall assemble only on the Friday of the fourth week of every month.
- XII. Measures shall strictly be taken to perform annual and other transfers to ensure that no school has teacher-excess.

23. The following qualifications shall be there for transfers:-

- I. For all types of transfers, conditions stated in the first appointment letter should be fulfilled. Further, the conditions included into it at the time of reinstatement of service too should be fulfilled.
- II. The minimum mark limit and time prescribed by the Provincial Transfer Policy should be fulfilled.

24. School categorization shall take place as stated below and based on the requirement to implement national and provincial teacher transfer policy, timely categorization of schools should be adopted in each occasion.

- (1) More popular schools
- (2) Popular schools
- (3) Non-popular schools

- (4) Remote schools
(5) Critically remote schools

25. Every teacher shall serve a minimum compulsory service period in a school named by the Standing Committee as stated in the Provincial Teachers' Service Minutes. Accordingly,

- | | | | |
|-----|---|---|---------------------|
| (1) | In a Critically Remote or Remote school | - | Minimum of 03 years |
| (2) | Non-popular school | - | Minimum of 04 years |
| (3) | Popular school | - | Maximum of 05 years |
| (4) | More Popular school | - | Maximum of 05 years |

26. The method for allocation of marks with regard to transfers shall be as follows.

- I. When granting transfers, the Education Divisions of the North Central Province are divided into two main parts. Kebethigollawa Zone, Dimbulagala Zone, Medirigiriya Division and Elahera Division in Hingurakgoda Zone and Vilachchiya Division in Anuradhapura Zone and Galenbindunuwewa Division in Galenbindunuwewa Zone belong to one group. The schools belonging to these zones will be categorized as follows and awarded with marks.

A

<i>Type of School</i>	<i>Marks per year</i>
Critically Remote	10
Remote	08
Other Schools	05

- II. Other Educational Zones in the North Central Province are considered equally and the following marks are awarded for service period in those Divisions.

B

<i>Type of School</i>	<i>Marks per year</i>
Remote	07
Critically Remote	08
Non-popular	05
Popular	03
Highly Popular	02

- III. In addition to the matters stated in above (1) and (2), additional 02 marks will be allocated if married once as calculated, whereas, 02 marks for each child will be allocated if there are children under 07 years of age. For the whole service period one mark will be allocated per year. Further, when applying for inter-provincial transfers, applicants who have completed more than 05 years' service will be given one mark for each year. When transferring teachers who have completed more than ten years' service within the Province, the above marking system should not be adopted.

IV. Provincial Teacher Transfer Board shall timely decide on the total marks required for a transfer. On no reason shall teachers be attached to another Province.

27. I. According to the approved Teacher Carder list, teachers who have no definite timetable for relevant subjects shall be considered as excessive and the Principal shall inform the Zonal Director of Education about such excess and immediate action should be taken by the Zonal Director of Education to place such teachers within the Zone or to place them on inter-zonal transfers through Provincial Director of Education to schools where there are vacancies.

II. **Transfers of Excessive Teachers:-**

The Provincial Director of Education, Zonal Director of Education shall identify the excess teacher or teachers through the above mentioned marking procedure. Teacher or teachers who obtain minimum marks shall be considered as excessive. When there is a teacher shortage in a school of certain Education Zone, if there is an excess of teachers in another school of the same Zone for the same subject, balancing it shall be performed based on the recommendations of the Zonal Transfer Board.

When there is a teacher shortage in a Zone in relation to a particular subject and if there is a teacher excess in another zone for the same subject, balancing such excess shall be performed on the recommendations of the Inter-Zonal Teacher Transfer Board.

III. The disciplinary authority shall take disciplinary and legal action against the relevant teacher who is consciously aware that he/she is a teacher in excess, for the offence of receiving salaries without performing a duty. Likewise, having considered that the Principal, Divisional Director of Education, Zonal Director of Education and Provincial Director of Education have consciously made an offence with regard to retaining a teacher surplus, disciplinary and legal action should be taken against such parties.

28. **Transfer Board:-**

I. Teacher Transfer Boards shall be established with the objective of performing service-place transfers.

II. Teacher Transfer Boards shall be established at following level

- (a) Zonal Teacher Transfer Boards
- (b) Inter-Zonal and Inter-Provincial Teacher Transfer Boards

29. **Composition of Teacher Transfer Boards:-**

(1) **Zonal Teacher Transfer Board:**

The Chairman of the Zonal Teacher Transfer Board shall be the Zonal Director of Education or a representative nominated by him. In addition to the representative nominated by the Zonal Director of Education for the Chairman's position, two other members shall be nominated for the Transfer Board

and one of them should be the Director in charge of Establishment Affairs. Whenever and where possible, one of these two officers should be an officer who can operate in the Tamil medium. In addition to this, a representative nominated by legal Trade Unions that have been registered under the Trade Unions Ordinance too should be included.

Assistant Director of Education (Administration) shall be appointed as the Secretary.

(2) Inter-Zonal and Inter-Provincial Teacher Transfer Boards,

- (a) Provincial Director of Education shall be the Chairman.
 - (b) There shall be two representatives prescribed by the Provincial Director of Education and one of them should be the Director in charge of Establishments Affairs in the Provincial Department of Education and whenever and where possible, one of the two officers nominated by the Provincial Director of Education should be a Director in charge of the Tamil medium.
 - (c) Trade Union representatives: Trade Union representation as per the Trade Union Ordinance.
 - (d) The Secretary of the Inter-zonal and Inter-provincial Teacher Transfer Board shall be the Additional Director of Education (Administration) of the Provincial Department of Education.
- (3) Inter-zonal Teacher Transfer Board shall function with regard to Inter-provincial teacher transfers.
- (4) (I)
 - Application calling – From the first week of May up to 30th June
 - Inter-zonal and Inter-provincial – announcing the list on 30th September
 - Inter-zonal teacher transfer list – on 30th October
 - Board of Appeal – 30th November
- (II) Applications for annual transfers shall be called from the first week of May in every year and shall conclude by 30th June, whereas, by November 30th Transfer List should be announced.

30. The Board of Appeal:

- I. A teacher dissatisfied by the decision of Teacher Transfer Board may present an appeal to the Board of Appeal.
- II. The Provincial Director shall become the Chairman of the Zonal level Appeal Board, whereas, the Provincial Secretary of Education or his representative shall be the Chairman of Inter-zonal and Inter-provincial Boards of Appeal and two other representatives nominated by the Provincial Secretary shall be included. One of the said two officers should be an officer who has served in the Transfer Board. The other officer should not have served in the Transfer Board. The composition of the Zonal Transfer Appeal Board should be arranged in the same manner.
- III. On behalf of all the Trade Unions, one representative should be selected on the consent of the majority of Trade Unions. Representatives shall be selected according to the Trade Unions' Ordinance.

31. Information collection and reporting of meetings:

- The decisions taken at the Teacher Transfer Boards and Appeal Boards shall be noted down and reported by the Secretary of the Board.
- Annual service place transfers shall be conducted through internet by a software.

32. Annual transfers of Principals should be carried out according to the Principals' Transfer Policy.

33. Teachers' Code of Conduct on Virtuous Behavior

Teachers' Code of Conduct on Virtuous Behavior broadly includes the honesty, responsibility, integrity that should be inculcated within oneself and attitudes, responsibilities and customs expected from teachers as being persons with exemplary social responsibility. The fields relating to that should be as follows.

(1) The teacher as a person,

The following social expectations should get fulfilled by a teacher as a social leader with good living, discipline and good conduct.

- (a) While following the procedures required for good health, pursuing the standards of physical hygiene and cleanliness.
- (b) Always attired in clean, charming and proper dresses agreeable to culture and preserving decency and restraint.
- (c) Refrain from unhealthy habits such as consuming liquor and drugs, smoking cigarettes, chewing betel, as well as, from various abuses and encouraging others to refrain so.
- (d) Not make acquaintances with persons disgraced with regard to private and social behavior.
- (e) Not boast in front of teachers, students and others about personal wealth, family alliances and associations with persons holding higher positions.
- (f) Not utilizing own wealth, family alliances and friendships with persons holding higher offices to scare off or with the intention of harming other teachers, students or other persons, instead, bravely behaving in front of people with such intentions.
- (g) Refrain from persuading students to accept matters pertaining to one's own private viewpoints on life or religion or political standing.
- (h) Not responding to students on personal bonds.
- (i) Not making unnecessary gestures to mentally distress students.
- (j) Not utilizing one's own special skill on certain subject, language or other field to deplore other teachers.
- (k) Not become radical in front of opinionated persons and behaving properly as a balanced personnel by discarding extremist standings.
- (l) Be prepared always to protect colleague teachers or students or other person in the face of unfair, unjust ostracizes and scare offs.
- (m) Refrain from using the mobile telephones when working with students in the classroom and outside the classroom.
- (n) While always respecting to social standards, behaving in an exemplary manner to children and the whole society in every way such as customs, character and private life.
- (o) When there are violent actions against people or animals, taking action by displaying one's own sensitivity and by showing empathy, helping persons affected by natural disasters or by human activity such as laziness or neglect.

(2) The teacher in the place of parents

By taking into consideration about the legal concept that the teacher is students' positional parents with regard to school children,

- (a) Always safeguarding the trust kept in him by parents and children and taking action in a manner promoting children's trust on parents and guardians.
- (b) By discarding the factors such as caste, beliefs, gender status, social standing, religion, language, place of birth, providing love, care and protection to all the children fairly and impartially.
- (c) Addressing students only by their names or in endearing terms such as daughter, son.
- (d) Being on alert about students' special needs and problems that can be affecting them and taking measures to provide such children with required facilities and to refer them for consultants' advises.

(3) The teacher as a knowledge-giver, skills and attitude developer

Considering knowledge dissemination, development of skills and good attitudes as main responsibilities of a teacher, the teacher shall function as below.

- (a) As per Children's Rights Convention of United Nations (1989), operating in a manner that ensures preservation of rights enjoyed by children.
- (b) Always accomplishing one's own responsibility in proper preparation.
- (c) Ensuring that the knowledge given is accurate, relevant and suitable to students.
- (d) Following holistic approaches with regard to teaching.
- (e) By encouraging questioning and discussion during the teaching time, providing space for the students to improve their critical thinking ability.
- (f) For students who require additional information relating to the lesson, explaining about ways and methods for obtaining such information and allowing them to inquire further information from him.
- (g) Providing facilities that persuade students for self-study. Especially, persuading students for reading.
- (h) Acting as a person who improves students' attitudes and persuader towards such.
- (i) Never engaging in teaching by charging money from one's students.

(4) The teacher as a creative guide and advisor

Considering that a valuable service should be rendered from a teacher as a creative guide and advisor for the students assigned to his custody;

- (a) Prepare properly in terms of knowledge, skills and good attitude to accomplish the said responsibility,
- (b) Be on alert about weaknesses and problems encountering students and taking action to provide expertise advises for solving such problems,
- (c) Not reveal confidential information relating to weaknesses or problems of a student to other persons except to the relevant student's parents and legal caretakers,
- (d) By maintaining a friendly relationship with parents, providing them with easy access in necessary occasions to get the problems relating to their child solved,
- (e) Never utilize teacher-student relationship improperly; instead, taking steps to prevent students from situations where they may become prey to abuse.
- (f) Always taking action to develop student's knowledge, skills and social ethics

(5) The teacher as an evaluator

By considering assessment and evaluation as important components of the teaching-learning process, the teacher shall;

- (a) Constantly update the knowledge required for that and develop his knowledge, skills and attitudes relating to that,
- (b) Be on alert about students' learning weaknesses and problems and taking all the measures to ameliorate them including expertise' advises for remedial measures.
- (c) Executing evaluation affairs with transparency without any differences on children or of any personal-relationships and in a way that build up students' trust.

(6) The teacher as a professional

Owing to the reason of accumulation of a mass of theoretical knowledge and skills, the teacher is considered as a professional, therefore;

- (a) Always preserve the great traditions and loftiness, characteristic to the teaching profession.
- (b) It is compulsory to maintain one's professional knowledge and skills in a high standard as well as in updated condition.
- (c) Acceptance of teaching as a profession and service rely on the availability of required knowledge, skills and attitudes in the teacher community; therefore, the teacher, share his knowledge, skills and attitudes with others and enthusiastically assist the improvement of knowledge, skills and attitudes of all the teachers.
- (d) Owing to the lack of required qualifications in the teaching profession, the teaching profession might get disgraced; therefore, the teacher should acquire the relevant qualifications and provide the assistance necessary for the service improvement of colleague teachers.
- (e) Teachers with defiecient qualifications should not expect promotions until they fulfill their qualifications because promoting the grade of teachers who have not completed required qualifications may damage the profession; instead, the teachers should support the programs intended to provide promotions to qualified persons.
- (f) Functioning with dignity and good sentiment about one's profession.
- (g) Wining public trust through the provision of quality education to all the students.
- (h) Prevent from taking measures on one's private or professional objective that may harmfully influence the lives of student-community or their future and not encouraging such harmful/illegal actions.
- (i) Without criticizing about colleagues of the work place with students, other teachers, officers and parents; working with proper co-operation and unity within the institution and outside it in every activity relating to the subject and external to the subject.
- (j) Properly providing the successor with written documents and verbal information that are required for the affairs of the next year.
- (k) As soon as an improper situations harmful to the dignity of the profession arises, reporting such to the relevant authorities.

(7) The teacher as a person responsible for management

- (a) Being aware of rules and regulations governing one's profession, as well as of one's own responsibilities to the higher management.
- (b) Assisting preparation of policies relating to the school and implementation of them.

- (c) Following the instructions of the management and in problematic situations, questioning formally and calmly about the relevant issues.
- (d) Inculcating a mutual respect with regard to one's professional activities and their results.
- (e) Getting fulfilled all the official affairs fairly through proper authorities and through proper channels.

(8) Pioneer of society and nation

As the teacher is always considered as a pioneer in society and nation,

- (a) Identifying the social problems and by deploying children in activities created to face the challenges posed by such social problems, taking measures to generate a patriotic younger generation to the society.
 - (b) Through the inculcation of good thoughts and ethics that build up peace among various ethnicities, religious and language communities, taking action to ensure social integrity and harmony.
 - (c) While functioning faithfully to one's own school, society, country and nationality, guiding one's own students in the same path.
34. With regard to the affairs conducted contrary to the Teachers' Code of Conduct, action should be taken according to the Disciplinary Procedure of the North Central Province or according to the provisions of the Establishment Code.
35. According to the social expectations expected from a teacher as a person with proper conduct, discipline and good character, he shall follow the following regulations.
- (a) Not frequent disgraceful places such as taverns or betting places
 - (b) Not behave in a disgraceful manner as a person abused to liquor, betting, smoking and drugs
 - (c) Always behave in decent manner and use decent words
 - (d) Not engage in occupations relating to And activities harmful to physical health and good existence of society.
 - (e) Should follow principles connected to conflict resolution, human rights, children's and women's rights and not engage in activities that violate the above mentioned principles such as deployment of children in domestic service, abuse them and prevent from assisting such activities.
36. As the teacher takes the parents' position with regard to school children, he shall always function without any different treatment to a student or group of students, while treating all equally, fairly without any differences and giving special consideration to persons requiring additional attention.
37. The teacher, considering knowledge-giving, skills and attitude development as his main responsibility, shall very carefully follow the following matters.
- I. Preparing properly to accomplish his responsibility.
 - II. Ensuring that the knowledge, skills and attitudes given are accurate and the methods utilized are suitable in terms of age and nature of students.
 - III. Ensuring totally about students' safety while in school as well as outside school during the teaching-learning process.
 - IV. The teacher, allowing space for students who require additional information and methods usable to obtain additional information, to reach him without hesitation.
 - V. Prevent from discussing unnecessary matters with students except matters relevant directly or indirectly to his subject or lesson or matters pertaining to students' discipline.

38. Compulsory Responsibilities of the Principal:

- I. Providing timetables to teachers and supervision of them directly and through Deputy Principals of the school shall be the responsibility of the Principal.
 - II. The Principal shall take action to direct students maximally to the learning-teaching process within the school hours.
 - III. Preparation of students for Divisional, Zonal, Provincial and National competitions should at least be made prior to one calendar month to the commencement of such competition. The Principal, Divisional Director of Education, Zonal Director of Education and Provincial Director of Education shall take measures regarding it.
 - IV. Making school children participate in external ceremonies during school hours, letting external ceremonies be held within school premises should not be allowed unless under a proper permission of Provincial Director of Education.
 - V. During school days, should not leave school premises within the official hours without properly obtaining private, casual or duty leave.
 - VI. The Principal shall personally be accountable for covering of syllabus as per term note. Getting the said target achieved through the teachers is a responsibility of the Principal.
 - VII. Retaining the necessary staff within the school according to the approved teacher, principal and non-academic carders list provided to schools by the Ministry, whereas, if there is additional staff, the Zonal Director of Education shall be notified through the Divisional Director of Education. Proper placement of additional staff should be carried out by the Zonal Director of Education.
 - VIII. If there is excess staff in schools, Provincial Secretary of Education and Provincial Director of Education shall take disciplinary and legal action against the Principal of the relevant school, Divisional Director of Education and Zonal Director of Education against not taking action to balance such excess staff.
 - IX. It shall be taken into account that retaining a teacher in a school without a proper timetable is a matter punishable disciplinarily and legally.
 - X. Teachers or Principals who should be deployed in academic affairs shall never be retained in Zonal and Divisional Education Offices and if retained so for some duty, formal written permission should be obtained from the Provincial Secretary of Education for such retaining.
 - XI. Addressing and assigning duties to the academic staff and non-academic staff both shall be done in a manner preserving their professional dignity.
39. Owing to whatever reason shall employees of the non-academic staff be attached to Zonal Education Offices or to any other offices.
40. Women employed in non-academic staff shall not be deployed in service in a manner contravening the women's rights.
41. Laboratory assistants of non-academic staff shall be deployed in the service in laboratories.
