## NOTES TO THE FINANCIAL STATEMENTS

### 1 Significant Accounting Policies

#### 1.1 General Policies

##### 1.1.1 Reporting Entity

University of Kelaniya was incorporated under the University Act, No. 16 of 1978, and situated at Dalugama, Kelaniya.

##### 1.1.2 Principal activities and nature of operations

This is a National University mainly operates on Government funds.

The university primarily caters to local students in the fields of Humanities, Social Sciences, Sciences, Medicine, Commerce & Management.

The university is promoting higher studies and research.

##### 1.1.3 Basis of preparation

###### (a) Statement of Compliance

The financial Statements comprise the Statement of Financial Position, Statement of Financial Performance, Statements of changes in Net Assets / Equity, Cash Flow Statement and Notes to the Financial Statements. These statements have been prepared in accordance with the Sri Lanka Public Sector Accounting Standards (SLPSAS) issued by the Institute of Chartered Accountants of Sri Lanka and adopted by the University Grants Commission by its Financial Circular Letter No. 3/2011. The accounting policies adopted are consistent with those used in the previous financial year.

###### (b) Basis of measurement

Financial statements have been prepared on historical costs basis and do not take into account changes in money values, except where it is stated. Cost is based on the fair value of the consideration given in exchange for assets.

###### (c) Functional and presentation currency

The financial statements are presented in Sri Lankan Rupees, which is the University's functional and presentation currency.

###### (d) Use of estimates and judgments

The preparation and presentation of financial statements in conformity with SLPSAS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates and judgmental decisions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects on that period or in the period of the revision and future periods if the revision affects both current and future periods.

## 1.2 Assets and the bases of their valuation

### 1.2.1 Property, Plant & Equipment

#### (a) Recognition and Measurement

Property, Plant & Equipment are recorded at cost less accumulated depreciation. The cost of Property, Plant & Equipment is the cost of purchase or construction together with any incidental expenses thereon.

#### (b) Cost

The cost of property, plant & equipment comprises its purchase or construction cost and any directly contributable cost of bringing the asset to working condition for its intended use.

#### (c) Depreciation

Depreciation is charged to the income statement on the straight line basis at the following rates per annum in order to write off the cost of such assets over their estimated useful lives;

Buildings	5%
Furniture & Equipment	10%
Lab & Teaching Equipment	20%
Motor Vehicles	20%
Water & Electricity Supply	10%
Fiber Glass Boat	10%
Library Books & Periodicals	20%

## NOTES TO THE FINANCIAL STATEMENTS

### 1 Significant Accounting Policies

#### 1.1 General Policies

##### 1.1.1 Reporting Entity

University of Kelaniya was incorporated under the University Act, No. 16 of 1978, and situated at Dalugama, Kelaniya.

##### 1.1.2 Principal Activities and Nature of Operations

This is a national university mainly operates on government funds.

The university primarily caters to local students in the fields of Humanities, Social Sciences, Sciences, Medicine, and Commerce & Management.

The university is promoting higher studies and research.

##### 1.1.3 Basis of preparation

###### (a) Statement of Compliance

The Financial Statements comprise the Statement of Financial Position, Statement of Financial Performance, Statements of Changes in Net Assets / Equity, Cash Flow Statement and Notes to the Financial Statements. These statements have been prepared in accordance with the Sri Lanka Public Sector Accounting Standards (SLPSAS) issued by the Institute of Chartered Accountants of Sri Lanka and adopted by the University Grants Commission by its Financial Circular Letter No. 3/2011. The accounting policies adopted are consistent with those used in the previous financial year

###### (b) Basis of Measurement

Financial statements have been prepared on historical costs basis and do not take into account changes in money values, except where it is stated. Cost is based on the fair value of the consideration given in exchange for assets.

###### (c) Functional and Presentation Currency

The Financial Statements are presented in Sri Lankan Rupees, which is the University's functional and presentation currency.

###### (d) Going Concern

The Financial Statements have been prepared on the going concern basis.

###### (e) Use of Estimates and Judgments

The preparation and presentation of financial statements in conformity with SLPSAS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates and judgmental decisions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects on that period or in the period of the revision and future periods if the revision affects both current and future periods.

## 1.2 Assets and the Bases of their Valuation

### 1.2.1 Property, Plant & Equipment

#### (a) Recognition and Measurement

Property, Plant & Equipment are recorded at cost less accumulated depreciation. The cost of Property, Plant & Equipment is the cost of purchase or construction together with any incidental expenses thereon.

#### (b) Cost

The cost of property, plant & equipment comprises its purchase or construction cost and any directly contributable cost of bringing the asset to working condition for its intended use.

#### (c) Depreciation

Depreciation is charged to the income statement on the straight line basis at the following rates per annum in order to write off the cost of such assets over their estimated useful lives.

Buildings	5%
Furniture & Equipment	10%
Office Equipment	20%
Lab & Teaching Equipment	20%
Motor Vehicles	20%
Water & Electricity Supply	10%
Fiber Glass Boat	10%
Library Books & Periodicals	20%
Cloaks	20%
Machinery	20%
Others	20%

Depreciation is provided on pro rata basis on the assets purchased/constructed/disposed of during the year.

#### (d) Revaluation of the Property, Plant & Equipments

The Lands, Buildings and Motor Vehicles of the University have been revalued and recognized to the accounts with effect from 01st January, 2008.

Revaluation Surplus may be transferred to the general reserve proportionately as the assets are used by the university. In such a case, the amount of the surplus transferred would be the difference between depreciation based on the revalued carrying amount of the assets and depreciation based on the assets' original cost.

### 1.2.2 Intangible Assets

#### (a) Computer Software

##### (i) Basis of Recognition

An intangible asset is recognized if it is probable that future economic benefits that are attributable to the asset will flow to the University and the cost of the asset can be measured reliably.

##### (ii) Subsequent Expenditure

Subsequent expenditure on software assets is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is expensed as incurred.

(iii) Amortization

Amortization is recognized in profit or loss on a straight-line basis over the estimated useful life of the software, from the date that it is available for use since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset.

The estimated useful life of software is five years.

(iv) De-recognition

An intangible asset is derecognized on disposal or when no future economic benefits are expected from it. The gain or loss arising from the de-recognition of such intangible assets is included in profit or loss when the item is derecognized.

**1.2.3 Inventories**

Inventories are valued at cost based on FIFO basis.

**1.2.4 Receivables**

Receivables are stated at the amounts they are estimated to realize.

**1.2.5 Short term investments**

(a) Investment in government securities

Investments in treasury bills, treasury bonds and repurchase agreements are stated at cost.

(b) Investment in fixed deposits

Investments in fixed deposits are stated at cost.

**1.2.6 Cash and Cash Equivalents**

Cash and cash equivalents comprise cash in hand and deposits at Bank.

**1.2 Liabilities and Provisions**

All known liabilities as at the balance sheet date are included in the Financial Statements and adequate provisions are made for liabilities which are known to exist but the amount of which cannot be determined accurately.

Obligations payable on demand or within one year of the balance sheet date are treated as current liabilities in the balance sheet. Liabilities payable after one year from the balance sheet date are treated as non-current liabilities in the balance sheet.

**1.3.1 Accounting for grants**

Grants that compensate the University for Expenses incurred are recognized as revenue in the income statement in the same period in which the expenses are recognized. Grants that compensate the University for the Cost of an asset are recognized in the income statement on a systematic basis over the useful life of the related asset.

**1.3.2 Employee Benefit**

(a) Provision for Retiring Gratuity

The university has adopted the benefit plan as required under the payment of Gratuity Act, No. 12 of 1983 for all eligible employees.

Defined benefit plans define an amount of benefit that an employee will receive on retirement usually dependent on one or more factors such as age, years of service and compensation.

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the balance sheet date together with adjustment for unrecognized past service cost.

(b) Defined contribution plan

Obligations for contribution to a defined contribution plans are recognized as an expense in the income statement as incurred

1.3.3 Taxation

The university is exempt from Income Tax under Section 7(b) of the Inland Revenue Act, No. 10 of 2006.

1.3.4 Deferred Taxation

Provision has not been made for deferred tax as the university is exempted from Income Tax under Section 7(b) of the Inland Revenue Act No. 10 of 2006.

1.3.5 Capital commitments and contingent liabilities

All material commitments and contingent liabilities are considered and where necessary adjustments or disclosures are made in these Financial Statements.

1.3 Income Statement

1.4.1 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the university and that it can be reliably measured.

- (a) Enrolment fees from students are recognized as revenue on receipt.
- (b) Fees on examinations, seminars, courses and other educational and activities are recognized as revenue on completion of such activity.
- (c) The fees on fee-levying courses recognized to the income statement based on the stage of completion of each course as at the year end. Lecture fees and payments that relate to future periods are shown in the balance sheet as Income Received in Advance under the Reserve & Restricted Funds.
- (d) Interest income is recognized on accrual basis.
- (e) Revenue from grants is recognized when control of the contribution or right to receive the contribution is confirmed.
- (f) Sponsorship related activities are recognized on receipt.
- (g) Other income is recognized on accrual basis.

1.4.2 Expenditure

- (a) Expenses are recognized in the income statement on the basis of direct association between cost incurred and the earning of specific items of the income. All expenditure incurred in the running of the university and in maintaining the capital assets in a state of efficiency has been charged to revenue in arriving at the surplus/deficit for the year.
- (b) Expenses on examinations, seminars, courses and other educational activities are recognized in the income statement on completion of such activity.

### 1.5 Comparative Information

The Comparative figures have been re-arranged where necessary to conform to the current year's presentation.

### 1.6 Events after the balance sheet date

The materiality of events occurring after the balance sheet date has been considered and appropriate adjustments, wherever necessary, have been made in the accounts.

### 1.7 Cash Flow Statement

The cash flow statement has been prepared using the indirect method.

### Contingent Liabilities

Actions (Case No. DMR-05959/09 and DmR-0572/08) were filed in the District Court to recover monies, being the value of the bonds executed in favour of the University by former teachers who had violated the terms of the agreement entered into by them with the University.

The Council decided at its 415th meeting held on 10.06.2014 to accept the proposed settlement of Dr. D.P.W. Jayawardene on payment of the Rs.1,000,000/- out of Rs.1,113,600/- which was due in case No. DMR 05959/09.

The amount of Rs. 322,289.72 out of the Rs. 900,377.39 was paid on 26.12.2013 and balance of Rs.578,087.97 is to be recovered from the University provident Fund as a matter of settlement. Accordingly the steps are being taken to recover the same.

Actions (Case No. 1538/L and 1225/L) were filed by third parties against the University claiming ownership to the lands, belonging to the University and the said actions are pending. As it is uncertain with regard to payment of compensation, the liability, if any, for the University cannot be decided reliably.

As all the cases, filed in the court of appeal relate to administration, financial provision cannot be decided reliably, till the cases are concluded.

As the High Court Appeal No.HCALT9/2011 filed by the University of Kelaniya against the Labour Tribunal Case No.31/66/2006 was dismissed delivering the order on 17.06.2014, the Council decided to comply the original order of the learned president of Labour Tribunal, Consenting to release the sum of Rs. 455,580/- to Mrs. M.I.N Fernandopulle, already deposited in Labour Tribunal, by way compensation as the said Labour Tribunal order. The said money has already been released to Mrs. M.I.N Fernandopulle by Labour tribunal.

If Case No. 39/2013 (Writ) is decided against the University, compensation will have to be paid to the petitioner by the University. However, the amount cannot be ascertained until the judgment is delivered.

## Notes of the Financial Statments

### 1 Significant Accounting Policies

#### 1.1 General Policies

##### 1.1.1 Reporting Entity

University of Kelaniya was incorporated under the University Act, No. 16 of 1978, and situated at Dalugama, Kelaniya.

##### 1.1.2 Principal activities and nature of operations

This is a national university mainly operates on government funds.

The university primarily caters to local students in the fields of Humanities, Social Sciences, Sciences, Medicine, Commerce & Management.

The university is promoting higher studies and research.

##### 1.1.3 Basis of preparation

###### (a) Statement of compliance

The financial statements comprise the Statement of Financial Position, Statement of Financial Performance, Statements of changes in Net Assets / Equity, Cash Flow Statement and Notes to the Financial Statements. These statements have been prepared in accordance with the Sri Lanka Public Sector Accounting Standards (SLPSAS) issued by the Institute of Chartered Accountants of Sri Lanka and adopted by the University Grants Commission by its Financial Circular Letter No. 3/2011 and 3/2014. The accounting policies adopted are consistent with those used in the previous financial year.

###### (b) Basis of measurement

Financial statements have been prepared on historical costs basis and do not take into account changes in money values, except where it is stated. Cost is based on the fair value of the consideration given in exchange for assets.

###### (c) Functional and presentation currency

The financial statements are presented in Sri Lankan Rupees, which is the University's functional and presentation currency.

###### (d) Going Concern

The Financial statements have been prepared on the going concern basis.

###### (e) Use of Estimates and judgments

The preparation and presentation of financial statements in conformity with SLPSAS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates and judgmental decisions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects on that period or in the period of the revision and future periods if the revision affects both current and future periods.

## 1.2 Assets and the bases of their valuation

### 1.2.1 Property, Plant & Equipment

#### (a) Recognition and Measurement

Property, Plant & Equipment are recorded at cost less accumulated depreciation. The cost of Property, Plant & Equipment is the cost of purchase or construction together with any incidental expenses thereon.

#### (b) Cost

The cost of property, plant & equipment comprises its purchase or construction cost and any directly contributable cost of bringing the asset to working condition for its intended use.

#### (c) Depreciation

Depreciation is charged to the income statement on the straight line basis at the following rates per annum in order to write off the cost of such assets over their estimated useful lives.

Buildings	5%
Furniture & Equipment	10%
Office Equipment	20%
Lab & Teaching Equipment	20%
Motor Vehicles	20%
Water & Electricity Supply	10%
Fiber Glass Boat	10%
Library Books & Periodicals	20%
Cloaks	20%
Machinery	20%
Others	20%

Depreciation is provided on pro rata basis on the assets purchased/constructed/disposed of during the year.

#### (d) Revaluation of the Property, Plant & Equipments

The Lands, Buildings and Motor Vehicles of the University have been revalued and recognized to the accounts with effect from 01<sup>st</sup> January 2008.

Revaluation Surplus may be transferred to the general reserve proportionately as the assets are used by the University. In such a case, the amount of the surplus transferred would be the difference between depreciation based on the revalued carrying amount of the assets and depreciation based on the assets' original cost.

### 1.2.2 Intangible Assets

#### (a) Computer Software

##### (i) Basis of Recognition

An intangible asset is recognized if it is probable that future economic benefits that are attributable to the asset will flow to the University and the cost of the asset can be measured reliably.

##### (ii) Subsequent Expenditure

Subsequent expenditure on software assets is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is expensed as incurred.

(iii) **Amortization**

Amortization is recognized in profit or loss on a straight-line basis over the estimated useful life of the software, from the date that it is available for use since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life of software is five years.

(iv) **De-recognition**

An intangible asset is derecognized on disposal or when no future economic benefits are expected from it. The gain or loss arising from the de-recognition of such intangible assets is included in profit or loss when the item is derecognized.

1.2.3 **Inventories**

Inventories are valued at cost based on FIFO basis.

1.2.4 **Receivables**

Receivables are stated at the amounts they are estimated to realize.

1.2.5 **Short term investments**

(a) **Investment in government securities**

Investments in treasury bills, treasury bonds and repurchase agreements are stated at cost.

(b) **Investment in fixed deposits**

Investments in fixed deposits are stated at cost.

1.2.5 **Cash & Cash Equivalents**

Cash & cash equivalents comprise cash in hand and deposits at Bank.

1.3 **Liabilities & Provisions**

All known liabilities as at the balance sheet date are included in the Financial Statements and adequate provisions are made for liabilities which are known to exist but the amount of which cannot be determined accurately.

Obligations payable on demand or within one year of the balance sheet date are treated as current liabilities in the balance sheet. Liabilities payable after one year from the balance sheet date are treated as non-current liabilities in the balance sheet.

1.3.1 **Accounting for Grants**

Grants that compensate the University for Expenses incurred are recognized as revenue in the income statement in the same period in which the expenses are recognized. Grants that compensate the University for the Cost of an asset are recognized in the income statement on a systematic basis over the useful life of the related asset.

1.3.2 **Employee Benefit**

(a) **Provision for Retiring Gratuity**

The university has adopted the benefit plan as required under the payment of Gratuity Act, No. 12 of 1983 for all eligible employees.

Defined benefit plans define an amount of benefit that an employee will receive on retirement usually dependent on one or more factors such as age, years of service and compensation.

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the balance sheet date together with adjustment for unrecognized past service cost.

As per provisions of the Employee Gratuity Payment Act, provisions for gratuity should be made and deposited annually in the relevant gratuity account and payment should be made promptly to employees when they become eligible which specified in the paragraph No. 3.5 of the Public Finance Circular No. 02/2013 (issued on 13.09.2013).

Establishment of Internal Fund equal to the amount of the Gratuity Provisions and invest the same.

(b) **Defined contribution plan**

Obligations for contribution to a defined contribution plans are recognized as an expense in the income statement as incurred

1.3.3 **Taxation**

The university is exempt from Income Tax under Section 7(b) of the Inland Revenue Act, No. 10 of 2006.

1.3.4 **Deferred Taxation**

Provision has not been made for deferred tax as the university is exempted from Income Tax under Section 7(b) of the Inland Revenue Act, No. 10 of 2006.

1.3.5 **Capital commitments and contingent liabilities**

All material commitments and contingent liabilities are considered and where necessary adjustments or disclosures are made in these Financial Statements.

1.4 Income Statement

1.4.1 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the university and that it can be reliably measured.

- (a) Enrolment fees from students are recognized as revenue on receipt.
- (b) Fees on examinations, seminars, courses and other educational and activities are recognized as revenue on completion of such activity.
- (c) The fees on fee-levying courses recognized to the income statement based on the stage of completion of each course as at the year end. Lecture fees and payments that relate to future periods are shown in the balance sheet as Income Received in Advance under the Reserve & Restricted Funds.
- (d) Interest income is recognized on accrual basis.
- (e) Revenue from grants is recognized when control of the contribution or right to receive the contribution is confirmed.
- (f) Sponsorship related activities are recognized on receipt.
- (g) Other income is recognized on accrual basis.

1.4.2 Expenditure

- (a) Expenses are recognized in the income statement on the basis of direct association between cost incurred and the earning of specific items of the income. All expenditure incurred in the running of the university and in maintaining the capital assets in a state of efficiency has been charged to revenue in arriving at the surplus/deficit for the year.
- (b) Expenses on examinations, seminars, courses and other educational activities are recognized in the income statement on completion of such activity.

1.5 Comparative Information

The Comparative figures have been re-arranged where necessary to conform to the current year's presentation.

1.6 Events after the balance sheet date

The materiality of events occurring after the balance sheet date has been considered and appropriate adjustments, wherever necessary, have been made in the accounts.

1.7 Cash Flow Statement

The Cash Flow Statement has been prepared using the indirect method.
