The audit of financial statements of the University of Colombo School of Computing for the Year ended 31st December, 2010 was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 23 of the University of Colombo School of Computing Ordinance, No. 1 of 2002 enacted in terms of Section

18 of the Universities Act, No. 16 of 1978, Sections 108 (1) and 111 of the Universities Act and Sub-sections (3), (4) and (7) of Section 13 of the Finance Act, No. 38 of 1971. This report is issued in terms of Section 108 (2) of the Universities Act and Section 13 (7) (a) of the Finance Act, No. 38 of 1971. My comments and observations appear in this report.

1.2 *Responsibility of the Management for the Financial Statements :*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Accounting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

1.3 *Scope of Audit and Basis of Opinion :*

My responsibility is to express an opinion on these financial statements based on my audit. Audit opinion, comments and findings in this report are based on a review of the financial statements presented to audit and substantive tests of samples of transactions. The scope and extent of such review and tests were such as to enable as wide an audit coverage as possible within the limitations of staff, other resources and time available to me. The audit was carried out in accordance with Sri Lanka Auditing Standards to obtain reasonable assurance as to whether the financial statements are free from material misstatements. The audit includes the examination on a test basis of evidence supporting the amounts and disclosures in financial statements and assessments of accounting Policies used and significant estimates made by the management in the preparation of financial statements as well as evaluating their overall presentation. I have obtained sufficient information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit. I therefore believe that my audit provides a reasonable basis for my opinion. Sub-sections (3) and (4) of Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

- (b) On the instruction given by the coordinator (a senior lecturer) of both LTRL and PAN project had transferred the deficit of Rs. 527,845 to PAN project.

2.2.5 Non compliance with Laws, Rules, Regulations and Management Decisions

- (a) We have already vacated from female hostel at Borella. The rental agreement period of Kirilapona hostel were amended for three (3) years.

(b)

<i>Lecturer Department for</i>	<i>Appoint on Casual Basis</i>	<i>Appoint on Temporary</i>	<i>Date of PhD</i>
H. D. R. N. Dayarathna	03.02.2003	19.09.2003	20.08.2004
M. C. Jayawardena	01.11.2002	01.07.2003	20.08.2004

Sida Phd programme had allocated funds for this programme. If these two students were not participated for the programme the said two PhD opportunity could have been lost to the country. Also they have already finished their degrees and attached to the permanent teaching staff these two lecturers had served for the University for several years under various capacities on casual basis.

- (c) Dr. Ajanatha Atukorala had been selected as Sri Lanka representative to be participated to the 29th APAN conference. The total cost of the tour was born by the SIDA programme. When calling quotation from three air lines including people's travels the Jetwing Travel had quoted at Rs. 93,000 which is Rs. 16,750 less than the quoted by People's travels. Hence we purchased air ticket from Jetwing Travels at a lowest price.

- (d) We have already submitted the approval received from Ministry of Finance on investments with a detail reply to the Audit. Further more details are mentioned below.

<i>Year</i>	<i>Amount Invested</i>	<i>Date of approval Received from Ministry</i>
2004	Rs. 41.69m	10.05.2004
2006	Rs. 58.4m	22.06.2006
	USD 0.2m	
2010	Rs. 20.3	Approval requested

Interest income of Rs. 106.85m earned from the year 2004 had been included in the said investment.

- (e) The same MSc degree in Computer Science is being conducted by other universities and private institutions in the country. Demand for the degree is always depends on the quality of the course work and the lecturers. The lecturers for the programme is recruited internally as well as externally.

Accepting of appointments by the lecturers depends on the rate offered for an hour. Since the degree programme is being conducted at the weekends by the all places lecturers are preferred to joined the places where they are offered a higher rates.

In deciding per hour rate all the activities such as preparation of notes, Printing of notes, and all other Primary activities have been considered and included. But all other places are paying separately for various other activities.

In addition to that, out of total income earned in this programme, 60% is being used for conducting the degree programme and the balance 40% is being used for the benefit of undergraduate education, development activities of the institution, and research activities of the senior academic staff. Also its worthwhile to mention that this is a grate chance for the Govt. to minimize the cost of undergraduate education.

If it is necessary to comply with the circular instructions it would cause to drop the demand for the degree leading to conduct it successfully and could be a lost for the institution as well as the Govt.

- (f) Presently Treasury Representative is being participated to the Audit Committee meetings regularly.

2.2.6 Transactions of the Contentious Nature

As per the circular instructions given by the University Grant Commission allowance for the proficiency in Second and Third Language has been paid.

3. Financial and Operating Review

3.1 Financial Review

3.1.1 Financial Result

Financial result mentioned in the report is correct as per our Financial Reports.

3.2 Operating Review

3.2.1 Performance

- (a) Recruitment of 230 students to the Undergraduate programme and offering of degrees to 229 students is correct.
- (b) Registration of 6,366 students to the External Degree programme and offering 361,199 and 140 of Diploma, Higher Diploma and Degrees respectively is correct.
- (c) Providing of educational facilities for 443 students for 3 Postgraduate courses is correct.
- (d) Delivering of lectures by 17 permanent staff and Visiting lecturers is correct.

3.2.2 Budgetary Control

Capital Expenditure during the year was higher than the budgeted since the UCSC carried out substantial renovation programme to all of UCSC building to commemorate the 25th Anniversary. However capital expenditure during the year has been managed well.

3.2.3 Management Inefficiencies

In order to carry out renovation programme to commemorate the 25th Anniversary the UCSC buildings renovation programme were carried out with the approval of the Board of Management of UCSC to be spent from generated funds.

A consultancy service was obtained with the approval of Board of Management on very favorable terms.

Since the consultant had been providing services to the institution from years ago, the knowledge of the consultant on structure of the buildings was very useful for this renovation.

It is worthy to mentioned that the said renovation job had been completed successfully even less than the estimated cost.

3.2.3 Uneconomic Transactions

Since resources available to the Internal Audit branch of University of Colombo they say that it is impossible for them to provide internal audit services to the UCSC. When we explore the actual situation we got to know that they did not cover entire activities of the institutions attach to the University of Colombo in their internal audit plan.

Having deeply considered the above fact we decided to employ a professional audit firm in order to carry out UCSC internal audit activities with the approval of Board of Management to be paid them from our generated funds.

An internal audit plan has been developed by the internal auditors for the UCSC having taken into consideration of University of Colombo internal audit plan and Audit committee chaired by a chartered Accountant (Board Member) reviewed the plan and recommended it for the Board of Management for approval.

Since the internal audit is being carried out on a quarterly basis and UCSC audit committee reviews the internal audit report on a quarterly basis, our finance, administration and other sections are being run smoothly and with high internal control systems.

We have once again invited the internal audit to provide the service and they have accepted to cover only a minor part of the UCSC requirement.

Hence I wish to mention that this is not an uneconomic transaction.

4. Systems and Controls

Special attention will be drawn to safe guard assets of the institution.

Thank you,

Yours truly,

Prof. G. N. WIKRAMANAYAKE,
Director.
