NATIONAL INSTITUTE OF LIBRARY AND INFORMATION SCIENCES (NILIS) UNIVERSITY OF COLOMBO ANNUAL REPORT - 2011

Vision

TO be a centre of excellence of international repute, building synergies between knowledge, education, research and entrepreneurship in library and information management with a special focus on school librarianship.

Mission

Producing the necessary human resources in information management who can play a pivotal role in the national development in all sectors with highest competency and integrity and uncompromising quality.

Director's Review

Brief Introduction: National Institute of Library and Information Sciences (NILIS) of University of Colombo was established in 1999. The purpose of the institute is to provide postgraduate and general training facilities in the Library and Information Science (LIS) field with special attention to School/Teacher Librarianship. The NILIS was a part of the World Bank funded General Education Project to improve the school libraries and the quality of the general education in the country. 4,000 school libraries were established under the project and the main objective of the institute is to provide training and higher educational facilities for the teacher librarians who were entrusted with the school library work. NILIS introduced a range of Masters, Postgraduate Diploma, Diploma and Certificate programmes for the benefit of the Teacher Librarians with the help of both local and international experts. In addition a number of postgraduate programmes and Diploma/Certificate programmes were launched for the librarians of the other sectors as well. This is the second higher educational institute serving the Library and Information Science (LIS) field in addition to the Department of Library Studies of University of Kelaniya. Sudden collapse of the school library project of the Ministry of Education around 2005 due to non recognition of the qualifications of the Teacher Librarians for their career improvements has put NILIS in a very difficult situation. As a result NILIS lost about 70% of its intended clients in the last few years. NILIS has been struggling to come out of this situation during the last few years. The steps taken and strategies adopted as remedial measures will be discussed under the future plans.

Achievements: NILIS over the last decade trained a large number of senior, para-professional, and support staff of the Library and Information field. As indicated, most of the library trainees were teacher librarians from the Ministries of Education of the Central Government and Provincial Councils and the rest were the librarians of the other sectors; e.g. University, Research, Local Government, Departmental, NGOs/INGOs. In addition NILIS has been conducting training programmes for provincial/district/zonal level library administrators, School Principals and for other similar categories both at NILIS and provincial training centres. At the same time it conducts short term training programmes to improve the information literacy, ICT/Digital literacy among public/private sector administrators, mid-level officials, writers, publishers, librarians and others who are keen to acquire the new skills.

NILIS also publishes its own e-journals in the LIS field which has been hailed as one of the leading e-journals in Sri Lanka as well as in the SAARC region. Its Annual Research Symposium attracts both national and international attention. As described later NILIS is actively engaged in revising and improving its syllabuses and also introducing new market oriented programmes, deviating from the traditional library and information science field. In 2011 NILIS conducted 05 Postgraduate Programmes, namely MPhil/PhD, Masters in Library Science, Masters in Teacher Librarianship, Postgraduate Diploma Teacher Librarianship and Postgraduate Diploma in Library and Information Sciences. In addition 03 Diploma Programmes – Diploma in Library and Information Management, Diploma in School Librarianship and Diploma in Public Librarianship were conducted.

04 Certificate Programmes in Information Management, Public Librarianship and School Librarianship were also offered during the period. 18 Seminars/Workshops were conducted in Colombo as well as at the provincial level. Annual NILIS Research Symposium was held. Development of new market oriented programmes, syllabus revision and upgrading of the present programmes have also been carried out.

Failure and Justification : The major failure of the last few years including 2011 is the unsuccessful attempts to rectify the problems of School Library field and regain the lost clientele from the School Library sector. As mentioned earlier due to the non-recognition of NILIS qualifications for the career advancement of the teacher librarians and also the failure of the MoE to incorporate the teacher librarians professional qualifications in the Teacher Services Minutes, both the School Library Development Project and

the progress of the NILIS have been halted in the midway. NILIS has been doing its part of work to rectify the situation by submitting Cabinet Memorandums, engage in advocacy work with the Ministry of Education and getting the support of the National Library and Documentation Board, Sri Lanka Library Association, UGC and others for its cause. This was the biggest single cause for slow progress of NILIS in the recent past. The low budgetary provisions for the library sector from the central government, provincial council and local authorities also affected NILIS training programme in the past decade due to the economic difficulties. This prevented the prospective students enrolling at the NILIS from those sectors. The situation is gradually improving now.

Future Plan: NILIS has been developing its future plan taking in to consideration the School Library problem, new demands from the clients/market, new innovation in the ICT field and new delivery methods. The NILIS strategy in formulating future plans is as follows:

- 1) Solve the Teacher Librarians problem with the help of MoE;
- 2) Commence new market oriented courses and reduce overly dependence on the Teacher Librarians;
- 3) Introduce Undergraduate Programmes in addition to the present Postgraduate/Diploma Courses;
- 4) Introduce web based distant teaching/learning to attract more students.

1) Solve the Teacher Librarians Problem : NILIS has been having dialogues with the Hon.Ministers of Education (MoE), Secretaries and other senior officials of the MoE on the Teacher Librarians issue in the past several years. When the recognitions of the Teacher Librarians qualifications for their promotions etc. surfaced in 2006, we persuaded the Hon. Minister of Education to submit a Cabinet Paper and rectify the matter. When the Cabinet Paper was submitted in 2006, the Cabinet of Ministers appointed a committee comprising the senior officials of the General Treasury, Ministry of Public Administration and Ministry of Education to study and report. This committee met several times and submitted a report recommending the recognition of the professional qualifications of Teacher Librarians to have a quality school library services in the country. The MoE kept the report more than two years and then submitted it to the Cabinet in 2009. After studying the committee report the Cabinet of Ministers in August 2009 approved the recognition of the professional qualifications of the teacher librarians for their promotions etc. and send it back to the MoE for implementation. Now it is more than 3 years, MoE still has not implemented it. The NILIS, Sri Lanka Library Association, National Library and Documentation Services Board (NLDSB) and the UGC continuously made representations to the MoE on the issue. Regular changes of the Ministers and Secretaries of the Ministry have not helped the cause. In addition the Sri Lanka Library Association and the Teacher Librarians Union charged that a senior officer in the Ministry deliberately sabotaging the project.

On the 05th November 2012 Hon. Minister of Education summoned a special meeting to discuss the Teacher Librarians issue. New Secretary/Education, senior officers of the MoE and Director/NILIS attended the meeting. The Minister severely reprimanded the officers who are responsible for the long delay in implementing the Cabinet decision. He instructed them to expedite the matter and settle it once and for all. The Secretary/MoE, Mr. Gotabaya Jayaratne, said that he is convinced that there is no other way than going forward with the teacher librarians to have a quality school library service. He assured the Hon. Minister that he will deal with the remaining issues and solve the teacher librarians problem as early as possible.

2) Commence New Market Oriented Courses: In the mean time NILIS has started looking at alternative avenues to fill the void created by absence of the Teacher Librarians. Early decision was taken not to pursue additional Library Science Courses, but to introduce market oriented, attractive new courses in Information Science field. NILIS has already designed/developed two new postgraduate courses namely a) Postgraduate Diploma in Information Management (PGDIM) and b) Masters in Information Management (MIM). The Course Formulating Committee chaired by the Director, studied similar courses offered in the universities in other parts of the world in developing the course module and also studied the requirements in the public and private sector organizations in Sri Lanka. These two courses and respective syllabuses have been approved by the NILIS Academic Committee and the BoM and the Senate of the University of Colombo. We are planning to advertise the courses soon. One year Masters programme in Library and Information Science is also being developed at present. In addition NILIS has improved the syllabuses of other postgraduate programmes by introducing more information/ICT oriented modules. Another new strategy is to expand the admission requirements for the postgraduate courses and include a number of relevant other professional qualification; e.g. Associateship of Sri Lanka Library Association. A number of short courses have also been introduced with the objective of improving ICT/digital literacy of writers, administrative officers, clerical grade officials and mid level library staff etc.

3) Introduction of Undergraduate Programme: NILIS is planning to introduce Undergraduate Programme in Information Management in the year 2013. The NILIS Academic Committee and BoM approved the proposal and the Senate of the UoC has given the green light for the project. The necessary syllabuses are being prepared at present. Once the degree programmes are commenced, there will be adequate students throughout the year and we can expect larger resource allocation from the UGC and the Treasury for the institute. This will hopefully improve the stature and reputation of the institute.

4) Introduction of Web-based Distance Teaching/Delivery: NILIS is also improving its in-house ICT facilities, upgrading the web with the assistance of University of Colombo to start web based distant learning/teaching programmes. The University is investing heavily on distant mode of delivery through its virtual university programme and NILIS is planning to be a part of the project. We plan to implement the web-based teaching/delivery project gradually from 2013.

Considering all these developments, we are confident that NILIS will improve its present situation in the next couple of years. As a result of improving syllabuses, a number of Maldivian students have registered for a postgraduate programme recently. We hope we can attract more overseas students in the coming years. I thank the Chairman and the Board of Management, Academic and Higher Degrees Committees, the Teaching Faculty, Course Co-ordinators and the Administrative Staff for their dedicated work.

UPALI AMARASIRI,
Director/NILIS

NOTES TO THE ACCOUNTS

1. General Accounting Policies

The financial statement of the Institute have been prepared on historical basis in accordance with generally accepted accounting principles applied on a consistent basis and in conformity with Sri Lanka Accounting Standards.

Provisions have been made for all liabilities.

Income and expenditure with regard to academic programmes have been accounted on cash basis. Equivalent amount of income to the expenses of the programmes during the financial period have been transferred to Income and Expenditure Account. Balance Income of the programmes has been recognized under current liabilities.

Income of academic programmes will be recognized at the end of the budgeted period.

2. Assets and the Basis of Valuation

Depreciation has not been provided on for the year of purchase of all assets, while full year depreciation is provided in the year of disposal.

Fixed Assets shown at cost less accumulated depreciation. Depreciation has been charged on cost of the assets at the following rates per annum in order to write off such assets over their estimated useful economic lives.

Building and Structures	5%
Furniture and Equipment	10%
Motor Vehicles	10%
Computers	20%
Library Books and Periodicals	20%
Other Assets	10%

Vehicle is registered under the Register of the University of Colombo and value of the vehicle has been recorded in the account

The building is used by the Faculty of Education and the National Institute of Library and Information Sciences. Value of the building Rs. 47,532,868.44 is not taken into accounts.

Closing stock of consumable stock has been valued at cost.

3. Liabilities and Provisions

Full Provision is made in the accounts for retiring gratuity payable to all employees of the Institute. The provision is not representing equivalent amount of fund and payments are made out of Treasury grant.

My No. : CE/G/NILIS/FA/2011.

Director,
National Institute of Library and Information Science
University of Colombo.

**Report of the Auditor General on the Financial Statements of the National Institute of Library and Information Science
Affiliated to the University of Colombo for the year ended 31st December, 2011 in terms of Section 108(2) of the
Universities Act, No. 16 of 1978 and Section 13(7)(a) of the Finance Act, No. 38 of 1971**

THE Audit of financial statements of the National Institute of Library and Information Science affiliated to the University of Colombo for the year ended 31st December, 2011 comprising the balance sheet as at 31st December, 2011 and the income statement, statement of changes in equity and the cash flow statement for the year then ended and a summary of accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 13 (1) of the Finance Act, No. 38 of 1971 and Sections 108(I) and (III) of the Universities Act, No. 16 of 1978. My comments and observations which I consider should be published with the Annual Report of the Council in terms of Section 110 of the Universities Act appear in this report. A management report including detailed matters was issued to the Director of the Institute on 23rd March, 2012.

1:2 Management's Responsibility for Financial Statements :

The management is responsible for the preparation and fair presentation of those financial statements in accordance with Sri Lanka Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial that are free from material misstatements, whether due to fraud or error.

1:3 Auditor's Responsibility :

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgements, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the National Institute of Library and Information Science preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the National Institute of Library and Information science's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonable of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Sub-sections (3) and (4) of Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the Audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

1:4 Basis for the Qualified Opinion :

My opinion is qualified on the basis of the matters referred to the paragraph 2:2 of this report.

2. Financial Statements :

2:1 Qualified Opinion :

In my opinion, except for the effects of the matters described in paragraph 2:2 of this report, the financial statements give a true and fair view of the financial position of the National Institute of Library and Information Sciences Affiliated to the University of Colombo as at 31st December, 2011 and its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

2:2 Comments on Financial Statements :

2:2:1 Accounting Policies:

Course Fees :

- (i) Income on course fees had not been brought to account on accrual basis whereas a sum of Rs. 1,272,090 equal to the value spent for conducting courses had been brought to account. Similarly, the course fees received exceeding the expenditure for the year under review had been brought to account as “income received in advance”.
- (ii) A sum of Rs. 106,145 remaining out of the course fees recovered relating to 03 courses completed by 31st December, 2011 had been brought to account as “income received in advance” without being credited to the income for the year.

2:2:2 Unreconciled Control Accounts :

The balance of the refundable library deposit account amounted to Rs. 227,500 whereas the balance of the Schedule amounted to Rs. 247,500 thus, a difference of Rs. 20,000 was observed between those balances.

2:2:3 Non-compliance with Laws, Rules, Regulations and Management Decisions :

The following instances of non-compliance were observed.

*Reference to Laws, Rules,
Regulations and Management
Decisions*

Non-compliance

- | | |
|---------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| (a) National Institute of Library and Information Science
Ordinance No. 01 of 1999, Section 12 | Although not less than 10 meetings of the Education Committee should be conducted during one year period, only 05 meetings of the Education Committee had been conducted during the year under review. |
| (b) Financial Regulations of the Democratic Socialist Republic of Sri Lanka. | |
| (i) F. R. 135 | Functions for financial control had not been delegated. |
| (ii) FR 371 (2) | Advances ranging from Rs. 20,000 to Rs. 171,500 had been granted for incurring expenditure of programmes and workshops in 04 instances. |
| (iii) FR 396 | 06 cheques for which the validity period had exceeded, valued at Rs. 7,320 issued but not presented for payment had not been settled. |
| (iv) F. R 570 and F. R. 571 | Action had not been taken to refund or settle to the relevant students concern a sum of Rs. 112,500 obtained as library deposits from 45 students who had completed the courses during the period from 2004 to 2010. |
| (c) Treasury Circular No. 842 dated 19th December, 1978 | A Register of Fixed Assets in terms of Form General 287 had not been maintained in respect of fixed assets purchased prior to the year 2011. |

3. Financial Review :

3:1 Financial Results :

- (i) According to the financial statements presented, the working of the Institute for the year ended 31st December, 2011 had resulted in a deficit of Rs. 9,086,796 before taking into account the Government Grant for recurrent expenditure and the capital grant amounting to Rs. 80,500 incorrectly credited to the income and expenditure account as compared with the corresponding deficit of Rs. 8,430,218 for the preceding year. The deficit for the year under review had been reduced to Rs. 1,331,723 due to the Government Grant of Rs. 7,674,573 received for the recurrent expenditure for the year under review and the above incorrect adjustment of Rs. 80,500 while the deficit for the preceding year had been reduced to Rs. 2,575,218 due to the Government Grant of Rs. 5,855,000 received for the recurrent expenditure of that year. The deficit for the year under review had reduced as compared with the preceding year due to increase of Government Grant and decrease of depreciation on fixed assets for the year by 36 percent.

- (ii) Although sum of Rs. 23,132,739 and Rs. 4,244,585 had been allocated to this Institute established in 1999 from the World Bank Project and the Government Capital Grant respectively, a debit balance of Rs. 24,446,826 had arisen in the General reserve account due to the deficit arisen annually from the operational activities. This situation had existed due to non achievement of the objectives expected by establishing the Institute satisfactorily.

4. Operating Review

4:1 Performance :

The following observations are made:

- (a) Although the primary objective of the Institute of Library and Information Sciences established under the Secondary General Education Project of the World Bank was to train 300-400 students, number of students who had registered under 63 courses during 09 years from 2003, the year of commencement of courses to the year 2011 was only 1,451. Out of them, 629 students, except students of 09 courses not completed so far, had not completed their courses satisfactorily and it represented 46 per cent of the registered students.

Year	Number of Courses	Number of Registered Students	Number of students who have successfully completed their Courses	
			Number	Percentage %
Up to 31 st December, 2004	09	344	201	58
2005	08	191	80	42
2006	06	133	70	53
2007	10	215	96	45
2008	06	178	114	64
2009	09	215	114	53
2010	05	60	32	53
	03	32	Courses not completed	-
2011	01	10	10	100
	06	73	Courses not completed	-
	<u>63</u>	<u>1,451</u>	<u>717</u>	

- (b) In terms of Section 04 of the National Institute of Library and Information Science Ordinance No. 01 of 1999, attention had not been paid to achieve the following objectives expected by the establishment of this Institute:-

- * Carrying out research on library and information science.
- * Exchange of lecturers, students and scholars with the institute in Sri Lanka or in foreign universities possessing equal objectives or substantially equal objectives of the Institute.
- * Creation and awarding of fellowship, scholarship, bursaries, accreditation and other titles.

- (c) The following activities included in the Action Plan for the year 2011 had not been implemented.

- (i) Master of Arts in Applied Information Manageent (MAAIM)
- (ii) Diploma in Information Management (DIM) (New)
- (iii) Foreign Assisted Programmes.

4:2 Management Inefficiencies :

4:2:1 Conducting Courses :

The Following observations are made:-

- (a) One post out of the approved posts for lecturers of the Institute had remained vacant for several years.
- (b) Delays in completion of 03 courses had ranged from 04 months to 05 months than the targeted period.
- (c) The budget of the courses had not been made use of as an instrument of control due to non preparation of budget at the appropriate time and existence of considerable variances between the budgeted and actual expenditure.
- (d) The register of course fee income had not been maintained with proper supervision.

4:2:2 *Maintenance and Control of the Library :*

The following observations are made :

- (a) Non-availability of a proper procedure in purchasing books to the Library.
- (b) Underutilization of books and equipment valued at Rs. 6,947,597 as at 31st December, 2011 due to very minimum of number of students utilizing the library.
- (c) 06 officers of the staff had borrowed between 03 to 14 books at a time whereas the period of returning those books had delayed from 01 month to 02 years and 05 months.
- (d) Not taking action in respect of 115 misplaced books according to the report of the physical verification as at 31st December, 2011.

4:2:3 *Stock Control :*

The stock register had not been maintained in the manner showing clearly receipts, issues and balances of stationeries.

4:3 *Uneconomic Transaction :*

A surcharge of Rs. 1,822 had to be paid due to nonpayment of contribution to the Employees Trust Fund for the month of April, 2011 within the specified date.

4:4 *Vehicle Utilization :*

A vehicle at a cost of Rs. 3,603,493 obtained 08 years ago through the Ministry of Education had not been registered in the name of the Institute up to now and the running charts and log book of that vehicle were incomplete.

5. Accountability and Good Governance

5:1 *Corporate Plan :*

The Corporate Plan for the period 2001 - 2015 had not been prepared in a manner showing particulars of resources existed in the Institute, organization chart of the Institute and discharging of responsibilities to the management of the Institute along with the objectives and targeted plans. The Corporate Plan had not been up dated.

5:2 *Action Plan :*

Details such as period expected and the amount allocated to carry out each activity had not been shown in the Action Plan and also the Performance Reports had not been prepared.

5:3 *Procurement Plan :*

A Procurement Plan had not been prepared.

5:4 *Budgetary Control :*

The following observations are made :

- (a) A budget had not been prepared in accordance with the provision in the Circular No. PED 12 dated 02nd June, 2003 and the budget had not been revised according to the changes made in the provision during the year.
- (b) The budget had not been made use of as an effective instrument of management control due to the reasons such as incurring expenditure of Rs. 1,299,686 or 12% exceeding the provision for 04 Heads of Recurrent Expenditure and one Head of Capital Expenditure, non spending of entire provision of Rs. 800,000 provided for rehabilitation and improvement of capital assets.

5:5 Tabling of Annual Report :

Annual Report for the year 2010 had not been tabled in Parliament.

6. Systems and Controls

Deficiencies in systems and controls observed in audit were brought to the notice of the Director of the Institute from time to time. Special attention is needed in respect of the following areas of controls.

- (a) Financial Control,
- (b) Accounting,
- (c) Stock Control,
- (d) Performance,
- (e) Planning.
- (f) Maintenance of Library.

**Report of the Auditor General on the Finance Statements of the National Institute of Library and Information Sciences
affiliated to the University of Colombo for the year ended 31st December, 2011 in terms of Section 108 (2) of the
University Act, No. 16 of 1978 and Section 13 (7) of the Finance Act, No. 38 of 1871**

This has reference to your Audit report No. CE/G/NILIS/FA/10 dated 14th May, 2012 on the Accounts of this Institute. I submit herewith my observations on the above Audit Report as follows :

2. Financial Statements

2:2 Comments on Financial Statements :

2:2:1 Accounting Policies

Courses Fee

- (i) As the course fee is paid on instalment basis and the extension of course duration income cannot be estimated reliably. Therefore in terms of SLAS 29, Paragraph 29, revenue is recognize only to the extent of expenses recognized that are recoverable.
- (ii) Relevant accounts will be analyzed and corrected in 2012.

2:1:2 Unreconciled Control Accounts

Relevant accounts will be analysed and the difference will be adjusted.

2.1.3 *Non compliance with Laws, Rules, Regulations and Managment Decision :*

- (a) Although the Academic Committee Meetings was scheduled to be held on due dates, due to the strikeaction of Academic staff two meetings had to be postpond. Due to the absence of the quorum in another two occasions the meetings had to be postphoned.
- (b) (i) The Board Paper on Delegation of Financial Authority Limits was submitted to the Board of Management at it's Meeting held in April, 2012 and it was approved by the Board at the said meeting.
- (ii) These advances had been paid out of income generated from Workshops and Seminars. All advances had been issued subject to the Director's approval and the advances had been settled within a short period of time.
- (iii) Necessary steps were taken to cancel the cheques of which the validity period was expired.
- (iv) Library deposits are refunded on a written request made by a student. When the students are not complete the dissertation/project or when they have to face for repeat examinations, they need to use the library even after the course is over. Therefore, such students have not requested Library Deposits and accordingly refunds had not been made.
- (c) Fixed Assets Register had been prepared according to format 287.

4. Operating Review

4.1 *Performance :*

- (a) and (b) Teacher Librarians are reluctant to register for out courses as their professional qualifications acquired by following our courses are not recognized and not included in the Teacher's Service constitution as agreed by the Ministry of Education. Discussions were held several occasions in this regard. Due to this reason the targeted numbers of students registered have become low and unable to accomplish the primary objective of the NILIS established stated in its Ordinance No. 4.
- (c) Draft Programme of these Courses have been submitted to the Senate for approval.

4.2 *Management inefficiencies :*

4.2.1 *Conducting Courses*

- (a) We have already filled vacancy of Senior Lecturer Post and he will assume duties on 15th June, 2012.
- (b) Due to the academic staff strike action and non submission of dissertation on due dates by the students there is a delay in completing most courses. We have taken action to persuade students to submit dissertations in time.
- (c) Some students join courses even after commencement of the course, Therefore income and expenditure cannot be estimated accurately. Therefore Budgets of Courses some times had to be prepared even after commencement of such courses.
- (d) Course income register will be maintained under the proper supervision.

4.2.2 *Library maintenance and control :*

- (a) Books are supplied to the Library under the supervision of the Assistant Librarian who has an expert knowledge and experience on the subject. In addition, it has been done with the recommendation of Senior Lecturers of the Institute and the approval of the Director of the institute.
- (b) This is basically a Reference Library. Though, the statistics are not available on the number of students used the library for reference work large number of students use the library. Further, lecturers use the library to conduct various activities relevant to Courses. Collection of the library is heavily used during the activity sessions. Therefore, it cannot be said that the books and equipment are underutilized.

(c) Lecturers borrow books for Research Work in addition to use them to prepare lecture notes. Therefore it takes somewhat longer time to return back books to the Library.

(d) Action have been taken to call the Library Committee in order to obtain recommendations for lost books.

4.2.3 *Stock Control :*

Stock Register is maintained properly.

4.3 *Uneconomic Transactions :*

Due to the lack of adequate staff ETF cheques written on time were unable to present to the ETF Board. Therefore this surcharge had to be paid.

4.4 *Vehicle Utilization :*

Necessary action have already been taken to register the vehicle. Running Charts and Log Books are maintained properly.

5. Accountability and Good Governance

5.1 *Corporate Plan:*

Corporate plan for 2011-2015 including the action plan has been updated and send to the Ministry for approval.

5.2 *Action Plan:*

A Performance report will be prepared for Action Plan Prepared in future by including expected duration to complete each activity and the amount allocated.

5.3 *Procurement Plan :*

Procurement plan will be prepared for future years.

5.4 *Budgetary Control :*

(a) Budgets will be prepared according to the PED 12 Circular.

(b) Additional amounts had to be paid for Salaries and other recurrent expenditure based on the circulars issued by University Grants Commission from time to time after preparation of 2012 Budget. This is the main reason for exceeding actual expenditure over budgetary expenditure.

5.5 *Tabling of Annual Reports :*

Though, the Annual report had not been tabled in the parliament at that time, it had been sent to the Ministry of Higher Education in February, 2012 for tabling in the Parliament.

6. Systems and Controls :

Action will be taken to minimize the deficiencies prevailing in existing systems and controls.

UPALI AMARASIRI,
Director.

Miscellaneous Departmental Notices
