No. 2181/25 - FRIDAY JUNE 26, 2020

(Published by Authority)

PART I : SECTION (I) — GENERAL

Government Notifications

AN ORDER UNDER SECTION 3 OF THE ACT No. 23 OF 1979 OF MAHAWELI AUTHORITY OF SRI LANKA

I Chamal Rajapakse, the Minister of Mahaweli, Agriculture, Irrigation and Rural Development, in pursuant to the powers vested in me under section 3 of the Act No.23 of 1979 of Mahaweli Authority of Sri Lanka, with the concurrence of His Excellency the President of the Democratic Socialistic Republic of Sri Lanka, hereby declare the Moragahakanda-Kaluganga Mahaweli 'F' zone as a sustainable development area made through organic agricultural products, for the functions prescribed in the said Act and for the purpose of achieving the following objectives and the said functions.

Functions and objectives:-

- to promote organic vegetable crops, fruit crops and other field crops in this area as a green organic zone with free from use of agro chemical and pesticides.
- to ensure sustainable usage of soil through soil conservation method of setting stones bunds and biological hedges etc.
- to promote water conserve farming for the preservation of irrigated water and its efficient use.
- to promote integrated farming system by integrating poultry, cattle, goat and pasture cultivation to ensure food & nutritional security of the farmer families living in this zone and to promote the manufacturing of organic fertilizer.
- It is expected to manufacture the required organic fertilizer within this zone. The farmers will be provided with necessary fertilizer by government in pursuant to the suitable method until such time arises.

- (f) to implement the programs under public and private partnership in order to supply the direct and value added certified organic products to local and foreign markets from this zone.
- (g) to supply such products to local and foreign markets under the brand of '**Mahaweli Knuckle's Organic Products**'.
- (h) to promote the cultivation of vegetable crops and under-utilized fruit crops in home gardens of these farmer families and thereby Conservation such crops from their nonexistence and encourage bee keeping.
- (i) to promote integrated pest management practices without using agro chemicals to control such pests and diseases affecting organic cultivation.
- (j) No permit shall be granted to maintain the outlets in this zone which sell pesticides and weedicides.
- (k) to develop this organic crop cultivation zone as an agro tourism and a model zone where knowledge about organic plants can be gained.
- (l) to take action not to provide the irrigation water of this zone for any industrial activities without a special permission.
- (m) to develop a necessary management operational mechanism through the Mahaweli Authority of Sri Lanka with the technological assistance of the Department of Agriculture in order to provide necessary agricultural instructions and recommendations to relevant farmer organizations.

CHAMAL RAJAPAKSE,
Minister of Mahaweli, Agriculture, Irrigation and Rural Development.

16th June 2020
Ministry of Mahaweli, Agriculture, Irrigation and Rural Development
