The English version of the above mentioned report is sent herewith.

H. A. S. SAMARAWEEERA,
Acting Auditor General.

- Copies to:-
1. Secretary, Ministry of Higher Education
 2. Secretary, Ministry of Finance and Planning
 3. Chairman, University Grants Commission
 4. Vice Chancellor, Open University of Sri Lanka.

1.3 Scope of Audit and Basis of Opinion

My responsibility is to express an opinion on these financial statements based on my audit. Audit opinion, comments and findings in this report are based on a review of the financial statements presented to audit and substantive tests of samples of transactions. The scope and the extent of such review and tests were such as to enable as wide an audit coverage as possible within the limitations of staff, other resources and time available to me. The audit was carried out in accordance with Sri Lanka Auditing Standards to obtain reasonable assurance as to whether the financial statements are free from material misstatements. The audit includes the examination on a test basis of evidence supporting the amounts and disclosures in financial statements and assessment of accounting Policies used and significant estimates made by the management in the preparation of financial statements as well as evaluating their overall presentation. I have obtained sufficient information and explanations which to the best of my knowledge and belief were necessary

for the purpose of my audit. I therefore believe that my audit provide a reasonable basis for my opinion. Sub-sections (3) and (4) of Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

2. Financial Statements

2.1 Opinion

So far as appears from my examination and to the best of information and according to the explanations given to me, I am of opinion that the Postgraduate Institute of English had maintained proper accounting records for the year ended 31st December, 2010 and except for the effects on the financial statements of the matters referred to in Paragraph 2.2 of this report, the financial statements have been prepared in accordance with Sri Lanka Accounting Standards give a true and fair view of the state of affairs of the Postgraduate Institute of English as at 31st December, 2010 and the financial results of its operations and the cash flows for the year then ended.

2.2.3 Transactions not Supported by Adequate Authority

Overpayment of contribution to the Employees' Provident Fund and Employees' Trust Fund totalling Rs. 16,488 had been made due to the inclusion of academic allowance for the computation of contributions for the year 2010.

3. Financial and Operating Review

3.1 Financial Review

3.1.1 Financial Result

According to the financial statements presented, the working of the Institute for the year under review had resulted in a deficit of Rs. 1,928,183 before taking into account the Government Grants as compared with the corresponding deficit of Rs. 2,339,666 for the preceding year. The deficit for the year under review had reduced and showed a surplus of Rs. 826,455 after taking into account to Government Grant of Rs. 2,748,000 received for recurrent expenditure and Rs. 6,638 received for rehabilitation while the deficit for the preceeding year had reduced to Rs. 178,461 after taking into account the Government Grant of Rs. 2,018,500 received for the recurrent expenditure and Rs. 142,705 received for rehabilitation of that year.

3.1.2 Analytical Financial Review

A sum of Rs. 2,754,638 had been received as Government recurrent grant and Government rehabilitation recurrent grant and the total expenditure amounting to Rs. 4,097,713 had been incurred by the Institute during the year under review.

- (b) The Institute did not have adequate accommodation to maintain its office and presently it is housed in a building of the Open University. The need for the procurement of office accommodation had not been included in the Corporation Plan.
- (c) According to the Corporate Plan, the Examination for the enrollment of students for the Postgraduate Diploma Course in English Language Teaching, should have been planned in 2009 and students should have been enrolled in the year 2010. Nevertheless it had not been implemented during the year under review.

3.2.4 Action Plan

The Action Plan also had not been updated in accordance with the needs. According to the Action Plan for the year 2010, 09 activities should have been implemented. But those had not been implemented during the year under review.

3.2.5 Performance

- (a) Even though a period exceeding 05 years had elapsed since the establishment of the Institute, the total number of students registered so far stood at 100 and only one student had gained the postgraduate qualification in English Language Teaching and English Education. Such performance is inadequate when compared to the expenditure incurred by the Government for a period exceeding 05 years.

- (b) Even though 77 students had been registered during the years 2006-2009, the number of students remaining at the Institute by end of the year under review had been 28 only. Thus the number of students abandoning academic activities had been at a high level of 48. The per centage of that was 62 per cent.

4. Systems and Controls

Special attention is needed in respect of the following areas of control :-

- (a) Advances;
(b) Recruitment of staff

H. A. S. Samaraweera,
Acting Auditor General.
