new section  
160A in the  
principal  
enactment

“Definitions 160A. For the purposes of this Part, unless the context otherwise requires—

“authorized user” means a user of a geographical indication registered under this Part of this Act;

“control plan” means the method as to how the verification of compliance with product specification is carried out;

“geographical indication” means an indication which identifies any goods as originating in the territory of a country, or a region or locality in that territory, where a given quality, reputation or other characteristic of the good is essentially attributable to its geographical origin;

“goods” means any manufactured or naturally available agricultural products, food, wines, spirits or any item of handicraft or industry;

5 “producer” in relation to goods, means any person who—

(a) if such goods are agricultural products, wine or spirit, produces such goods or processes or packages such goods;

(b) if such goods are natural goods, exploits such goods; or

(c) if such goods are handicrafts or industrial goods, makes or manufactures such goods; and

“specification” means a document to be submitted with the application for registration of a geographical indication which provides technical details of the characteristics of the goods or products, the method of production, the geographical area and the link between the characteristics, quality or reputation of the goods or product and its geographical origin.”.

7. Section 161 of the principal enactment is hereby amended by the repeal of subsections (4A) and (5) thereof.

Amendment  
of section  
161 of the  
principal  
enactment

8. The following new sections are hereby inserted immediately after section 161 of the principal enactment and shall have effect as section 161A, 161B, 161C, 161D and 161E of that enactment:-

Insertion of new sections 161A, 161B, 161C, 161D and 161E in the principal enactment

- |    |   |  |
|----|---|--|
| 5  | “Admissibility of geographical indications for registration | 161A. Where, any geographical indication—  |
|    |   | (a) that does not comply with the definition of geographical indication as specified in section 160A;  |
| 10 |   | (b) the use of which is contrary to law, morality, religion, accepted customs or public order;   |
| 15 |   | (c) that is not or that ceases to be protected in the country of origin as a geographical indication, or which has fallen into disuse in such country; |
|    |   | (d) that is identical with the term customary in common language as the common name of the relevant good;  |
| 20 |   | (e) that misleads or deceives the public as to the characteristics, nature, quality, place of origin and production process of the good or its use; or |
| 25 |   | (f) which constitutes the name of a plant variety or an animal breed,  |

shall not be registered under this Act.

- |    |  |  |
|----|--|--|
| 30 | Application to register geographical indications | 161B. (1) Any association of persons or producers or any organization or authority established by any law for the time being |
|----|--|--|

5           representing the interests of the producers of  
any relevant good (hereinafter referred to as  
the “applicant”) may make an application to  
the Director-General for the registration of such  
good as a geographical indication in such  
manner and form and accompanied by such  
documents and processing fee as shall be  
prescribed.

10           (2) Upon receipt of an application, the  
Director-General shall examine such  
application in the manner as shall be  
prescribed .

15           (3) Where the geographical indication  
intended to be registered is not admissible for  
registration in terms of section 161A, the  
Director-General shall refuse to register such  
geographical indication and the reasons  
therefore shall be informed to the applicant:

20           Provided that, where there is any defect in  
any application submitted to the Director-  
General under this section, the Director-General  
shall within three months from the date of  
application, notify that to the applicant and  
25           shall afford the applicant an opportunity to  
rectify any such defect within three months  
from the date of such notification. The date on  
which the applicant resubmits the rectified  
application to the Director-General, shall be  
30           deemed to be the date of receipt of such  
application for registration.

35           (4) Any applicant whose application has  
been refused under subsection (3), may if not  
satisfied with the reasons specified by the  
Director-General for such refusal, make to the  
Director-General, within three months from the

date on which the refusal was informed to the applicant, his submissions in writing against the refusal.

5 (5) The Director-General may, upon receipt of such submissions, if he considers a hearing is necessary, inform the applicant of a date, time and place for the hearing of the matter relating to such submissions.

10 (6) The Director-General may, after such hearing refuse to register such application or register the application as it is or subject to such conditions, amendments or limitations as to the mode or place of use of such geographical indication as the Director-General may consider  
15 appropriate.

(7) Where the Director-General refuses to register any application or register an application subject to any conditions as specified in subsection (6), the Director-General shall if the applicant requests so,  
20 furnish the reasons for such refusal or conditional acceptance for registration.

Publication  
of the  
application  
25 161C. (1) Where the Director-General is of the opinion that the geographical indication sought to be registered is admissible under section 161A, he shall upon receipt of the fee as shall be prescribed for the publication of the application publish such application in the *Gazette*, within a period of two months from  
30 the date of receipt of such application by the Director-General. Where the applicant fails to pay such fee within such specified time period,

the Director-General shall refuse to register the geographical indication.

5 (2) The Director-General shall when publishing the application under subsection (1) set out the following:-

(a) the name and address of the applicant;

(b) the date of application;

(c) the representation of the geographical indication;

10 (d) the goods for which the geographical indication sought to be registered;

(e) the summary of the specification and the map of the geographical area; and

15 (f) if the applicant is resident outside Sri Lanka, a postal address for service in Sri Lanka.

Opposition  
to  
registration

20 161D. (1) Where any person considers the geographical indication published under section 161C is inadmissible in terms of section 161A, such person may within a period of three months from the date of such publication send notice of opposition to the registration of the geographical indication so published, by post or by hand delivery to the Director-General in

25 the prescribed form together with the prescribed fee. The person who gives the notice of opposition shall also specify the grounds on which such notice of opposition is made and

shall submit necessary information and evidence to substantiate such grounds.

5 (2) If any notice of opposition has not been received by the Director-General within the period as specified in subsection (1), the Director-General shall register the geographical indication sought to be registered under section 161B.

10 (3) Where any notice of opposition has been received by the Director-General in the prescribed form together with the prescribed fee and accompanied by the evidence or information to substantiate the grounds specified in such notice, within one month from  
15 the date of such notice, the Director-General shall serve a copy of such notice on the applicant and require him to make his observations on such grounds accompanied by evidence or information to support his  
20 application within three months from the date of receipt of such notice.

(4) Upon receipt of the observation of the applicant, the Director-General shall after hearing the parties if he considers such hearing  
25 necessary, decide as expeditious as possible whether such geographical indication shall be registered or not. If the Director-General decides that it shall be registered, then the Director-General shall –

30 (a) where no appeal is preferred under section 173 against his decision, upon the expiry of the period within which an

appeal may be preferred against his decision; or

(b) where an appeal is preferred under section 173 against his decision, upon the dismissal of such appeal,

as the case may be, register such geographical indication subject to any conditions, requirements or to such amendments or modifications.

10   Renewal of  
      registration  
      of  
      geographical  
      indications

161E. (1) The registration of any geographical indication, unless it is cancelled earlier shall be valid for ten years from the date of application.

15

(2) The registration of any geographical indication may be renewed by the owner of such geographical indication for consecutive periods of ten years each on making an application together with the prescribed fee for such renewal to the Director-General within six months prior to its expiration:

20

Provided that, the Director-General may afford to the applicant a grace period of six months after the date of such expiration to renew the registration upon payment of a surcharge as shall be prescribed.

25

(3) Renewal of registration shall not be subject to any further examination of the geographical indication by the Director-General or to opposition by any person.

30

(4) The Director-General shall record in the register of the renewal of such geographical

indication and cause it to be published in the *Gazette*.

5 (5) Where an application has not been sent for renewal along with the renewal fee by the applicant as specified in subsection (2), the Director-General shall remove the geographical indication from the register of geographical indications.”.

10 9. The following new Chapters are hereby inserted immediately after section 161E in the principal enactment and shall have effect as Chapters XXXIIIA, XXXIIIB, XXXIIIC, XXXIIID and XXXIIIE of that enactment:-
