## Notes to the Financial Statements

### 1. Significant Accounting Policies

#### 1.1 Reporting Entity:

The Institute of Chartered Accountants of Sri Lanka (hereinafter referred to as the 'Institute') which is situated at No. 30A, Malalasekera Mawatha, Colombo 7 was incorporated by Act, of Parliament, No. 23 of 1959.

#### 1.2 Basis of Preparation :

The Financial Statements have been prepared in accordance with the Sri Lanka Accounting Standards (SLAS) and are based on historical costs and do not take into account changing money values, except where stated. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies are consistent with those used in the previous year. The Financial Statements were authorised for issue by the Council on 30th March, 2009.

The Financial Statements are presented in Sri Lanka Rupees, which is the functional and presentation currency. Figures and phrases relating to the previous year have been restated where necessary, to conform to the current year's presentation.

The preparation of Financial Statements in conformity with SLAS requires management to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimated assumptions are based on historical experience and various factors that are believed to be reasonable under the circumstance, the result of which forms the basis of making the judgements, Actual results may differ from estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

# TO THE COUNCIL OF THE INSTITUTE OF CHARTERED ACCOUNTANTS OF SRI LANKA

I have examined the accompanying Balance Sheet of the Institute of Chartered Accountants of Sri Lanka, Balance Sheet of F. B. Lander Prize Fund and Cyril E. Begbie Memorial Prize Fund as at 31st December, 2008, and the related Statements of Income, Changes in Funds and the Cash Flow for the year then ended.

## Respective Responsibilities of Management and Auditor

The Management of the Institute is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Accounting Standards. This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

## Basis of Opinion

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards. Those standards require that I plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatements.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management, as well as evaluating the overall financial statement presentation.

I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit. I therefore believe that my audit provides a reasonable basis for my opinion.

## Opinion

In my opinion, so far as appears from my examination, the Institute maintained proper accounting records for the year ended December 31, 2008 and the financial statements give a true and fair view of the Institute's state of affairs, the F. B. Lander Prize Fund and Cyril E. Begbie Memorial Prize Fund as at December 31, 2008 and their operations and cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

- (d) Outside individuals had donated money to the University to award scholarship to the students who are having financial difficulties and the Council had decided to utilize a sum of Rs.6,656,198 equivalent to 80% of the interest expected from investing the above money for the intended purpose. A systematic programme had not been prepared to fulfill the purpose and as a result, the sum of Rs.5,607,499 equivalent to 84% which should be utilized awarding scholarships to the students for the year 2007 had not been utilized.
- (e) A sum of Rs.5,815,333 relating to 58 non - implemented researches as at 31st December, 2007 had been transferred to the Non-implemented Reseraches Account. Therefore, it is observed that the expected purposes had not been successfully fulfilled.
- (f) Out of the provisions amounting to Rs.6,299,276 made to the University in 2006 for researches, a sum of Rs.3,601,158 equivalent to 57% had not been utilized even as at 31st December, 2007.
- (g) Although the periods of 13 researches valued at Rs.1,861,450 commenced utilizing the provisions of the University during the year 2006 had been lapsed, the final reports of these researches had not been handed over even by December 2007.

### 3.2.2. Deficiencies in Contract Administration

The Following observations are made :

- (a) According to agreements in respect of 22 works relating to repairs to buildings and constructions, of the University, of which the estimated cost was Rs.56,181,596 should be completed during the years 2000 to 2004. However, items valued at Rs.35,359,094 of these contracts had not been done and had abandoned as at 31st December, 2007. Action had not been taken during the year 2006 to get those items completed and action had been taken against the contractors in terms of the agreements for non completion of the contracts and for defective works.
- (b) The Vice-Chancellor of the University had entered into an agreement with the Central Engineering Consultancy Bureau on 25th July, 2005 for awarding them the construction of a hostel at an estimated value of Rs. 150 million. The following matters were observed at an examination of this construction.
- (i) At the time of selection of a land for construction of this hostel, lands nearby New Akbar Hall of the Engineering Faculty or the Marcus Fernando Hall had been identified as suitable for the purpose. However, finally a land at Uda-Peradeniya

with no facilities and not suitable for a hostel and possibility of having earth slips had been selected. Therefore, a sum of Rs.28,221,230 had been spent on extra works of the construction.

- (ii) According to the original plan, it had been estimated to construct a concrete toilet system and it has been changed to construct the sewerage system using 27 Bio-cells on a direction given by the Vice-chancellor. However, there was no proper approval for these changes. When filling soil, after placing the Bio-cells valued at Rs.3,960,000, the cells had been cracked and therefore these had to be removed and the sewerage system had to be constructed again. Accordingly, the above payment had become a fruitless expenditure.
- (iii) According to the Report No J of the works, the Aluminum Frames used for windows were substandard. Therefore, it could not be satisfied about the durability of the windows not made up to the specifications, though a sum of Rs.10,850,918 had been spent.
- (iv) According to the estimates and the plans, 58,900 cwts of iron was required for the concrete slab and a sum of Rs.5,296,560 had been provided for the same. But, according to the vouchers, payments amounting to Rs.9,363,106 had been made for 93,011 cwts of iron. The payment in excess of the estimate was Rs. 4,066,546. However, only 83,763kgs. of iron had been used for 17 items of work, whereas the estimated quantity of iron required for these works was 125,476kgs. It was observed that this situation will be badly affected the strength of the building.

### 3.2.3 Management Inefficiencies

The following management inefficiencies were observed :

- (a) The legal ownership had not been obtained in respect of the lands at Polgolla, Dodangolla and Maha Illuppallama which had been used by the University for over a long period,
- (b) According to the lease agreement entered into with the People's Bank on 18th March 1982, the annual lease rent should be revised. But, without taking action accordingly, annual lease rent of Rs.300 had continued to be recovered since 1982,
- (c) Although an injunction had been issued in terms of Section 120(a) of the Universities Act, No.16 of 1978 and Section 3 of the Re-vesting the Ownership of the Government Lands, Act No.07 of 1979, this injunction had not been implemented from 2003 to the year under review,
- (d) Salaries amounting to Rs.231,469 paid to an officer who had obtained no pay leave from year 1997 to 2003 had not been recovered even as at 31st December 2007 and had been shown in the financial statement as a balance recoverable,
- (e) A sum of Rs.486,312 had been paid to a lecturer for preparation of designs for University buildings even though Engineering Services and Consultancy Services Centre had been established under the Faculty of Engineering for providing consultancy services for the University of Peradeniya. However, due to the defects in the above designs, the designing had been entrusted again to the State Engineering Corporation and a payment of Rs.345,000 had been paid to the Corporation. Therefore, the payment of Rs.486,312 made to the lecturer had become fruitless,
- (f) Although equipment purchased for projects should be handed over to the University, immediately after the completion of the projects, equipment to the value of Rs.815,154 purchased for 04 projects of which the research activities had been completed during the years 2005, 2006 and 2007 had not been handed over to the University even as at 31st December 2007,
- (g) Tenders had been called for, the purchase of beds and cupboards for the new hostel and the recommendation of the Technical Evaluation Committee also had been obtained for the lowest tender submitted. However, the tender had been awarded to the highest tenderer without producing valid reasons for rejecting the lowest tender. As a result the University had to suffer a loss of Rs.5,805,035. Further, the beds supplied by the tender had to be improved by spending the provisions of the University as the beds were defective and could not be used.

### 3.2.4 Idle and Underutilized Assets

The following observations are made :-

- (a) The Earth Quake Detecting Equipment valued at Japanese Yens 39,854,123 (S. L. Rs.30 Million approximately) granted by the Japan International Co-operation Agency to the Government of Sri Lanka in November 2002 had been installed in April 2003. However, this had not been in operating condition even as at 31 December 2007 due to the defects in the computer and telephone system of the equipment,
- (b) Balances of 66 Other Fund Accounts amounting to Rs.7,852,415 had remained idle for periods ranging 02 to 04 years, whilst balances of 27 accounts amounting to Rs.1,589,824 had remained idle for over 05 years,
- (c) Balances of 30 External Research Accounts amounting to Rs.4,632,767 had remained idle for periods ranging 02 to 03 years, whilst balances of 15 accounts amounting Rs.675,763 had remained idle for over 05 years.

#### 3.2.5 Corporate Plan

A corporate Plan including the vision and the objectives of the University for not less than 03 years including the year under review, had not been prepared in terms of paragraph 5.1 of the Circular No.PED 12 dated 02 June 2003 of the Director General of Public Enterprises and the Council also had not paid attention to prepare and implement such plan.

#### 3.2.6 Internal Audit

According to the approved cadre of the Internal Audit Division of the University 02 vacancies for Audit Assistants had not been filled since year 2004. By half yearly Reports and Final Progress Reports on internal audit activities that should be submitted to the Auditor General had not been submitted and therefore, the performance of Internal Audit Division could not be evaluated.

#### 3.2.7 Budgetary Control

Significant variations were observed at a comparison of estimated income and expenditure for the year under review with the actual income and expenditure thus indicating that the budget had not been made use of as an effective instrument of management control.

### 4. Systems and Controls

Deficiencies of Systems and controls observed during the course of audit were brought to the notice of the Vice-chancellor of the University from time to time Special attention is needed in respect of the following areas of control :

- (a) Receipt of income and accounting for income,
- (b) Purchases,
