#### IMPORTANT NOTICE REGARDING ACCEPTANCE OF NOTICES FOR PUBLICATION IN THE WEEKLY “GAZETTE”

ATTENTION is drawn to each of the ‘Notices’ appearing in the 1st week of every month, regarding the latest dates and times of acceptance of notices for publication in the weekly *Gazette* at the end of each Part of the *Gazette of the Democratic Socialist Republic of Sri Lanka*.

All notices to be published in every Part of the *Gazette* shall close at 12 noon of each Friday, a fortnight before the date of publication. All Departments, Corporations, Boards, etc., are advised that any notification fixing specific dates for closing times of applications in regard to vacancies, tender notices and the dates and times of auction sales, etc., should be prepared with due regard to this change, i.e., by giving adequate time both from the time of despatch of notice to the Government Press and from the date of publication thus enabling those interested in the contents of the notices to actively and positively participate.

All notices to be published in the weekly *Gazette* should reach this Department positively by 12 noon of the Friday, two weeks prior to date of publication e.g., Notices for publication in the weekly *Gazette* of 11th December, 2008, should reach the Government Press on or before 12 noon on 28th November, 2008.

Vice Chancellor.**Report of the Auditor General on the Financial Statements of the University of Jaffna for the year ended 31 December 2006 in terms of Section 108(2), of the Universities Act, No. 16 of 1978**

The audit of financial statements of the University of Jaffna for the year ended 31 December 2006 was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sections 108(1) and 111 of the Universities Act, No. 16 of 1978 and Sub-sections (3), (4) and (7) of Section 13 of the Finance Act, No. 38 of 1971. This report is furnished in terms of Section 108(2) of the Universities Act. A detailed report in terms of Section 13(7) (a) of the Finance Act was furnished to the Vice Chancellor of the University on 01 September, 2007.

**1.2 Scope of Audit**

Audit opinion, comments and findings in this report are based on a review of the financial statements presented to audit and substantive tests of samples of transactions. The scope and the extent of such review and tests were such as to enable as wide an audit coverage as possible within the limitations of staff, other resources and time available to me. The audit was carried out in accordance with Sri Lanka Auditing Standards, methods and practices to obtain reasonable assurance as to whether the financial statements are free of material misstatements. The audit included examination of evidence supporting the amounts and disclosures in financial statements and assessment of accounting principles and significant estimates and judgments made in the preparation of financial statements, evaluation of their overall presentation and determining whether accounting policies adopted were appropriate, consistently applied and adequately disclosed. Sub-sections (3) and (4) of Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

**2. Financial Statements****2.1 Opinion**

So far as appears from my examination and to the best of my information and according to the explanations given to me, I am of opinion that, the University of Jaffna had maintained proper books of account for the year ended 31 December 2006 and except for the effects on the financial statements of the matters referred to in paragraph 2.2 of this report the financial statements which are in agreement with the said books have been prepared and presented in accordance with the Sri Lanka Accounting Standards and the stated accounting policies and notes (Nos. 1-24) to the financial statements give a true and fair view of the financial position of the University of Jaffna as at 31 December 2006 and the financial results of its operation and cash flows for the year then ended.

## 2.2 Comments of Financial Statements:

### 2.2.1 *Accounting Deficiencies:*

Nineteen accounting deficiencies observed in audit test check based on the sample of transactions relating to expenditure amounting to Rs. 677,731,301 were brought to the notice of the Vice Chancellor of the University. Therefore, the possibility of having further accounting deficiencies in other areas cannot be ruled out.

### 2.2.2 *Accounts Receivable and Payable:*

Following observations are made:

- (a) Confirmations had not been called for from the debtors and creditors aggregating Rs. 395,729,546 and Rs. 37,862,597 respectively;
- (b) Age analysis in respect of debtors aggregating Rs. 153,185,886 and creditors aggregating Rs. 39,184,186 had not been furnished to audit.

### 2.2.3 *Lack of Evidence for Audit:*

Assets to the value of Rs. 1,349,596,718 and expenditure aggregating Rs. 671,888 could not be satisfactorily vouched in audit due to lack of required evidence.

### 2.2.4 *Non-compliance with Laws, Rules, Regulations and Management Decisions:*

Several provisions in the following Laws, Treasury Circulars and Financial Regulations of the Government, Establishments Code of the Democratic Socialist Republic of Sri Lanka, Establishments Code for the University Grants Commission and Higher Educational Institutions had not been complied with and those non-compliances had been pointed out in my detailed report issued to the Vice Chancellor of the University:

- (a) Universities Act, No. 16 of 1978 Section XIV paragraphs 112, 113, 114, 115, 116, 117 and 118 Sub Section 19 (h);
- (b) Finance Act, No. 38 of 1971 Section 13(5) (d);

### 3. Financial and Operating Review :

#### 3.1 *Financial Results :*

According to the financial statements presented, the working of the University for the year under review had resulted in a deficit of Rs. 569,834,728 before taking into account the Government grant for recurrent expenditure as compared with the corresponding deficit of Rs. 457,391,785 for the preceding year. After taking into Account the Government grant of Rs. 503,400,000 received for recurrent expenditure, the deficit for the year under review had been reduced to Rs. 66,434,728 and the Government grant of Rs. 391,000,000 received for recurrent expenditure for the preceding year had reduced the deficit to Rs. 66,391,785 for that year.

#### 3.2 *Utilization of Specific Funds :*

The Grants received for specific purposes and interest thereon aggregating Rs. 36,241,239 had not been utilized for the purposes for which they were granted for.

#### 3.3 *Uneconomic Transactions :*

Following observations are made –

- (a) There are eighteen number self financing courses are being conducted by the University. But not a single self financing course had been completed within the stipulated period. Certain courses which were commenced in the year 2005 for one year duration had not been completed even up to 30th April 2007. As per financial statements furnished a sum of Rs. 17,505,279 had been collected for these self financing courses at the rate of Rs. 20,000 to Rs. 34,000 from each student and a sum of Rs. 5,852,301 had been paid as lecture fees to the lecturers attached to the University. Further there were no information made available to audit regarding the number of students enrolled to each self financing course, number of students passed out, the benefits accrued to the University and to the students who followed these courses. It appears that these self financing courses are being conducted to enhance the income of the lecturers in addition to the salaries paid to them for their permanent post as there were to benefits accrued either to the students or to the University;
- (b) Sixty-one numbers of direct telephone lines had been provided for various faculties and service units in the University and most of the direct telephone lines had been utilised for the internal communication within the University instead of utilising the intercom system. As a result a sum of Rs. 2,063,681 had been paid as telephone charges to the Telecom. This telephone charges could be reduced to Rs. 452,471 if the intercom system is used in its full capacity;
- (c) It was observed in audit that an over payment of Rs. 10,680 had been made on purchase of a steel cupboard and a KDK Pedestal Fan.

#### 3.4 *Fruitless Expenditure :*

- (a) A Suntel telephone facility had been purchased for Rs. 24,000 to the Media Resource Training Centre. At the same time a new cable connection was also provided to the above unit at a cost of Rs. 23,000. As a result the Suntel telephone connection fees of Rs. 24,000 treated as fruitless expenditure in audit.
- (b) The University Council had approved to grant 14 month sabbatical leave with no pay and paid air passage to a Professor and his spouse. He had submitted a placement letter from the University of Adelaide, Australia to work as Visiting Fellow in the Department of Psychiatry. The requirement had not been completed and he has resigned from the post of Senior Professor, Psychiatry with effect from 03rd April 2007 within the approved Sabbatical leave period. Therefore, the University had lost his services. But he is not entitled sabbatical leave and air passage facilities in terms of Section 22 of Chapter X of the Establishments Code of the University Grants Commission and Higher Educational Institutions. Hence the air passage amounting to Rs. 148,522 had been treated as fruitless expenditure in audit.

#### 3.5 *Slow Moving, Idle and Under Utilized Assets :*

The Following items of assets had been observed as slow moving, idle and under utilized assets in the University:

- (a) Two scooters had not been used for more than five years;
- (b) 4,229 number of published books had been idling in the consumable stores for a long period of time;
- (c) A multi station Machine (Poly station Gym) purchased for Rs. 750,000 had remained unused for more than one year;

- (d) A three wheeler had performed only 753km in the year under review.
- (e) A Ronio Machine (Super Fax Re 450) valued at Rs. 79,925 and a Computer printer had been treated as unsuitable for use and remained at the External Examination Branch for over one year.
- (f) The land valued at Rs. 6,589,667 purchased for the construction of Management faculty had not been utilized for over 2 years.
- (g) A bank account with a balance of Rs. 10,576 had not been operated over 03 years by the University.
- (h) 6,610 Consumable items of 06 Categories aggregating Rs. 361,967 had remained idle at the stores for over five years.
- (i) A time recording machine purchased for Rs. 182,400 had been remained unused since 2001.
- (j) Eight book shelves purchased for Rs. 120,400 to the library of the Vavuniya campus had remained unused for over one year.
- (k) Construction of buildings at a cost of Rs. 3,978,386 for staff common room, administration block of the music unit and a lecture hall in the faculty of Art and Design had not been utilized partly or fully over one year.

### 3.6 *Management Inefficiencies:*

It was observed that a large amount of money was kept idling in a current account of the External Examination during the year under review as well as in the preceding year without utilizing it for an effective investment. Balances ranging from Rs. 16,342,523 to Rs. 105,227,329 had existed in the current account for the period from 2004 to 2006.

### 3.7 *Identified Losses:*

Loss of fixed assets and stores items to the value of Rs. 296,822 sustained during 2004 had been written off during the year under review.

### 3.8 *Delays in Projects:*

- (a) Construction works under various projects for which agreements had been entered into as far back as 1989 had not been completed.
- (b) A sum of Rs. 7,611,885 had been paid to a construction company during the period 1999 to 2000 for the construction of a building for an auditorium at medical faculty. However, construction works had not yet been completed. Due to undue delay the cost of construction would be tremendously increased and the objective of this project also had not been achieved. In addition a sum of Rs. 13,000,000 had been paid to the Department of Buildings during the years 2005 and 2006 for the interior decoration of the auditorium for which the work had not been commenced even up to the date of this report.
- (c) A sum of Rs. 2,494,153 had been spent for the purchases of building materials for repairs work in addition to the salaries and wages paid to the direct employees involved in maintenance of buildings of the University. The Engineer in charge of the buildings maintenance had given a report stating that no balance of building materials and other fittings given for the maintenance works, although there were unused items of building materials in the maintenance stores as at the end of the year under review. However, the University buildings had not been maintained satisfactorily.
- (d) A sum of Rs. 2,000,000 had been paid to the Department of Buildings as advance in 1989 for the construction of over head tank for the students Hostel at Thirunelvely. However, the construction of overhead tank had not yet been completed. Further no information or details for this construction works had been made available for audit. It was observed that the construction work had already been completed in a dilapidated condition.
- (e) A sum of Rs. 1,050,200 had been allocated in the annual budget for the administrative expenditure for the proposed faculty of Engineering. However, the Engineering faculty had not been established in the Jaffna University up to now.

### 3.9 *Appointments to the Academic Staff:*

Following observations are made –

- (a) Appointments to the permanent posts of lecturers had been made separately to each and every faculty of the University as a general rule resulting engaging several lecturers in the same field of study. In preparing time tables of various Faculties, the availability of the service of permanent lecturers in other Faculties had not been considered. Whenever the service of lecturers in the permanent staff were required for another Faculty, separate letters of appointment had been issued to them as visiting lecturers and additional lecture fees had been paid for such services.
- (b) In several instances, temporary lecturers, tutors, demonstrators etc. had been appointed on the request made by the Heads of Department without following proper recruitment procedure.
- (c) The regular feature of the University that the filling of vacant posts of academic staff is in an improper manner without giving an opportunity to compete those who have qualifications and expect employment in the University system.

Although this had been pointed out in my reports for the preceding years no action had been taken to rectify this deficiencies.

#### 3.10 Academic Activities :

A sum of Rs. 89,702,328 had been paid as salaries and allowances for 414 academic staff for having conducted lecturers at various faculties for 5,601 students. However, the following information had not been made available for audit to enable to evaluate the economy, efficiency and effectiveness of the activities undertaken by the academic staff such as number of students in each faculty, lectures performed by each lecturer in each faculty, number of hours lectured/performed, number of examinations held, number of students passed out etc.

#### 3.11 Courses and Examinations Conducted :

Following observations are made –

- (a) Total number of students registered for 10 courses of the University was 5,601. Total recurrent expenditure incurred during the year under review amounted to Rs. 323,812,766. The average recurrent cost per student for the year was Rs. 57,813.
- (b) Dates to hold the examinations for various courses conducted under each faculty of the University and target dates to release results of the examinations had not been determined. It was further observed that there were considerable delays in releasing the results of the examinations conducted by certain faculties during the years 2005 and 2006. According to the University Grants Commission Circular No. 636 of 14th July 1995 the results should be released within three months after the examination. But, results had been delayed for the period ranging from 6 to 12 months.

#### 3.12 Granting Leave with Pay and No Pay for Postgraduate Studies :

Following observations are made –

- (a) Study leave had been approved for more than one year to the lecturers who had gone abroad for higher studies without taking into consideration for the instruction in Section 27.4 of Chapter X of the Establishments Code of the University Grants Commission and the Higher Educational Institutions.
- (b) There were instances that study leave had been approved to the lecturers who were under probationary periods.

#### 3.13 Budgetary Control :

Major variations were observed between the budget and the actuals thus indicating that the budget had not been made use of as an effective instrument of management control.

#### 4. Systems and Controls :

Deficiencies observed during the course of audit were brought to the notice of the Vice Chancellor of the University in my detailed report issued in terms of Section 13(7) (a) of the Finance Act. Special attention is needed in respect of the following areas of control.

- (a) Personnel Management
- (b) Budget
- (c) Purchases
- (d) Stores

- (e) Debtors
- (f) Contract Administration
- (g) Library Administration
- (h) Fixed Assets
- (i) Internal Audit

P. A. PEMATILAKA,  
Auditor General.

**Observation of the Governing Authority of the University of Jaffna on Report of the Auditor General on the accounts of the University of Jaffna for the year ended 31st December, 2006.**

- 2.2.2 (a) Most of the receivable amounts represent the balance of loans/advances paid to the Employees and the payable account represent the students deposit and staff security deposit. Therefore no confirmation is needed.
- (b) Due to non submission of details of the sum of Rs. 192,370,372 by the Audit we are unable to make any comments. However age analysis is given for all the loans/advances inclusive of supplies advance.

2.2.3 Due to non submission of details of the sum of Rs. 1,350,268,606 by the Audit we are unable to make any comments on this observation.

2.2.4 University complies with the provisions in the Universities Act, E. Code and Circulars etc as far as possible.

- 3:3 (a) In the year 2006 the Faculty of Graduate studies had conducted only eleven different self financing courses for nineteen batches of Students (some of them are two years duration and some are conducted in two different centers). The main reason for the delay to complete the course of studies within the stipulated time is getting the scripts marked by second examiners, most of whom are from outside the University. In addition to this there has been considerable delay due to the situation that prevailed in and around the University. Now we are taking every effort to complete these courses within the stipulated time.

The courses conducted by the Faculty of Graduate Studies are very popular and useful to the students in their career development and to render their services to the society in a most effective manner. Further these courses provide an opportunity for the University to achieve one of its prime objectives, which is the mission of the University.

The Faculty of Graduate Studies is conducting classes only during the week ends and after working hours. This arrangement does not in any way disturb the normal functioning of the University.

- (b) The expenditure is not for internal communication alone. It is the expenditure for both internal and external communication.

The annual rental for 61 telephone is as follows.–

61 x 12 x 1250	915,000.00	
15% Vat on Rental	<u>137,250.00</u>	1,052,250.00

The annual ceiling on usage allocation for 61 lines is as follows–

51 x 12 x 1,500 (Haeds of Depts.)	918,000.00	
9 x 12 x 3,500 (Deans, Librarian, Registrar, Bursar)	378,000.00	
1 x 12 x 5,000 (V. C.)	60,000.00	
15% Vat on Telephone usage allocation	203,400.00	<u>1,559,400.00</u>
		<u>2,611,650.00</u>

The annual ceiling on annual expenditure for Telephone calls is Rs. 2,611,650. However the actual expenditure on Telephone communication in the year 2006 was only Rs. 2,063,681. Therefore the expenditure is within the allowed amount.

In all the Sri Lankan Universities, direct line telephones are provided to all the Academic Departments/Centers/Units and the Administrative Branches, although they have their Intercom system. We cannot deny direct line telephone facilities to the departments. However in the University of Jaffna, some of the academic branches have not yet been given direct line telephones.

Jaffna was without telephone facilities for over a decade (1985 - 1999). After 1999, the SLT has given us only a limited number of connections. We had Inter-com facilities before 1995. This old system failed frequently. We approached the SLT for repairs but they said it cannot be repaired and that we should go for a new PABX. While we were planning to commission a new PABX system, in year 2002, a SIDA funded IT Network Project was approved and this project included intercom facilities. Therefore, the plan to commission a new PABX system was shelved. The SIDA funded networking project was progressing well but, unfortunately after April, 2006, the skilled employees from Colombo were reluctant to come Jaffna and as a result the contractors M/s. Enterprise Technology (Pvt.) Ltd., from Colombo are unable to continue and finish the work.

If the contractors decide to abandon the networking programme, we shall decide on commissioning a PABX system. We are persuading the contractors to recommence the work. Therefore, it is incorrect to conclude that

- (a) No action had been taken to repair the system.
- (b) The expenditure on telephone communication is unacceptably high due to internal communication.
- (c) There is no overpayment as stated by the Audit. Purchase of K. D. K. Pedestal Fan and steel cupboard was made at two different prices. First purchase of K. D. K. pedestal fan was made at the price of Rs. 4,900 in September, 2006. The second purchase was made at the price of Rs. 7,000 in October 2006. Since the earlier supplier did not have the stock, the purchase was made from another supplier at price of Rs. 7,000. The first purchase of steel cupboard was made at the price of Rs. 11,250 in July 2006. and the second purchase was made at the price of Rs. 10,490 in October 2006. The price fluctuation in Jaffna is a common.

- 3.4 (a) New Connection was obtained from Sri Lanka Telecom hence the payment was made to the Suntel cannot be deducted from the installation charges of Sri Lanka Telecom. Further the Suntel does not refund the money when the telephone facilities are disconnected.
- (b) In terms of section 22, Chapter X of the Establishment code of the University Grants Commission and Higher Educational Institutions, an employee who submitted the notice of resignation from his/her post is not entitled to any annual leave or casual leave during the period of the notice given. Although Prof. Somasundaram had given three months notice to resign his post by his letter of 03.04.2007 it was not accepted and the effective date of his resignation is considered as from 03.04.2007. Therefore he was informed by the V. C.'s letter of 21.05.2007 that an amount equivalent to three months salary would be recovered from his provident fund, in terms of the agreement he entered with the University. Hence Prof. Somasundaram had not been granted any leave with effect from the date of notice of registration to the date of termination of services.

As the sabbatical leave is an earned leave granted to certain category of employees after serving the University for a certain period the benefit granted considering the services already rendered by him/her cannot be withdrawn without valid reasons. Prof. Somasundaram was on sabbatical leave and had completed eleven months (from 02.05.2006 to 02.04.2007) when he submitted his resignation. However Prof. Somasundaram is not entitled for return air passage as he will not return to the duty. Prof. Somasundaram has already returned his return air ticket to the Aitken Spence overseas Travel services, Colombo and action has been taken to get back the money from above travel agent.

Please note that the dues from an employee are not mentioned in the letter of acceptance of the resignation. All the dues will be deducted from Provident Fund with the consent of the employee.

- 3.5 (a) The purchasing officer had retired two years before and no appointment is made. Once the purchasing officer is appointed the scooter in Jaffna and in Colombo will be used.
- (b) Since most of these books are research publications there is no big demand from the public.
- (c) Multi Station Machine was purchased in July, 2006 and was in use for a short period. Due to the disturbed situation in Jaffna from August 2006 the students could not make use this machine. However the Instructors are using this machine.
- (d) The three wheeler had been used economically.
- (e) Please note that there is no strict rule that the model requested by the user department should be supplied. The Super Fax RE450 model is used by several departments in this University and therefore it is advisable to supply the same model to the External Unit also to facilitate the maintenance and supply of consumable items.
- (f) After receiving of Cabinet approval, construction work will be commenced.

- (g) This account is maintained to facilitate the remittance from abroad to the Vice Chancellor's Welfare Fund. In order to keep the account activate, this balance is kept in the current account number 6197 at the Bank of Ceylon, York Street Colombo-01.
- (h) Action will be taken to use the above mentioned items.
- (i) The University is unable to introduce the time recording machine due to objection of the Employees.
- (j) With the anticipation of expanding of space, the Bookshelves were purchased. But due to some unavoidable reasons expansions was not done. Therefore we have placed them in a side since no space is available in the Library.
- (k) Building is under utilization now.

3.6 The bank balance indicated in the report is related to non Treasury funds and not external unit as you stated. The non Treasury fund balances consist of project funds and self financing courses etc. Therefore this money can not be transferred to fixed deposit. Please note that the University cannot open fixed deposit utilizing the project funds and funds generated through Self Financing courses.

- 3.8
- (a) No work for which agreements were signed before 1989 remain incomplete. But Arts Faculty Complex and Ramanathan Academy of Fine Arts started before 1989 remain incomplete. As these were very big projects works were entrusted to the Department of Buildings in stages, and the completed stages (Buildings) are being used. Please note that from 1990 - 1996 there was total ban on transport of construction materials to the North and there were restrictions and free transport was not possible until A - 09 highway was opened in April 2002.
  - (b) The Rs. 7,611,885 paid was for the balance work of stage I which did not include finishes, decoration, sheeting etc. After completing the documentation for interior decoration work tenders were called thrice. But on each occasion the University Tender Board could not recommend a successful bidder. Later the University Council awarded this part of the work to the Department of Buildings who needed and advance in full to start work.
  - (c) There is neither a Maintenance stores nor a Store Keeper at the Maintenance Branch. The store items received from the Finance Branch are recorded in a register and issued for work. Once issued for work the balance is considered as nil. Since the Maintenance Branch was not closed during the year end and as there was continuous work there are chances of few items of job in progress available in the workshop. Some of the works continue for several days. The amount of Rs. 2,494,153 as indicated by the Auditor General is for the minor repairs of buildings/Structure/Services and not for the day to day upkeep.
  - (d) This work was suspended by the Department of Buildings in 1990 due to war like situation in Jaffna. Subsequently two number wells and pump house were completed in 1999. We have written and reminded the Department of Buildings to complete the work on the water tank.
  - (e) These allocations were made for the approved cadre of the Engineering Faculty of the University of Jaffna. No allocation has been made by the University Grants Commission for Buildings. Also the Government has not issued the required *Gazette* notification to establish a Faculty of Engineering.
- 3.9
- (a) The permanent teaching staff are involved in faculty as well as interfaculty teaching without any additional remuneration other than their salary. When the teaching load of a teacher in his/her departments/Faculty is far in excess of the approved academic norms of a particular academic position, payment is made by appointing them as visiting lecturers for the lectures they take out side their academic norms in departments out side the faculty to which they belong to. Only a small number of such visiting appointments are made under inevitable circumstances.

Cadres are determined by the University Grants Commission based on the needs of each faculty. Further although the title of the "field of Study" may look alike, the scope of the course and the courses contents could be very different. For example the way physics, chemistry and mathematics is taught in a science faculty is different from how it is taught in an engineering faculty.

- (b) The temporary posts in Assistant Lecturer, Tutor, Demonstrator and instructors are regularly advertised before the commencement of every academic year and recruitment is made by following the proper recruitment procedure.

However when an appointed person resigns or leaves the service during an academic year and when there is no adequate time to fill the vacancy by Advertisement, appointments are made on the request of the Head and the Dean in very few occasions, so as to carry out the academic programme within the scheduled academic calendar. Such appointments (a few) are made only for the balance period of the appointments of the person resigned.

- (c) Other than getting the services of a few senior academics on work assignment (or contract) basis, no other appointments were made without giving opportunity to those who have the qualification to compete. All vacant positions are advertised regularly and all eligible applicants in terms of the scheme of recruitment are called for interviews and they are evaluated by legally constituted selection boards. Appointments are made based on the recommendations of selection committees, thereby giving opportunities to all the eligible applicants.

3:10 The requested information are available at the Faculties and shall be furnished in the future.

3:11 (b) In some Faculties examinations are conducted at the end of the academic year. In some at the end of each semester. However the results of the examinations conducted at the end of the first semester are released along with the result of the second semester. This is their examinations regulations. This is because if the results are released for each semester, there is a possibility of students skipping two out of five course units in the second semester. However the structure of the Degree Programme are changed now and for the new batches of students results are released within three months.

3:12 (a) & (b) The sections of the Establishment Code of the University Grants Commission and the Higher Educational Institutions referred to in these paragraphs were amended by the University Grants Commission Circular No. 429 of 02.03.1990 by which the authority is delegated to the Councils of Universities to use their discretions for the timing of granting study leave to teachers.

3:13 The following steps have been taken with regard to Budgetary Control.

- (i) Budget is approved by the Finance Committee & the Council annually.
- (ii) Vote Ledger is computerized in order to monitor the expenditure within the allocation.
- (iii) Monthly Comparative statement (Budgeted amount - Actual Expenditure) is placed before the Finance Committee.
- (iv) Sub imprest to the Vavuniya Campus is monitored by a separate votes ledger at the Finance Branch of the University.

4.0 (a) Every effort is taken to adopt effective system and control on the matters referred to in the report. The following steps have already been taken.

(a) Procurement and Inventory Control

Procurement : An effective system is adopted with regard to purchases. The following procedures are followed.

- (i) Items exceeding the value of Rs. 200,000 is approved by the purchasing committee.
- (ii) Quotation/tender procedure is followed depending on the value of the items.
- (iii) Report of the TEC is obtained where necessary.
- (iv) Quality is certified by a team consisting of members from user department, an officer from the supply division and Internal Auditor.
- (v) Items are taken into Inventory Register and GRN is raised before the payment is made.

#### **Inventory Control :**

- (i) Receipts and issues haven been computerized.
- (ii) Expenditure is accounted through monthly stores analysis.
- (iii) Two separate stores advance account namely Stores Advance Account (Supplies), Store Advance Account (Maintenance) are maintained in the Main Ledger.
- (iv) Subsidiary Store Ledger Accounts are reconciled with the Main Ledger Accounts.
- (v) Faculty wise expenditure is monitored.
- (vi) Stock balance and the value of each item could be extracted at any time.

#### **Debtors :**

- (i) Loans function have been computerized and recoveries are made promptly. Balancing and reconciliation are done quarterly.
- (ii) Supplies advances are monitored periodically and prompt action is taken to receive the goods for the advances paid.

**IMPORTANT NOTICE REGARDING PUBLICATION OF GAZETTE**

THE Weekly issue of the *Gazette of the Democratic Socialist Republic of Sri Lanka* is normally published on Fridays. If a Friday happens to be a Public Holiday the *Gazette* is published on the working day immediately preceding the Friday. Thus the last date specified for the receipt of notices for publication in the *Gazette* also varies depending on the incidence of public holidays in the week concerned.

The Schedule below shows the date of publication and the latest time by which notices should be received for publication in the respective weekly *Gazette*. All notices received out of times specified below will not be published. Such notices will be returned to the sender by post for necessary amendment and return if publication is desired in a subsequent issue of the *Gazette*. It will be in the interest of all concerned if those desirous of ensuring the timely publication of notices in the *Gazette* make it a point to see that sufficient time is allowed for postal transmission of notices to the Government Press.

**The Government Printer does not accept payments of subscription for the Government Gazette.** Payments should be made direct to the Superintendent, Government Publications Bureau, No. 132, Maya Avenue, Kirulapone, Colombo 05.

*Note.*—Payments for inserting Notices in the *Gazette of the Democratic Socialist Republic of Sri Lanka* will be received by the Government Printer and not by the Superintendent, Government Publications Bureau.
