No. 1774/27 - THURSDAY, SEPTEMBER 06, 2012

(Published by Authority)

## PART I : SECTION (I) — GENERAL

### Government Notifications

L.D. B 9/93.

#### FAUNA AND FLORA PROTECTION ORDINANCE (CHAPTER 469)

REGULATIONS made by the Minister of Agrarian Services and Wildlife under Section 30 of the Fauna and Flora Protection Ordinance (Chapter 469) read with Section 71 of the said Act.

S. M. CHANDRASENA,  
Minister of Agrarian Services and Wildlife.

29th August 2012,  
Colombo.

#### Regulations

1. These regulations may be cited as the Sea Mammals (Observation, Regulation and Control) Regulations, No. 1 of 2012.

2. These regulations are intended to ensure to the greatest extent, possible, the peaceful and natural existence of all sea mammals whose natural habitat is within the territorial waters of Sri Lanka and assist to regulate and control vessels used by visitors for the purpose of observing such sea mammals.

3. (1) Every vessel being plied for the purpose of taking visitors to places which are the natural habitat of sea mammals, shall be so used only upon obtaining a licence specifically for such purpose from the Director - General, Wild Life Conservation (hereinafter referred to as the Director - General) or from an officer authorized by him in that behalf.

(2) Every person being an owner or operator of a vessel, who wishes to obtain a licence as specified in paragraph (1) authorizing him to ply a vessel for taking visitors to observe sea mammals, shall submit an application to the Director - General substantially in the Form as set out in Schedule I to these regulations along with the specified fee.

(3) Every vessel being plied for the purpose of taking visitors to observe sea mammals shall prior to obtaining a licence as specified in paragraph (1), be registered with the Department of Wildlife Conservation (hereinafter referred to as "the Department"). The registration fee payable shall be rupees five thousand per annum.

(4) The applicant shall also submit along with the application being made in terms of subsection (2) -

- (a) a Certificate of Fitness in respect of such vessel obtained from an institution approved by the Director - General for such purpose ;
- (b) a full insurance cover for the vessel obtained from an approved Insurance Company covering its crew members and the number of passengers such vessel is entitled to carry ;
- (c) proof that the vessel is equipped with life jackets and other essential life saving equipment for both crew and passengers.

4. The duly completed application shall be forwarded to the Director General who shall upon verification of the information and other details given, either issue in respect of such vessel a license in terms of these regulations or refuse to issue such a license if the information and other details given are not accurate. The Director - General shall also cause such vessel to be registered in a Register to be maintained by the Department for this purpose.

5. The licence issued to any registered vessel shall be substantially in the Form specified in Schedule II to these regulations and shall not be used for any purpose other than for the purpose of observing sea mammals. Such licence shall be carried on the vessel at all times and shall be safeguarded to the extent possible from damage by water or any other like manner.

6. A vessel in respect of which a license has been issued shall be authorised to ply such vessel only within the Zone or Zones specified by the Director - General either in the licence issued to such person, or generally by notification in that behalf issued from time to time.

7. The period of validity of the license issued to any vessel is one calender year. Applications for obtaining a license for any year should be made before the fifteenth day of December of the preceding year.

8. Any person who fails to apply for the annual license for a vessel used for the observation of sea mammals within the period specified shall be liable to a penalty of rupees one hundred per day for every day in respect of which the vessel is plied without a licence.

9. Where any passenger of a vessel being plied for the purpose of observing sea mammals, wishes to observe sea mammals by diving within the authorized Zone or Zones, the operator of the vessel shall obtain the prior approval of the Director - General for the same.

10. Prior to taking passengers out to sea to observe sea mammals in their natural habitat, the passengers should be apprised of the need for conservation measures for the protection of sea mammals and the restrictions subject to which they will be taken out to sea for observing sea mammals.

11. The Department shall prepare and make available to the licensed operators printed material containing the restrictions which will be applicable when a vessel is engaged in taking passengers for observing sea mammals.

12. Every vessel going out to sea taking passengers for observing sea mammals shall have on board an operator, an assistant operator and a guide. The guide shall be a guide trained by the Department. All Guides shall be registered with the Department.

13. Every person or group of persons, who wishes to go out to sea in a vessel to observe sea mammals, shall obtain a permit in that behalf from the Director - General or an officer authorised in that behalf by the Director - General who shall be present at the departure points for such purpose. The person seeking to obtain a permit shall be required to furnish information in respect of the matters set out in Schedule IV by filling a form which shall be made available to him at that point. The Permit so issued shall be in the form set out in Schedule V. The permit shall be issued on payment of the specified fee set out in Schedule V.

14. Where a licence issued in terms of these regulations for the purpose of observing sea mammals, is lost or damaged, the owner or operator of the vessel to which the licence relates shall forward a written application to the Director - General for the issue of a new licence. A fee of rupees five hundred shall be charged for the issue of the new licence.
