3 : 2 (a) Action has been taken to issue the items to the Consumer Departments *ie* Finance Division and Department of Community Medicine.

3 : 3 The doctors attached to the Jaffna Teaching Hospital who were given visiting appointments by this University were expected to do this visiting assignments out side their normal duty hours. If they did it within the normal duty hours action will be taken to recover 25% of their visiting remuneration for the consolidated fund. Visiting appointments to the Clinical Departments in the Faculty of Medicine are made with considering the actual requirements which arose due to the following reasons :

(a) There was a severe shortage of staff and there was no response to our repeated advertisement to fill the cadre vacancies at these departments.

(b) The UGC started an island wide programme to clear the backlog.

(c) The retirement of Prof. Sivasooriya, Senior Professor of Obstetrics and Gynecology.

(d) Dr. (Mrs.) J. Ganashamoorthy, Senior Lecturer in Medicine went on Sabbatical leave.

(e) The appointment of Dr. Kunananthan, visiting Professor in surgery has ceased.

The University has benefited in cleaning the backlog maintaining the standard, sustaining the recognition of the Faculty by SLMC; reducing average stay of students to 6 1/2 year and passing out three batches last year, with the visiting appointments of consultants and our students who where getting their appointments with their junior batches in other Universities have caught up with their parallels this year.

(b) The University administration had to postponed the action of introducing time recording machine as the employees of this University have protested to introduce the time recording machine. However, action had been taken to introduce the time recording machine to the executive officers from May 2004.

- (c) Unable to find a competent firm to repair the weighing balance.
- (d) Action has been taken to dispose the two items which are unserviceable and unrepairable.
- (e) After receiving the estimate from the supplier both would be sent to Colombo for repairs. Audio meter and Co₂ analyzer cannot be used for routine diagnosis. But are useful for demonstration.
- (f) Action has been taken to repair.
- (g) Action has been taken to repair.
- (h) These items are not in working condition and very old model and outdated. Action has been taken to appoint a committee to study and report about these items whether to be repaired/disposed.

3.6 (a) Most of these projects have been completed.

- (b) only part of our budget proposal for 2003 for this project was allocated. Open tenders were called in the year 2003 and there was only one response. The Tender Board did not recommend the sole tenderer. Action is being taken to call for fresh tender in 2005.

3.7 (a) All vacant post are regularly advertised for filling of vacancies but for certain departments, there was poor response from suitable candidate with the qualities to fulfill the need of the relevant department.

The restriction made on recruitment by the Management Services Circular No. 16(1) allowed us only to continue the contract and assignment appointments, which were made against the cadre vacancies before the issue of the Circular. Without these appointments the University would not be able to carry out its academic activities and to clear the backlog.

- (b) All recruitments whether it was permanent or contract, were made by following the procedure adopted in the scheme of recruitment of the relevant Circular and in the establishment code of the University Grants Commission and Higher Educational Institutions regarding recruitments.
- (c) When and where the visiting appointment are made the person who is appointed is requested to get necessary approval from their authority. Copies of the appointment letters are also sent to the employer concerned. Hence it is their obligation to get approval from their authorities before accepting our offer.
- (d) The period of absence of reinstated officers were set off in terms of Public Administration Circular No. 11/93 of 04/06/1993 which was adopted by UGC by its Establishment Circular Letter No. 13/1993 of 14/07/1993.
- (e) (i) University Council recommended to get approval from Cabinet of Minister for the appointment of two retired academic staff on contract basis under reemployment. The Council further decided to get a services of these learned academic on assignment basis as an interim, measure until obtaining the approval from the Cabinet of Ministers in order to carry out the academic programme without interruption. Cabinet memorandum were sent to the Ministry of Tertiary Education and Training for the approval on 01.10.2002 and on 10.10.2003. Since no communication was received inspite of reminders, the assignments arrangements were continued.
- (ii) The restriction imposed on the recruitment of staff by Management Service Circular No. 16(1) allowed us only to get the services of the drivers after their retirement on work assignment basis, as there was no permanent driver to perform the need of the University.
- (f) Assignment appointment is not a regular appointment by nature. This was an arrangement to get some services of qualified persons on need assessment basis. Service of the retired Assistant Bursar was obtained for a very short period so as to manage the Financial Administration within the stipulated time frame and to clear the backlog at the Finance Branch which suffered severaly with shortage of financial officers at that time.

3.8 Variations are due to introduction of new allowances, revision of salary, and increase of telephone charges etc. Extra allocation of Rs. 8 Million was received to cover the additional Recurrent Expenditure in 2003.

4.0 Every effort is taken to adopt effective system and control on the matters referred to in the report.

Complied by the Bursar.
