No. 2085/ 20 - THURSDAY, AUGUST 23, 2018

(Published by Authority)

PART 1: SECTION (1) - GENERAL

Government Notifications

L.D.-B15/2014

CONSTRUCTION INDUSTRY DEVELOPMENT ACT, NO. 33 OF 2014

REGULATIONS made by the Minister of Housing and Construction under section 38 of the Construction Industry Development Act, No. 33 of 2014 read with section 58 of the aforesaid Act.

SAJITH PREMADASA,
Minister of Housing and Construction.

Colombo,
22 nd August, 2018.

REGULATIONS

1. These Regulations may be cited as the Construction Industry Development (Procedures and Standards for Identified Construction Work) Regulation of 2018.
2. Every Contractor registered under the Construction Industry Development Act, No. 33 of 2014 shall carry out any identified construction work under the said Act according to the procedures and standards as specified in the First and Second Schedule respectively.
3. In these regulations -
"Identified Construction Work" shall have the same meaning as in the Construction Industry Development Act, No. 33 of 2014.

This Gazette Extraordinary can be downloaded from [www. documents.gov.lk](http://www.documents.gov.lk)

First Schedule

Procedure for carrying out Identified Construction Works

1. Every identified construction work shall be carried out in conformity with the required quality and workmanship specified in the applicable conditions of the contract and the specifications listed in the Second Schedule. Where no such condition or specification is listed such construction shall be carried out in conformity with the relevant internationally accepted conditions or specifications approved by the Construction Industry Development Authority.
2. Any material used or plant installed in the permanent works shall be supplied by a registered importer, supplier or manufacturer and such material and plant shall comply with the required specifications.
3. Adequate measures to safeguard occupational safety and health concerns shall be taken whilst carrying out any identified construction work.
4. Adequate and reasonable steps shall be taken to protect the environment on and off the site and to prevent any damage or nuisance caused to persons or any adjacent property due to pollution, noise or any other cause.
5. Adequate and reasonable steps shall be taken to adapt disaster resilience measures relating to all construction activities.

Second Schedule
