The Vice Chancellor,
Uva Wellassa University of Sri Lanka,

Report of the Auditor General on the Financial Statements of the Uva Wellassa University of Sri Lanka for the year ended 31st December, 2017 in terms of the Sub Section 108 (1) of the Universities Act, No. 16 of 1978

My comments and observations which, I consider should be published with the Annual Report of the University in terms of Sub Section 108(1) of the Universities Act appear in this report. A detailed report in terms of Sub-section 108(2) of the Universities Act was issued to the Vice Chancellor of the University on 12th June, 2018.

1.2 Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Auditing Standards of Supreme Audit Institutions (ISSAI 1000-1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial Statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's Internal Control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Section 111 of the Universities Act, No. 16 of 1978 gives discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

1.4 Basis for Qualified Opinion

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

2.Financial Statements

2.1 Qualified Opinion

In my opinion, except for the effects of the matters described in Paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the Uva Wellassa University of Sri Lanka as at 31st December, 2017 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

The following observations are made :

- (a) In terms of Condition 2.6 of the Procurement Notice published on 12th September, 2016 for obtaining 75 houses on rental basis for hostels and the staff, the rent payable should be decided by considering the

Government assessed value and the rental presented. However, a sum of Rs. 112,100 had been over paid per month relating to 13 houses obtained on rental basis than the Government assessed value. Further, the monthly rent amounting to Rs. 775,070 had been paid relating to 12 houses without obtaining the Government assessed value.

- (b) Fifteen houses to the monthly rental of Rs. 681,282 had been obtained as hostels in several instances of the year 2017 and two houses to the monthly rentals of Rs. 47,000 and Rs. 27,500 each had been obtained as circuit bungalows for a period of one year without being adopted provisions of the Government Procurement Guidelines -2006.
- (c) In selecting houses for hostels and official quarters, attention had not been paid on certificates of conformity relating to those houses and evidence that a field inspection had been carried out for houses used for evaluation by the Evaluation Committee had not been made available to Audit.

 - (i) In terms of specifications prepared for the procurement, buses manufactured in the year 2017 should be purchased. However, two buses manufactured in the year 2016 had been purchased .
 - (ii) According to the recommendation of the examiner of motor vehicles, attention had been paid only on buses with chassis made of fiber, instead of paying attention on buses with 06 gears, chassis and deck made of aluminum and with 58 seating capacity, which are appropriate for hilly roads.
- (e) Even though the procurement process for the purchase of furniture for official quarters of the staff had been commenced and quotations, called for on 14th October, 2016, an additional cost amounting to Rs. 589,500 had to be incurred for the purchase of furniture in the year under review due to failure in implementing the Technical Evaluation Committee during the due period.
- (f) The University Grants Commission had selected the Central Engineering Consultancy Bureau deviating from the procurement process to carry out the contract of constructing buildings valued at Rs. 350 million under the first Phase of the establishment of the University in the year 2006 according to the Design - Build Method in terms of the Cabinet Paper No.05/0536/035 and the Cabinet Decision dated 21st April, 2005.

The following matters are observed in this connection :

- (i) A sum of Rs. 138,217,390 had been paid by the University Grants Commission to the contractor in 05 instances from 09th June to 31st December, 2005 for carrying out constructions according to the Design - Build Method without entering into an agreement with the Central Engineering Consultancy Bureau.
- (ii) The University had entered into an agreement with the Central Engineering Consultancy Bureau on 21st August, 2006 to the total work value of Rs. 284,273,405 for carrying out constructions according to the Design -Build Method. However, before entering into the said agreement, a sum of Rs. 84,890,797 had been paid by the University to the Central Engineering Consultancy Bureau in 05 instances from 06th February to 31st May, 2006. However, the reasons for assigning administrative activities of the said contract by the University Grants Commission to the University had not been made available to the Audit.
- (iii) According to the Cabinet Decision No.05/0536/035 of 21st April, 2005, agreements had been entered into with the contractor to carry out this construction according to the Design Build Method. Moreover, in terms of Section 14.1 (b) of CIDA/SDB/04 issued by the Constructions Industry Development Authority, payments should not be made for price adjustments. However, contrary to that, a sum of Rs. 28,427,341 had been paid to the contractor as variations of prices.

- (iv) Even though a sum of Rs. 2,250,000 had been recovered as liquidated damages from the contractor, details of computations had not been made available to Audit.
- (v) According to the agreement entered into with the Central Engineering Consultancy Bureau by the University on 21st August, 2006, it had been agreed for Rs. 284,273,405 for 05 works. Nevertheless, 06 works had been included in the final report on payments on 16th November, 2015 and a sum of Rs. 44,123,115 had been paid to the contractor for unagreed works.

6.3 Budgetary Control

Variances ranging from 15 per cent to 151 per cent were observed between the estimated and the actual income in 04 items of income, whilst variances ranging from 20 per cent to 119 per cent were observed between the estimated and actual expenditure in 13 items of expenditure. Moreover the expenditure incurred for acquisition of lands under capital expenditure had not been identified in the preparation of the budget estimate, thus indicating that the budget had not been made use of as an effective instrument of management control.

6.4 Performance of Environmental and Social Responsibilities

The following observations are made:

- (a) In terms of Part I of the *Gazette Extraordinary* No. 1534/18 of 01 February, 2008, Environmental Protection License should be obtained for emission or disposal of waste. However, instead of obtaining such a license for disposal of chemicals used in laboratories of the University, they were mixed with water and disposed of to a pit prepared on the land of the University.
- (b) An expenditure of Rs. 13,537,151 had been incurred for water consumption of the University during 03 preceding years. Even though the waste water disposed of by various Divisions of the University had been purified by the waste water treatment system and disposed of, this water had been made use of to wash motor vehicles and for other maintenance activities. However, attention of the Management had not been paid on the decrease of the cost incurred for water;

1.2 Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair preparation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these statements based in my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Auditing Standards of Supreme Audit Institutions (ISSAI 1000- 1810).

Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's Internal Control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Section 111 of the Universities Act, No. 16 of 1978 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Vice Chancellor
Uva Wellassa University of Sri Lanka

My comments and observations which I consider should be published with the Annual Report of the University in terms of Sub-section 108(1) of the Universities Act appear in this report. A detailed report in terms of Sub-section 108(2) of the Universities Act was issued to the Vice Chancellor of the University on 18th July, 2016.

1.2 Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Auditing Standards of Supreme Audit

Institutions (ISSAI 1000-1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of financial statements. Section 111 of the Universities Act, No. 16 of 1978 gives discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

The following observations are made:

- (a) 21 Projects that should have been implemented during the year under review out of those stated in the Combined Plan for the period 2014-2018.
- (b) The Combined Plan did not contain a review of operational outcomes for the previous three years as per Paragraph 5.1.2 of the Public Enterprise Circular PED/12 dated 02 June 2003, and the Combined Plan had not been presented so that progress could be evaluated as it did not indicate the monetary values of the targets that should be achieved.

5.3 Action Plan

The following observations are made:

- (a) At the inspection that was carried out in respect of the Action Plan for the year under review, it was found that the Plan did not contain the updated organizational structure of the University, details of the approved cadre and the currently existing staff and the internal audit plan as required by Paragraph 04 of the Public Finance Circular No. 01/2014 dated 17th February, 2014.
- (b) Performance Reports had not been prepared for measuring the physical progress of the Combined Plan and the Action Plan.
- (c) Although a Strategic Management and Development Committee had been established to measure the physical progress of the Combined Plan and the Action Plan and to make decisions pertaining to it, this Committee had not met every month to carry out a Programmes Review.

5.4 Audit and Management Committees

The following observations are made:

- (a) Although four meetings of the Audit and Management Committee should have been held as required by Paragraph 15 of the Public Enterprise Circular No. 55 dated 14th December, 2010, only 02 Committee meetings were held during the year under review.
- (b) A delay was observed in implementing the decisions made at the 32nd Audit Committee with regard to operating the computerized accounting system that has already been purchased in an up-to-date manner, issuing letters to assign duties to all officers of the Non-Academic Staff, maintaining the audit queries register and replying to audit queries.

5.5 Procurement Plan

Although the University possesses a web page and sufficient information technology facilities, action had not been taken to carry out procurement activities electronically as per Guideline 9.8 of the Procurement Guidelines.

5.6 Budgetary Control

The following observations are made:

- (a) It was noticed that the Budget had not been used as an effective management control as it was observed that the five capital expenditure objects showed variations from 13% to 61% while the seven capital expenditure objects showed variations of 15% to 91% when estimated expenditures were compared with the actual expenditures.
- (b) Rs. 2,782,153.00 and Rs. 94,500.00 had been spent for the Staff Development Institute and for purchasing the Degree Cloaks respectively from the Budget Estimate of the year under review without obtaining approval for using capital provision.

5.7 Unresolved Audit Paragraphs

The University has failed till now to restore the waste water recycling project as per the instructions given by the Committee on Public Enterprises at its Meeting held on 21st September, 2012.

6. Systems and Controls

The deficiencies in systems and controls noticed during the audit were brought to the attention of the Vice Chancellor from time to time. Special focus should be given to the following aspects of controls:

- (a) Asset management
- (b) Stores administration
- (c) Financial management and expense control
