(ix) When Mathematics questions are answered, give all details of calculations and any roughwork, in their serial order as part of the working of the problem. (xi) You should personally handover your answer script to the Supervisor or to an Invigilator. Or else remain in your seat till it is collected. Failure to do so may result in the loss of your script and your being treated as an absentee for the paper. On no account should your script be handed over to a peon or an attendant.
