No. 2294/51 - THURSDAY, AUGUST 25, 2022

(Published by Authority)

## PART I : SECTION (I) — GENERAL

### Government Notifications

NATIONAL WATER SUPPLY AND DRAINAGE BOARD LAW, No. 2 OF 1974

#### Notice under Section 84

NOTICE is hereby given in terms of Section 84 of the National Water Supply and Drainage Board Law No. 02 of 1974 that the following tariffs will be charged with effect from the 01st day of September 2022, from all the consumers supplied with water from the water supply schemes of the National Water Supply and Drainage Board.

This notice replaces the notice appearing in the *Gazette Extraordinary* No. 1776/13 dated 18th September, 2012 in respect of the water tariffs with effect from the 01st day of October 2012 and applicable to all consumers who are supplied water by the National Water Supply and Drainage Board.

KEHELIYA RAMBUKWELLA,  
Minister of Water Supply.

Ministry of Water Supply,  
Battaramulla.

25th of August, 2022.

Monthly water bill of any premises includes, in addition to the water charges, monthly service charges, Other Charges and applicable taxes. Water bill generally displays only the total monthly charge and if necessary consumer can request the water bill with separate VAT/SVAT Invoices with prior registration with the National Water Supply and Drainage Board.

All consumers are categorized as per following table for easy identification and adoption of different tariffs.

*Note :- One Unit shall be defined as one cubic meter. (1,000 LITRES)*

### **Miscellaneous Charges and Conditions**

1. New Service Connections:  
The cost of providing a new service connection will be levied from the consumer.
2. Customers who do not use water at all during a particular month are charged at minimum monthly service charge and VAT Amount.
3. If a meter is found to be out of order or if it is removed for repairs or calibration, the consumption, of water during the time that the meter is not available to record consumption, shall be calculated according to the average rate of daily consumption obtained during any three no's of successive readings without immediate month preceding the removal of meter or the meter becoming defective.
4. Testing of water meters at the request of consumers:  
The fee for testing of water meters at the request of the consumers shall be determined by the General Manager of the National Water Supply and Drainage Board, based on costs incurred for the testing of such meter. If on testing such meter it is proved that the meter had been over/under registering by more than 02% of the correct consumption, this fee will be refunded and bill(s) should be revised based on complaint date.
5. Incentive for prompt Payment:  
Consumers paying their water bills within 14 working days from the date of issue of the bill will be given a rebate of 01.5% (Or amount determined periodically by the General Manager of the National Water Supply and Drainage Board) on the value of the bill. Arrangements are available for consumers to deposit money with the Board in advance to meet the cost of water bills.
6. Surcharge for delay in Payment:  
Consumers are expected to pay bills, within a period of 14 days. If consumers fails to settle the water bill within a period of 30 days from the date of issuing a bill, an additional charge of 02.5% (Or amount determined periodically by the General Manager of the National Water Supply and Drainage Board) on the value of the bill per month on the balance outstanding shall be made from the date the bill was issued.
7. Disconnection of Service connections:  
The General Manager of the National Water Supply and Drainage Board shall have the power to disconnect the service connection of consumers, whose bills are in arrears for a period of more than 30 days.
8. Re-Connection Fee:  
The fee for re-connecting the supply, after the service has been disconnected, shall be determined by the General Manager of the National Water Supply and Drainage Board, based on the costs incurred for such re-connection.
9. Bowser charge excludes costs incurred for transport and other overheads, which would be recovered on the basis of actual and service charges in table No. 09 are not be applied for bowser supply.
10. A customer who is not registered for e-billing shall pay an amount determined periodically by the General Manager of the National Water Supply and Drainage Board for the "Environmental Conservation Fund".

11. If any officer/employee who authorized by the General Manager of the National Water Supply and Drainage Board visits to the customer house and collects the water bill fee, customer shall pay a “convenience fee” determined periodically by the General Manager of the National Water Supply and Drainage Board.
12. Electricity bill and any other costs that are presently borne by the National Water Supply and Drainage Board on secondary pumping systems that were developed by the government organizations, say National Housing Development Authority, Urban Development Authority, etc. to supply water to occupants of housing schemes shall be fully paid to National Water Supply and Drainage Board by the occupants of the particular housing scheme in addition to the water tariff.
13. Violation of Regulations:  
If any regulation, under which the water supply has been provided, is violated by any consumer, action will be taken under the relevant provisions of the National Water Supply and Drainage Board Law No. 02 of 1974, the National Water Supply and Drainage Board (Amendment) Act, No. 13 of 1992 or any other subsequent amendment to the legislation.
