UV/BD/D/2010/64

September 2011

The Vice Chancellor,
Uva Wellassa University.

Report of the Auditor General on the Financial Statements of the Uva Wellassa University for the year ended 31st December, 2010 in terms of Section 108 (2) of the Universities Act, No. 16 of 1978 and Section 13 (7) (A) of the Finance Act, No. 38 of 1971

The audit of financial statements of the Uva Wellassa University for the year ended 31st December, 2010 was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sections 108 (1) and 111 of the Universities Act, No. 16 of 1978 and Sub-sections (3), (4) and (7) of Section 13 of the Finance Act, No. 38 of 1971. This report is issued in terms of Section 108(2) of the Universities Act and Section 13(7)(A) of the Finance Act. My comments and observations appear in this report.

1:2 Responsibility of the Management for the Financial Statements :

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Accounting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

1:3 Scope of Audit and Basis of Opinion :

My responsibility is to express an opinion on these financial statements based on my audit. Audit opinion, comments and findings in this report are based on review of the financial statements presented to audit and substantive tests of samples of transactions. The scope and extent of such review and tests were such as to enable as wide an audit coverage as possible within the limitations of staff, other resources and time available to me. The audit was carried out in accordance with Sri Lanka Auditing Standards to obtain reasonable assurance as to whether the financial statements are free of material misstatements. The audit includes examination on a test basis of evidence supporting the amounts and disclosures in financial statements and assessment of accounting policies used and significant estimates made by the management in the preparation of financial statements as well as evaluating their overall presentation. I have obtained sufficient information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit. I therefore, believe that my audit provides a reasonable basis for my opinion. Sub-sections (3) and (4) of Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the Audit.

2. Financial Statements :

2:1 Opinion

So far as appears from my examination and to the best of my information and according to the explanations given to me, I am of opinion that the Uva Wellassa University had maintained proper accounting records for the year ended 31st December, 2010 and except for the effects on the financial statements of the matters referred to in paragraph 2.2 of this report, the financial statements

have been prepared in accordance with Sri Lanka Accounting Standards and give a true and fair view of the state of affairs of the Uva Wellassa University as at 31st December, 2010 and the financial results of its operations and cash flows for the year then ended.

2.2 Comments on Financial Statements :

2.2.1 Accounting Deficiencies

The Following accounting deficiencies were observed in audit :—

3. Financial and Operating Review

3.1 Financial Review :

Financial Results

According to the financial statements presented, the working of the University for the year ended 31st December, 2010 had resulted in a surplus of Rs. 2,450,399 after taking into account the Government Grants of Rs. 152,800,000 received for recurrent expenditure as compared with the corresponding deficit of Rs. 10,441,719 for the preceding year after taking into account the Government Grant of Rs. 108,870,000 received for recurrent expenditure. Thus indicated a improvement of Rs. 12,892,118 in the financial result mainly due to increase of recurrent grants, self finance programmed income and other income.

3.2. Operating Review :

3.2.1 Educational Performance

Following observations are made:-

- (a) The enrolment of students for the year 2010 had decreased by 45 students or 8.5% as compared with the year 2009.
- (b) Sixty-eight registered students had left their courses in the university from 2006 to 2010.
- (c) Hundred and Forty-eight students passed and 03 students referred out of 151 students sat for the final year examination held in the year under review.

3.2.2 Cost per student

Average expenditure per student calculated on the basis of recurrent expenditure and number of students registered in the years of 2006-2010 is given below.

Year	No. of students registered	Total recurrent expenditure Rs.	Expenditure per student Rs.
2006	167	39,282,684	235,226
2007	370	74,375,733	201,015
2008	741	118,634,901	160,101
2009	1,257	152,982,159	121,704
2010	1,715	200,874,819	117,128

Recurrent expenditure per students was gradually decreased due to increase of number of students.

3.2.3 Management Inefficiencies

Following Observations are made.

- (a) Computer Systems
 - (i) The University had entered into an agreement of Rs. 3,680,000 with a private company to develop a computer system to use for the General Administration of the University in 2006 and paid a sum of Rs. 736,000 as an advance 20% out of the agreed amount. However, the contractor had not supplied the computer system as required and the performance bond of Rs. 368,000 was expired on 20th February, 2007. Action had not been taken to recover the loss incurred to the university due to non supplying of computer system according to the agreement from the company.
 - (ii) A sum of Rs. 22,870,727 had been paid to a private company for hiring of 110 computers for computer studies of the students during 04 years from 2007 to 2010. When considering the market price it was observed in audit that the university could have been purchased 280 computers in new versions by spending the money paid for hiring of computers for last four years.
- (b) Residential Facilities
 - (i) Thirty-eight houses had been leased out on the monthly rental basis for providing residential facilities for 59 staff in the university and paid a sum of Rs. 3,654,496 in the year 2010 to the house owners as rent. However only Rs. 521,762 had been recovered as rent from the staff. Accordingly the university has to incur an excess expenditure Rs. 3,132,734 approximately for a year to meet rental expenditure for residents.
 - (ii) Although the university had paid monthly electricity and water bills of the bachelors quarters in addition to the rent, no money had been charged to the residential staff of those quarters.

3.2.4 Asset Management

Following Observations are made :-

- (a) Five Hundred and Fifty-seven students hand books at a cost of Rs. 172,825 had remained idle due to printing of students hand books for the years 2006, 2007 and 2009 without considering the requirements.

- (b) Hundred and Forty-five Library books valued Rs. 76,422 had been misplaced according to internal audit report of 29th June, 2010.
- (c) Stock of 29 items of medicine in the medical centre was expired.
- (d) Seventy-six beds and 198 mattresses purchased in excess were being stored in the stores and block F building at 31st December, 2010.
- (e) Five fire resistant safes valued Rs. 322,560 purchased on 30th June, 2010 were lying in the stores up to 31st May, 2011 unutilized.

3.2.5 Human Resource Management

Following Observations are made :-

- (a) According to the approved cadre of the University, 07 Professor posts and 03 Grade I Senior Lecturers in the academic staff had not been filled from 2006 to 04th August, 2011. 32 posts out of 129 posts in the academic staff were vacant at 31st December, 2010.
- (b) Fifty-eight posts were vacant out of 82 posts in the approved nonacademic staff.
- (c) An acting Course Director had been appointed for the Faculty of Management from 2006 November, to 04th August, 2011 without the UGC approval and paid an allowance of Rs. 378,000 plus transport allowance of Rs. 154,419 during the year under review for a service of 37 days.

3.2.6 Budgetary Control

Significant variances were observed between the budget and the actual thus indicating that the budget had not been made use of as an effective instrument of management control.

4. Systems and Controls

Weaknesses in the systems and controls observed during the course of audit were brought to the notice of the Vice chancellor of the university from time to time. Special attention is needed in respect of the following areas of control.

- (a) Accounting,
- (b) Budget,
- (c) Fixed Assets,
- (d) Stores.

3. Financial and Operating review

3.1 Financial Review

According to the financial statements presented, the working of the University for the year ended 31 December 2010 had resulted in a surplus of Rs.2,450,399 after taking into account the Government Grants of Rs.152,800,000 received for recurrent expenditure as compared with the corresponding deficit of Rs. 10,441,719 for the preceding year after taking into account the Government Grant of Rs. 108,870,000 received for recurrent expenditure. Thus indicated a improvement of Rs.12,892, 118 in the financial result mainly due to increase of recurrent grants, self finance programmed income and other income.

Financial growth has been occurred in relation to previous year recurrent expenditure funds in time from treasury and close monitoring of expenditure as per estimated and increase of institutional earnings.

3.2 Operating Review

3.2.1 Educational Performance

(a) The enrolment of students for the year 2010 had decreased by 45 students or 8.5% as compared with the year 2009.

The reason for reducing of students in the year 2010 in that number of student Sent by UGC has been reduced in 2010 when compared to previous year.

(b) Sixty Eight registered students had left their courses in the university from 2006 to 2010.

We have inquired into this, the students have left the course due to personal reasons.

(c) Hundred and Forty Eight students passed and 03 students referred out of 151 students sat for the final year examination held in the year under review.

We agree for this.

3.2.2 Cost per Student

Year	Average per student (Recurrent cost)
------	---

2006	235,226
2007	201,015
2008	160,101
2009	121,704
2010	117,128

Expenditure per student is reduced due to proper management of expenditure and increased intake of student.

3.2.3 Management Inefficiencies

(a) Computer Systems

- (i) The University had entered into an agreement of Rs.3,680,000 with a private company to develop a computer system to use for the General Administration of the University in 2006 and paid a sum of Rs.736,000 as an advance 20% out of the agreed amount. However, the contractor had not supplied the computer system as required and the performance bond of Rs.368,000 was expired on 20th February, 2007. Action had not been taken to recover the loss incurred to the university due to non supplying of computer system according to the agreement from the company.

This agreement was terminated on condition that the contractor will refund the advance payments made. Action being taken to recover.

- (ii) A sum of Rs.22,870,727 had been paid to a private company for hiring of 110 computers for computer studies of the students during 04 years from 2007 to 2010. When considering the market price it was observed in audit that the university could have been purchased 280 computers in new versions by spending the money paid for hiring of computers for last four years.

Action had been taken to obtain all non core activities from service providers as per the policy document of Corporate Plan. Instead of obtaining computers as permanent assets computers required for computer laboratory were obtained from a service provider by following procurement procedures due to following reasons:-

- No initial investment required for purchasing of these items
- Possibility obtain the service subject to technical changes
- Possibility to change computers depending on requirement of the university annually
- No expenditure incurred for maintenance of permanent assets
- Provision of fresh computers or updating of faulty computers in case of failure
- Minimizing administrative and employment problems

(b) Residential Facilities

- (i) Thirty Eight houses had been leased out on the monthly rental basis for providing residential facilities for 59 staff in the university and paid a sum of Rs.3,654,496 in the year 2010 to the house owners as rent. However only Rs.521,762 had been recovered as rent from the staff. Accordingly the university has to incur an excess expenditure Rs.3, 132,734 approximately for a year to meet rental expenditure for residents.

Due to non availability of own quarters the University had been rented the houses and provided the facility for staff. University staff should be attended to student activities more hours than other government employees. The University cannot recover entire cost of house rent from the staff.

- (ii) Although the university had paid monthly electricity and water bills of the bachelors quarters in addition to the rent, no money had been charged to the residential staff of those quarters

Majority of bachelor staff members have assigned to hostel sub warden duties and other administrative functions, the University not provided additional payment for such

services therefore the University has not been charged any amount as a rent from bachelor staff of the hostels and quarters.

3.2.4 Asset Management

- (a) Five hundred and fifty seven students hand books at a cost of Rs.172,825 had remained idle due to printing of students hand books for the years 2006, 2007 and 2009 without considering the requirements.
- (b) Hundred and Forty Five library books valued Rs.76,422 had been misplaced according to internal audit report of 29 June 2010.
- (c) Stock of 29 items of medicine in the medical centre was expired.
- (d) Seventy six beds and 198 mattress purchased in excess were being stored in the stores and block F building at 31st December, 2010.
- (e) Five fire resistant safes valued Rs. 322,560 purchased on 30th June, 2010 were lying in the stores up to 31st May, 2011 unutilized

Due to non receipt of target student intake in previous years the printed student hand books had remained in the stock

Complained has been made to Badulla Police regarding the misplaced of library books and internal inquiries are being carried out.

Action will be taken to dispose the expired medicine

These items are used for outside hostels accommodations when required.

Action will be taken to utilize fire resistant safes

3.2.5 Human Resource Management

- (a) According to the approved cadre of the University, 07 Professor posts and 03 Grade I Senior Lecturers in the academic staff had not been filled from 2006 to 04th August, 2011. 32 posts out of 129 posts in the academic staff were vacant at 31st December, 2010.
- (b) Fifty Eight posts were vacant out of 82 posts in the approved nonacademic staff.
- (c) An acting Course Director had been appointed for the Faculty of Management from 2006 November to 04th August, 2011 without the UGC approval and paid an allowance of Rs.378,000 plus transport allowance of Rs.154,419 during the year under review for a service of 37 days.

Academic Vacancies

Academic vacancies were advertised and we are in the process of filling the academic vacancies by end of 2011.

Non Academic Vacancies

We have already filled the vacancies of Two Technical Officers, store keeper and shroff. At present the clerical duties are performed by Operations Assistants on assignment basis. Action has already been initiated to fill the positions according to the approved cadre on permanent capacity.

Applications were called for senior lecturer vacancy in management faculty in several occasions. However as there was no response from suitably qualified persons university was compelled to obtain services of this professor. An acting Course Director has efficiently

discharges following obligations with due responsibility.

- Development and updating of courses in management degree program.
- Guiding directing and supervising trainee lecturer in course activities.
- Preparation of basic documents for assessment of industrial training of students and guiding these.
- Conducting course committees meeting and providing leadership in respect of entrepreneurship and management degree program.
- Solving problems faced by students in respect of entrepreneurship and management degree program
- Supervision of research project reports of entrepreneurship and management students.

Action will be taken to suspend services of this Professor immediately on recruitment of a senior lecturer for this degree program

3.2 Budgetary Control

Significant variances were observed between the revised budget and the actual thus indicating that the budget had not been made use of as an effective instrument of management control

As we have exercised effective control over expenditure, it has resulted in favorable variation. We monitored outsourced services and contractual expenditure effectively. However it is difficult to forecast accurate income and expenditure due to development stage of the University.

As per requests made by outside institutions earnings have been made by organizing & conducting special programmes. However these earnings cannot be accounted during the same year due to practical problem. Hence a favorable variation has occurred.

Unfavorable variation is reflected during the last quarter due to increase of expenses for electricity, security, and telecommunication & cleaning.
