The mound of stupa, ruins of buildings, parapet walls at the Archaeological site Karapola Willuwa and the premises of land in the extent of 100 m in each of four directions from the Stupa situated at the Archaeological site Karapola Willuwa in the village Karapola Willuwa in Grama Niladhari Division No. 207 of Manampitiya in the Divisional Secretary's Division, Dimbulagala in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 92630" N and East Longitude 081° 12660" E)
18. The Megalithic burial ground located at the site known as Dewagala Gal thalawa and the premises of land in the extent of 70 m in North and South directions of the end of the burial ground, 200 m on the East of the end of burial ground and 100 m on the West of the burial ground situated in the village Galthalawa in Grama Niladhari Division No. 03 - 257 of Jayapura, in the Divisional Secretary's Division, Dimbulagala in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07° 86549" N and East Longitude 081° 19668" E)
19. The cave with drip ledges at the Premises of Sri Dawul Thebu Lena Thapowanarama Vihara and the premises of land in the extent of 50 m in each of four directions from its outside situated in the village Veheragala in Grama Niladhari Division No. 02 - 234 of Veheragala in the Divisional Secretary's Division, Dimbulagala in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 72858" N and East Longitude 81° 15788" E)

20. The ancient Channel, sluice gate, waste weir, break water, dam of Sugala Wewa and the premises of land in the extent of 50 m to both sides from the dam and break water and the premises of land in the extent of 50 m to the front from the dam of wewa which is 150 m in length situated in the village Sandagalatenna in Grama Niladhari Division No. 235 of Warapitiya, in the Divisional Secretary's Division, Dimbulagala in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 72977" N and East Longitude 081° 10304" E)
21. The ancient Stupa, Flight of stairs, four caves with drip ledges, rock known as Galkanda with tenon factors and other Archaeological factors and the premises of land in the extent of 50 m in each of four directions from its base situated in the village Pahala Yakkure in Grama Niladhari Division No. 221 of Yakkure, in the Divisional Secretary's Division, Dimbulagala in Polonnaruwa District in North Central Province. (Geographical data Locations of the Site - North Latitude 07° 85878" N and East Longitude 81° 06824" E)
22. The rocky plain known as Nidangala with the mound of Stupa, rock inscription and ruins of buildings and the premises of land in the extent of 20 m in each of four directions from its base situated in the village Bogaswewa in Grama Niladhari Division No. 250 of Virana, in the Divisional Secretary's Division, Dimbulagala in Polonnaruwa District in North Central Province. (Geographical data Locations of the Site - North Latitude 07° 80751" N and East Longitude 81° 14974" E)
23. The mound of Stupa at the Archaeological site known as Devagala, site with ruins of buildings, drip ledged caves with primary paintings and inscriptions, rock with rock inscription and other Archaeological factors and the premises of land in the extent of 50 m in each of four directions from its base situated in the village Galthalawa in Grama Niladhari Division No. 03 of Jayapura, in the Divisional Secretary's Division, Dimbulagala in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07° 85563" N and East Longitude 081° 20236" E)
24. The rock with ruins of buildings, drip ledged caves with primary paintings and the mound of Stupa at the site known as Nidangala and the premises of land in the extent of 50 m in each of four directions from its base situated in the village Pahala Ellewewa in Grama Niladhari Division No. 214 of Maguldamana, in the Divisional Secretary's Division, Dimbulagala in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07° 81099" N and East Longitude 081° 08 08469" E)
25. The ancient Jetty with stone pillars of Parakrama Samudra situated in the village Pothgul Pedesa in Grama Niladhari Division No. 168 of Pothgul Pedesa, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 92362" N and East Longitude 080° 99261" E)
26. The image house located at the Archaeological site of Swarnapaligama and the premises of land in the extent of 5 m in each of four directions around the same and the Bodhi Ghara and the premises of land in the extent of 5 m in each of four directions around the same situated in the village Swarnapaligama in Grama Niladhari Division No. 166 of Kalahagala, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 86796" N and East Longitude 080° 95550" E)
27. The rocky plain with natural shades of caves, flight of stairs and mound of Stupa at the Archaeological site of Dumbutugala and the premises of land in the extent of 5 m in each of four directions from its base situated in the village Parakrama Samudra in Grama Niladhari Division No. 164 of Parakrama Samudra, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 88739" N and East Longitude 080° 97554" E)
28. The mound of Chethya at Wadchchalai Archaeological site, 02 sites of ruins of buildings with stone pillars and the premises of land in the extent of 50 m in each of four directions from the mound of Chethya situated in the village Kuruppu Junction in Grama Niladhari Division No. 179 of Kuruppu Junction, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07. 94528° N and East Longitude 81. 01983° E)

29. The ancient Stupa at the Menik Vehera (Manikkampattiya) Archaeological Site and the premises of land in the extent of 40 m on the North and 25 m on each of East, South and West directions around the same situated in the village Manikkampattiya in Grama Niladhari Division No. 180 of Manikkampattiya, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07. 92547° N and East Longitude 081. 05675° E)
30. The rock with two Buddha statues carved in half relief at the site known as Pilimagala and the premises of land in the extent of 100 m in each of four directions from its base situated in the Wasgamuwa Forest Conservation site in Grama Niladhari Division No. 166 of Kalahagala, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 80825" N and East Longitude 080° 95042" E)
31. The image house with Buddha statues located at Nawagetiara and the premises of land in the extent of 100 m in each of four directions from the Centre of the mound of Stupa situated in the village of Kalahagala in Grama Niladhari Division No. 166 of Kalahagala, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 81206" N and East Longitude 080° 94750" E)
32. The Samadhi Buddha Statue, mound of Stupa, building sites with stone pillars located at the Archaeological site Galbuddhayaya near Kaneyya Ela and the premises of land in the extent of 30 m in each of North and South directions from the Buddha statue, 40 m in East and 50 m in West situated in the new village of Kalahagala in Grama Niladhari Division No. 166 of Kalahagala, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07. 87746° N and East Longitude 081. 93603° E)
33. The Image house, Stupa, sites with ruined buildings located at the Archaeological site 28<sup>th</sup> Post and the premises of land in the extent of 30 m on North, 10 m on East, 25 m on South and 20 m on the West from the Stupa situated in the village of Polonnaruwa in Grama Niladhari Division No. 172 of Polonnaruwa Town, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07. 94012° N and East Longitude 81. 01581° E)
34. The ancient Sluice Gate Boowewa and the premises of land in the extent of 20 m in each of four directions of them, Gawutha kanuwa and the premises of land in the extent of 10 m in each of four directions around the same situated in the village Swarnapaligama in Grama Niladhari Division No. 166 of Kalahagala, in the Divisional Secretary's Division, Thamankaduwa in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07. 86523° N and East Longitude 080. 95184° E)
35. The mound of Stupa, image house located at Heeratiya Archaeological site and the premises of land in the extent of 50 m in each of North, East and South directions from the same and the premises of land in the extent of 70 m on the West situated in the village of Heeratiya in Grama Niladhari Division No. 05 of Heeratiya, in the Divisional Secretary's Division, Elahera in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07. 76926° N and East Longitude 080. 81172° E)
36. The mound of Stupa and Stone Stupa located at Ihakulu Wewa Archaeological site and the premises of land in the extent of 30 m in the North, 200 m in the East, 170 m in the South and 100 m in the West of the same and two sites of ruined buildings in the North Eastern direction from the Stupa and the premises of land in the extent of 10 m around each building situated in the village of IhaKulu Wewa in Grama Niladhari Division No. 27 of Ihakuluwewa, in the Divisional Secretary's Division, Elahera in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07. 97293° N and East Longitude 80. 86377° E)

37. The rock with drip ledged cave and the mound of Stupa at the Archaeological site Walasgala and the premises of land in the extent of 50 m in each of four directions from its base situated in the village of Damanayaya in Grama Niladhari Division No. 08 of Damanayaya, in the Divisional Secretary's Division, Elahera in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 78317" N and East Longitude 80° 80005" E)
38. The mound of chethya at the site known as Pansal Idama, site with ruined buildings and the premises of land in the extent of 35 m in the North, 30 m in Eastern and Southern directions and 20 m on the West from the mound of Chethya situated in the village of Segala in Grama Niladhari Division No. 23 of Bakamoona Yaya, in the Divisional Secretary's Division, Elahera in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07. 84097° N and East Longitude 80. 83708° E)
39. The mound of Stupa, mound of ruins at the Archaeological site known as Chethiyaara and the premises of land in the extent of 80 m on the North, 55 m on the East, 90 m on the South and 50 m on the West from the centre of the Stupa situated in the village of Pethanara in Grama Niladhari Division No. 02 of Atharagallewa, in the Divisional Secretary's Division, Elahera in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 07° 72490" N and East Longitude 080° 84189" E)
40. The Megalithic burial ground and the premises of land in the extent of 200 m on the North, 250 m on the East, 150 m on the South and 50 m on the West from the center of the same situated in the village of Kuruwiyaya in Grama Niladhari Division No. 09 of Maluweyaya, in the Divisional Secretary's Division, Elahera in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07. 75662° N and East Longitude 80. 84535° E)
41. Two Megalithic burial grounds and the premises of land in the extent of 20 m on the North, East and South directions, 30 m on the West from the same situated in the village Sirikanduyaya in Grama Niladhari Division No. 12 of Sirikanduyaya, in the Divisional Secretary's Division, Elahera in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 07. 78023° N and East Longitude 080. 85490° E)
42. The Mound of Chathiya rock plateau with other Archaeological features including parts of Malaka Bami and the premises of land in the extent of 50 m in each of four directions from its base at the site with Geographical data Locations of North Latitude 08. 16076° N and East Longitude 81. 23981° E situated in the village Thrikonamaduwa in Grama Niladhari Division No. 238 of Kandakadu Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province.
43. All the drip ledged caves at the site known as Ruhunu Somawathie, 04 sites with ruins of buildings, rock with the flight of stairs and the premises of land in the extent of 100 m in each of four directions from its base situated in the village of Thrikonamaduwa in Grama Niladhari Division No. 283 of Kandakadu Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations - North Latitude 08. 16366° N and East Longitude 81. 23646° E)
44. The inscriptions and 09 drip ledged caves, 04 sites with ruins of buildings, mound of Stupa, compound boundaries, conical shaped coverts, at the rock known as Kandakadu Gal Kanda and the premises of land in the extent of 200 m each on the North and South directions, 300 m each on the East, 350 m each on the West from the centre of the mound of Stupa situated in the village of Kandakadu in Grama Niladhari Division No. 283 of Kandakadu Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 06899" N and East Longitude 081° 20513" E)
45. The rock with the Archaeological factors such as ruins of buildings with stair cases, ruins of an image house, mound of buildings with stone pillars, site of manufacturing prehistoric stone tools and boundary wall and mound of Stupa at the Archaeological site known as Nidangala and the premises of land in the extent of 260 m each on the North and East directions, 150 m on the South and West from the Image house situated in the village of Muthuwella in Grama Niladhari Division No. 285 of Muthuwella Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 01799" N and East Longitude 081° 19509" E)

46. Small rock with symbols of letters, small rock with 02 symbolic notes, small rock with the symbol of a conch and ruins of buildings located near the same, small rock with a symbol of dog and the and the premises of land in the extent of 100 m each on the four directions from the symbol of dog situated in the village of Muthuwella in Grama Niladhari Division No. 285 of Muthuwella in Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 01667" N and East Longitude 81° 21732" E)
47. Four (04) sites with ruins of buildings, rock with mattock marks and the premises of land in the extent of 100 m each on the four directions from the base of the same situated in the area of Medagala Gangapahalawila in Grama Niladhari Division No. 283 of Kandakadu Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 08989" N and East Longitude 81° 22784" E)
48. The mound of Stupa, 02 rock inscriptions, 15 sites with ruins of buildings, 02 ponds with flight of stairs, the site of manufacturing pre historic stone tools, the rock on which the Archaeological factors such as ruins of parapet walls are located and the premises of land in the extent of 310 m on the North, 150 m on the South, 200 m each on the East and West from its base situated at the Archaeological site of Madugalla in the village of Thrikonamaduwa in Grama Niladhari Division No. 286 of Sinhapura in the Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 07744" N and East Longitude 81° 23621" E)
49. The rock with mound of Chethya, site with ruins of buildings and other Archaeological factors are located near Welawilluwa Thrikonamaduwa and the premises of land in the extent of 100 m in each of the four directions from its base situated in the village of Thrikonamaduwa in Grama Niladhari Division No. 286 of Sinhapura in the Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 10830" N and East Longitude 81° 23864" E)
50. The rock with drip ledged cave, flight of stairs carved on the rock, boundaries of compounds, ponds designed by the staircase at the site known as Palliyawasagoda and the premises of land in the extent of 100 m in each of the four directions around the same situated in the village of Kandakadu in Grama Niladhari Division No. 283 of Kandakadu in the Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 08660" N and East Longitude 81° 21020" E)
51. The Dimbulana rocky plain with ruins of stupa and 04 ruins of buildings situated in the village of Dimbulana in Grama Niladhari Division No. 286 of Sinhapura in the Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 03156" N and East Longitude 81° 25996" E)
52. Small rock with the mound of Stupa and rock inscription, small rock with two rock inscriptions located near the Kandakadu Army Farm and the premises of land in the extent of 50 m in each of the four directions from the base of those two rocks situated in the village of Kandakadu in Grama Niladhari Division No. 283 of Kandakadu in the Divisional Secretary's Division, Welikanda in Polonnaruwa District in North Central Province. (Geographical data Locations of the site - North Latitude 08° 07705" N and East Longitude 81° 18661" E)
