2. Financial Statements

2:1 Opinion

So far as appears from my examination and to the best of information and according to the explanations given to me, I am of opinion that the Postgraduate Institute of Pali and Buddhist studies had maintained proper accounting records for the year ended 31 December, 2007 and except for the effects on the financial statements of the matters referred to in paragraph 2.2 of this report, the financial statements have been prepared in accordance with Generally Accepted Accounting Principles and give a true and fair view of the state of affairs of the Postgraduate Institute of Pali and Buddhist Studies as at 31 December 2007 and the financial results of its operation and cash flows for the year then ended.

2:2 Comments on Financial Statements

2:2:1 Accounting Policies

The Following observations are made :

- (a) Assets which are fully depreciated and are in further use had not been revalued and shown in the financial statements.
- (b) Even though the physically verified value of the stocks should have been shown in the financial statements for the year under review, the balance of stores advances amounting to Rs. 305,492 had been shown as the value of stocks in the financial statements.
- (c) The value of stocks had been overstated by a sum of Rs. 236,792 in the financial statements due to the failure to consider the lesser of the net realizable value or the cost in the valuation of stocks.

2:2:2 Accounting Deficiencies

Accounting deficiencies totalling Rs. 972,445 revealed at the audit test check were brought to the notice of the Director of the Institute. Out of that, accounting deficiencies amounting to Rs. 387,484 had been rectified and the revised

financial statements were presented for audit on 08th May, 2008. Thus accounting deficiencies amounting to Rs. 584,961 remain and the possibility of further such accounting deficiencies cannot be ruled out in audit.

2:2:7 Irregular Transactions

The following observations are made.-

A sum of Rs. 1,250,000 had been received in the year 1996 from the Yuang Heng International Buddhist Foundation as a donation for a Building Fund and according to the Board of Management Decision No. 191, that amount had been utilized for the payment of advances for building rent. Similarly, a motor vehicle received as a donation in the year 2001 had been sold for Rs. 766,777 and the proceeds had been deposited in a savings account. Subsequently, a Building Fund of Rs. 2,900,000 and a Motor Vehicle Fund of Rs. 200,000 had been created in the year 2007 by utilising that money and the interest thereon and money of Institute. Those funds had been invested in fixed deposits in the year 2007 without the concurrence of the Minister of Finance and the approval of the appropriate Minister. Therefore, it was observed that, even though the Institute had utilized the Building Fund for the payment of building rent in the year 2001, it had created the Building Fund again by utilizing the General Reserve.

3:2:6 *Budgetary Control*

Significant variances were observed between the budgeted and the actual income and expenditure for the year under review, thus indicating that the budget had not been made use of as an effective instrument of management control.

4. *Systems and Controls*.- Deficiencies in sytems and controls observed during the course of audit were brought to the notice of the Director of the Institute from time to time. Special attention is needed in respect of the following areas of control.

- (a) Conduct of Courses
- (b) Motor Vehicles Utilisation
- (c) Stocks and Stores
- (d) Assets
