(viii) You should read carefully the instructions given at the head of the question paper, with regard to the compulsory questions and the manner in which the other questions should be selected. Disregard to these instructions is often liable to affect you adversely.

(ix) When Mathematics Questions are answered, give all details of calculations and any roughwork, in their serial order as part of the working of the problem. Necessary sketches, diagrams and figures should be accurate and sufficiently large. In an answer running into several pages if reference must be made to a diagram drawn in an earlier page, that diagram should be drawn repeatedly.

(x) At the end of each paper, arrange your answer sheets in the order you answered the questions. Then using the piece of twine supplied, tie them up at the top left hand corner. Do not tie up at the top right hand corner.

(xi) You should personally handover your answer script to the Supervisor or to an Invigilator. Or else remain in your seat till it is collected. Failure to do so may result in the loss of your script and your being treated as an absentee for the paper. On no account should your script be handed over to a peon or an attendant.

(xii) If it becomes necessary for you to speak to the Supervisor or an Invigilator, or if you need stationery, remain in your seat and raise your hand.

6.0 Procedure for Selection of Student Teachers for Year 2016

6.1 Basis of Selection:

- 6.1.1. The number of student teachers to be admitted to the Colleges has been decided by considering the teacher carder requirements based on the number of vacancies created through the retirement of teachers in the Year 2019, the existing number of vacancies at present in the school system and the necessity of making subject variations in the under-privileged areas and calculating the teacher requirement for

each subject and matching that number to the available facilities in 2016.

A higher percentage of student recruitment will be allocated for the courses of Primary Education, Science, Mathematics and English to the applicants from the under-privileged districts of Nuwara-eliya, Hambanthota, Jaffna, Kilinochchi, Mannar, Vavuniya, Mulaithivu, Batticaloa, Ampara, Trincomalee, Puttlam, Anuradhapura, Polonnuruwa, Badulla, Monaragala and Ratnapura (based on the number of student teachers selected for each course).

Although a large number of vacancies exists in the school system, the selection of student teachers to the National Colleges of Education will be made in accordance with the facilities available in each College.

6.1.1.1 Accordingly, the recruitment in 2016 will be made on two bases as mentioned below :

(If the number of applicants recruited for Sri Pada National College of Education is Fifty (50) or less for a particular course, the applicants with the highest qualifications and highest rank of Z-Score will be recruited from the Estate District. If the number of applicants recruited for Sri Pada National College of Education is more than fifty (50) for a particular course, 50% of the applicants will be selected on the basis of Secretarial Divisions in Estate districts and the remaining 50% will be selected on the Estate district basis).

6.1.2 The basis of selection except for Catholicism/ Christianity (Sinhala Medium) course and Physical Education course will be the order of the Z-score obtained at G.C.E. (A/L) Examination in 2014 as stipulated in 6.1.1.1 in this *Gazette* notification.

When the selections are made on the basis of Z-score, if one student should be selected out of several students who have obtained the same Z-score in the relevant Secretarial Division or District/two or more applicants have scored the same mark in accordance with the 4.11.2 or 4.11.3/ considering the Performance of Sports

Marks will be awarded as 04 marks for a Distinction pass, 03 marks for a Very Good pass, 02 marks for a Credit pass, and 01 mark for an Ordinary pass and the available number of vacancies will be filled based on the total marks obtained. The awarding of these marks will be limited only for eight (08) main subjects (as mentioned in 3.2). As mentioned in 4.11.2 or 4.11.3/ if marks of sports performance and G.C.E. 6.1.3 Applicants should reach a satisfactory level of performance at the Practical Test conducted for Physical Education, Dance (Oriental), Dance (Baratha), Music (Oriental), Music (Carnatic) and Western Music courses under the basis of recruitment stipulated in 6.1.1.1.

6.1.4.2 When the selections are made on district basis, if the required number of qualified applicants is not available, the provincial performance of the applicants will be considered.
