DEMOCRATIC SOCIALIST REPUBLIC OF SRI LANKA

Public Service Provident Fund

ANNUAL ACCOUNTS FOR THE YEAR 2006

2. Review of the Boards of Management

2.1 Objective

The objective and the purpose of the Fund, is to afford Provident Fund benefits to those Public Servants who are, not pensionable.

2.2 Functions

The main functions of the P. S. P. F. are,

- To recover and credit the Fund by an amount equivalent to 8% of the monthly salaries of those who are non-pensionable and are serving in the various departments of the Island and in the foreign missions abroad.
- To receive the contributions and to store, such contributions in a methodical manner.
- To process and maintain individual accounts of such contributors to enable the contributors to be notified of the amount lying to their credit at the end of each financial year, and refund the benefits at the end of contributor's service.
- To invest the excess money of the Fund in "Government securities" to enable the contributors to secure a higher interest and appropriate such interest, at the end of every financial year.

2.3 Performance Appraisal :

(a) Financial Results

The amount received as Compulsory contribution and Government Bonus during the year under review was Rs. 451,163,080 and Rs. 247,236,162 respectively, while the contributions received during the year 2005 was Rs. 496,376,529 and Rs. 251,182,617 respectively. The total income from investment of the Fund after tax was Rs. 1,055,849,281 as compared with Rs. 964,208,783 last year. After providing for administrative expenses of the fund amounting to Rs. 6,543,632, a sum of Rs. 1,049,305,649 was available for appropriation as interest to the contributors. The percentage of interest thus available was 8.04% as compared with the percentage of interest of 9.00% during the previous year. However, the percentage of interest rounded up to the nearest quarter being 8.04% amounting to Rs. 1,048,661,014 was appropriated and the balance amounting to Rs. 644,635 was transferred to the General reserve.

K. A. THILAKARATNE,
Director General of Pensions,
Chairman, Board of Management,
Public Service Provident Fund
09 April, 2007.

The Director General of Pensions,

Report of the Auditor General on the Financial Statements of the Public Service Provident Fund for the Year ended 31 December, 2006

THE audit of financial statements of the Public Service Provident Fund for the year ended 31 December, 2006 was carried out under my direction in pursuance of provisions in Article 154 (3) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 24 (1) of the Public Service Provident Fund Ordinance (Cap. 621).

1.2 Scope of Audit

Audit opinion, comments and findings in this report are based on a review of the financial statements presented to audit and substantive tests of samples of transactions. The scope and the extent of such view and tests were such as to enable as wide an audit coverage as possible within the limitations of staff, other resources and time available to me. The audit was carried out in accordance with Sri Lanka Auditing Standards, methods and practices to obtain reasonable assurance as to whether the financial statements are free of material misstatements, evaluation of their overall presentation and determining whether accounting policies adopted were appropriate, consistently applied and adequately disclosed.

2. Financial Statements

2.1 Opinion

So far as appears from my examination, and to the best of my information, and according to the explanations given to me, I am of opinion, that the Public Service Provident Fund had maintained proper books of account for the year ended 31st December, 2006 and except for the effects on the financial statements of the matters referred to in paragraph 2.2 of this report, the financial statements which are in agreement with the said books have been prepared and presented in accordance with Generally Accepted Accounting Principle and the stated accounting policies as set out in Notes (No. 01 to 08) to the financial statements give a true and fair view of the financial position of the Public Service Provident Fund as at 31st December, 2006 and the financial results of its operation and cash flows for the year then ended.

2.2 Comments on Financial Statements

2.2.1 Accounting Deficiencies

The total of erroneous debits and erroneous credits as at the end of the year under review amounted to Rs. 3,985,942 and Rs. 85,479 respectively and the net debit balance amounting to Rs. 3,900,463 resulting from the setting off those against each other had been shown under the current assets in the balance sheet. Those erroneous debit and credit balances included debit balances of Rs. 2,703,686 and credit balances of Rs. 85,133 which had remained over periods exceeding 5 years. Out of those erroneous debit balances, Rs. 1,591,724 related to the Ministry of Education and Higher Education and Rs. 1,114,259 related to the Police Department. Out of the erroneous credit balances, Rs. 25,000 related to the Department of Local Government while Rs. 22,444 related to the Department of Attorney General.

2.2.2 Non-compliance with Laws, Rules and Regulations

Even though the Treasury Circular No. IAI/2002-02 of 28 November, 2002 requires the maintenance of a separate Register of Fixed Assets for computers, accessories and software for recording all transactions from the purchase of computers up to the disposal, such register in respect of the computers, accessories and software of the Fund had not been maintained.

2.2.3 Irregular Refund of Contributions

Refunds of contributions had been made on the basis of certified adhoc statements of recoveries furnished from time to time in instances where detailed Registers of Abatements had not been furnished to the Fund. Such payments made in 08 instances detected at a test check relating to the year under review amounted to Rs. 119,451 and it was not possible to be satisfied in audit with regard to their correctness.

3. Financial and Operating Review

3.1 Financial Results

According to the financial statements presented, the financial results for the year under review before making appropriation to the contributors amounted to a surplus of Rs. 1,049,305,649 as compared with the surplus of Rs. 987,918,895 for the preceeding year, thus indicating an increase of Rs. 61,386,754 in the financial result.

3.2 Percentage of Interest provided to Contributors

An analysis of interest percentage provided by the Fund to the contributors during the year under review and the 10 preceeding years is given below. :

Year	1996	1997	1998	1999	2000	2001	2002	2003	2004	2005	2006
Interest Percentage (%)	14	13.25	12.5	12	11.75	11.25	10.75	10.5	10.25	9	8.04

According to the above analysis, a gradual decrease in the interest percentage provided by the Fund to the contributors is indicated and a comparison of the years 1996 and 2006 revealed that the interest percentage for the year 2006 as compared with the year 1996 had decreased by 42.57 per cent. The Director General of Pensions reported to me that it was due to the decrease of new investment opportunities resulting from the crediting of 8 per cent compulsory contributions of Government Departments through the Monthly Summaries of Accounts instead of by cash and the non-receipt the Government contribution of 12 per cent from the Treasury.

3.3 Trends in the Enhancement of the Number of Contributors and Investments

A trend analysis of the enhancement of the number of contributors and the investments during the 05 years ended 31 December, 2006 based on the values as at 31 December, of each of those years is given below. :

	2002	2003	2004	2005	2006
	%	%	%	%	%
Enhancement in the Number of Contributors	0	0	4.22	14.42	5.08
Enhancement in the Investments of the Fund	14.03	32.79	19.54	10.64	9.25

Even though there was no enhancement in the number of contributors in the years 2002 and 2003, there was an increase in the enhancement of investments. Even though the number of contributors had enhanced from the year 2004, the enhancement of the investments of the Fund had decreased gradually. The Director General of Pensions reported to me that the position was due to the decrease in additional investments resulting from the crediting of contributions of Government Departments with a large number of members through the Monthly Summaries of Accounts and the non-receipt of the government contributions.

3.4 Performance :

The following observations are made :

(a) The expected targets according to the Action Plan for the year 2006 and the actual position are given below :

Activity	Expected Target	As at 31 December, 2006	
		Financial Progress	Physical Progress
(i) Registration of Members	10,000	-	100%
(ii) Collection of Contributions (Rs. Millions)	852	75%	75%
(iii) Investment of Surplus Money (Rs. Millions)	2,000	51%	-
(iv) Payment of Benefits to Contributors (Rs. Millions)	100	50%	50%

(b) According to paragraph 04 of Circular No. 1/97 dated 31 July, 1997 of the Director General of Pensions, an advice on the money credited to the Fund in each months should be furnished by the respective institutions to the Secretary to the Fund before 15th of the month following. Nevertheless, only 04 institutions had furnished such advices in the year 2006. The progress of the action taken by the institution to obtain such advices had not reached the expected level.

3.5 *Notification of Balances in Members' Accounts to Contributors*

In terms of Section 25 of the Public Service Provident Fund Ordinance, the Director of Pensions should, at the end of each year, notify the balances in the members' accounts as at 31 December, to the contributors. Even though the total membership of the Fund stood at 208,012 as at 31 December, 2006 I was informed that the balances as at 31 October, 2006 relating to 35,000 Reserve Police Officers only had been prepared. Action had not been taken over a number of years to notify the year end balances to the members due to the non-receipt of Registers of Abatement and the non-maintenance of up to date individual accounts for each contributor. The Members' Registers had not been updated to facilitate the identification of the active and dormant members separately.

3.6 *The Excess of the Government Contribution*

In terms of provisions in the Public Service Provident Fund Ordinance, a sum equal to 1.5 times the compulsory contribution should be credited to the Fund by the Government as the Government contribution. Even though a sum of Rs. 8,958,069,154 equivalent to 1.5 times the balance of Rs. 5,972,046,103 in the compulsory contributions as at 31 December, 2006 should be with the Government Contribution Account, the actual balance therein amounted to Rs. 8,965,113,834 indicating an excess of Rs. 7,044,680 in the Government contribution. The Public Service Provident Fund Ordinance does not contain provisions for action to be taken on the occurrence and maintenance of such excess. The Director General of Pensions informed me that the Management Council has the power to decide on matters not provided for in the Ordinance.

4. **Systems and Controls**

Special attention is needed in respect of the following areas of control :

- (a) Obtaining Registers of Abatement
- (b) Collection of Contributions
- (c) Proper Maintenance of Books including the Cash Book.

P. A. PEMATILAKA,
Auditor General.

Observations of the PSPF Management Board on the Report of the Auditor General concerning Accounts of the Public Service Provident Fund for the Year ending 31.12.2006

2.2 *Comments on Financial Statements*

2.2.1 *Accounting Deficiencies*

Despite frequent written notices and telephonic conversations the relevant Departments and Ministries which yet not have settled the erroneous credits and debits balances for exceeded past 5 years are not taken action to settle the same. Therefore no action has been taken up to date to overcome this matter. Accordingly it has been unable to correct above complex situation.

2.2.2 *Non-compliance with Laws, Rules and Regulations*

As a separate Register of Fixed Assets has not being maintained for computers, accessories and software, steps will be taken to setting a separate Register thereon.

2.2.3 *Refund of Contributions*

All payments are being made based on Abatement Register. As the Abatement Register for year 2007 is received on year 2008, refunds of year 2007 will be made based on a certified revenue report if contributions have been recovered.

Considering the inconveniences of contributors, the Board of Management of the Fund having met on 24.08.2005 and decided to grant approval to Secretary and Accountant of the fund to exercise the authority to make payment based on certified revenue reports certified by the relevant institution which not submitted the Abatement Register for the years before 10 to 15.

3. Financial and Operating Review

3.2 *Percentage of Interest provided to Contributors*

The interest percentage appropriated in year 2006 has been lessened comparing the year 1996 as a result of enhancement in receipt of contributions than the receipt of investment revenue from year 1996 to 2006. Reason for that is the investments of the fund remained primarily on the re-investment and after realization of invested amounts which invested in higher interest rate in past years had to re-invest in low percentage rate. Though the recovery of general contributions have been developed, the amount of 8% debited by the departments in central government are debited by account summary flow of currency has not occurred. Further the Treasury has abstained from providing the share of 12% for the last year. Under these circumstances no opportunity being received to have new investment but only to re-invest. Therefore slight increase in interest rate and vast increase in contribution amounts has been caused to divide the slight increase between large parties which pave the way to decrease the appropriated interest rate in year 2006 with compare to year 1996.

3.3 *Trend in the Enhancement of the Number of Members and Investments*

The reason to not climb of the investment though a development could be observed in number of members is not receipt of additional money to make investment. On the ground of not receipt of 12% amount from the Treasury for years 2005 and 2006 comparing to year 2004 and not receipt of money to the fund truthfully from the Government Departments and Ministries which the large number of Members of the fund are served as those institutions have been sent contributions through account summaries. Under these circumstances the fund depends on re-investments. Accordingly it is kindly informed that there would be no increase in investments parallel to the rise in number of members. To overcome this issue there should be method to credit total contributions in cash. If that is possible there will be competence to improve investments.

3.4 *Performance*

(A) Observation for the actual position and Action Plan for the year 2006 has been set out below :

- (a) Number of new members for registration was expected as 10,000 which increased up to 10,683 at the date of 31.12.2006.
- (b) Predicted recovery amount was Rs. 852 million though actual recovery was Rs. 698. Reason for that was not receipt of (12%) of Government bonus of that is Rs. 250. However 75% has been recovered.
- (c) Though we have expected additional Rs. 2,000 million of investment, the total actual invest is Rs. 3,064. Most of the amount of that was based on re-investments. As mentioned in above I and II not receipt of allocations from the contributions in year 2006, there was a shortfall in additional investments. Reasons for that was crediting amount of 8% by account summaries and not receipt of 12% Government portion.
- (d) 50% of total applications received for claim benefits were able to paid-up. Reason for that were most applications received to make awards to appointees in contributory pensions scheme in year 2006 was paused without making payment till instructions were delivered having abolished the act. Therefore we were unable to make prompt payments to all claimers' applications to awards.

(B) By Circular 1/97 and further by Circular 14/2006 dated 30.10.2006 all Departments and Ministries were informed to send debit notices which do not send by those institutions. Disregarding the instructions those institutions follow the method of submitting along with cheques or a list with other means. The view which stated that productive measures have not been taken is unacceptable. Accordingly it is informed that the productive steps which this fund implements could not being achieved due to incorporate actions of relevant institutions.

3.5 *Notification of the Balances in Member's Accounts to the Contributors*

For the time being the balances of the Members' Accounts up to year 1999 is forwarded. As new computer program is preparing presently action will be taken to inform balances of the accounts of members after having inserted data of members. Agree with the observations.

3.6 *The Excess of the Government Contribution :*

Public Service Provident Fund controlled by the Act and Management Board established by the act. Therefore all provisions of the act were not included and various decisions are taken by the Management Board when necessary.

On some occasions the interest has been utilized for appropriations. The reason for this surcharge was unavailability of members to claim to draw money from the fund and members' attempts claim for money after a long time of the abolition of membership.

Therefore this surplus has been occurred as the benefits receive on a result of investments were credited to relevant accounts. Further, when the Treasury does not allocate money for the Government bonus, 1.5 per-cent of the compulsory contributions are transferred to the Government bonus account.

Director General of Pensions,
