### S W R D BANDARANAIKE NATIONAL MEMORIAL FOUNDATION

#### Financial Statements for the year ended 31st December, 2019

#### INDEPENDENT AUDITOR'S REPORT TO THE BOARD OF MANAGEMENT OF S W R D BANDARANAIKE NATIONAL MEMORIAL FOUNDATION

#### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of S W R D Bandaranaike National Memorial Foundation ("the Foundation"), which comprise the statement of financial position as at 31 December 2019, and the statement of income and expenditure, statement of changes in funds, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Foundation as at 31 December 2019, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-sized Entities (SLFRS for SMEs).

#### Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

The Board of Management is responsible for the other information. These financial statements do not comprise other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Board of Management is responsible for the preparation of financial statements that give a true and fair view in accordance with SLFRS for SMEs, and for such internal control as Board of Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at Sri Lanka Accounting and Auditing Standards website at: <http://slaasc.com/auditing/auditorsresponsibility.php>. This description forms part of our auditor's report.

## S W R D Bandaranaike National Memorial Foundation Notes to the Financial Statements

*For the year ended 31 December 2019*

### 1. Accounting policies

#### 1.1 Reporting entity

S W R D Bandaranaike National Memorial Foundation (“the Foundation”) is established under S W R D Bandaranaike Foundation Law No. 2 of 1975 of the National State Assembly. The registered office and principal place of operation is situated at Bauddhaloka Mawatha, Colombo 07.

#### Principle activities and nature of operations

#### S W R D Bandaranaike National Memorial Foundation

Principle activities of the Foundation are to promote international peace, understanding and co-operation and to promote the study and discussion of international problems in the economic, political, educational, cultural and social fields and the dissemination of knowledge on international affairs and renting out premises for offices and hiring of the halls for public use.

#### Bandaranaike Center for International Studies

Principle activities of the Centre are to encourage and promote the studies of research into all aspect of international relations, international peace law and diplomacy.

#### 1.2 Basis of preparation

##### (a) Statement of compliance

The financial statements of the Foundation comprise the statement of financial position as at 31 December 2019, statement of income and expenditure, statement of changes in funds, statement of cash flows and notes to the financial statements.

### **Basis of measurement**

The financial statements have been prepared on the historical cost basis. No adjustments have been made for inflationary factors in the financial statements.

**(b) Functional and presentation currency**

These financial statements are presented in Sri Lankan Rupees (LKR), which is the Foundation's functional currency.

**(c) Use of estimates and judgements**

The preparation of financial statements in conformity with SLFRS for SMEs requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgment about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only the financial year or in the period of the revision and future periods if the revision affects both current and future financial years.

### **1.3 Significant accounting policies**

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

**(a) Foreign currency transactions**

Transactions in foreign currencies are translated to rupees at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated to rupees at the foreign exchange rate ruling at the reporting date. Foreign exchange differences arising on translation are recognized in the statement of income and expenditure.

**(b) Property, plant and equipment**

**(i) Recognition and measurement**

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset and bringing the assets to its working condition.

Gains/losses on disposal of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised net within "other income" in the statement of income and expenditure.

**(ii) Depreciation**

Depreciation is recognized in the statement of income and expenditure on a straight-line method for S W R D Bandaranaike National Memorial Foundation and CHOGM fund over the estimated useful lives of the asset.

The depreciation rate of assets for the current and comparative periods are as follows:

### S W R D Bandaranaike National Memorial Foundation

	<u>Depreciation rate</u>
Building	2%
Library books	20%
Plant and machinery	10%
Motor vehicle	25%
Furniture and fitting	20%
Conference system	12.5%
Other equipment	20%
Carpet and curtain	33.3%
Crockery and cutlery	20%
Electrical equipment	20%
Linen	12.5%
Container	10%
Roads	10%
Stalls	10%

### CHOGM 2013 Fund Assets

	<u>Depreciation rate</u>
Hybrid building	3%
SBMEC hall building	2%
PVC covers	50%
Motor vehicle	25%
Furniture and fitting	20%

#### (c) Intangible asset

Computer software licenses are capitalized on the basis of the cost incurred to acquire and bring to use specific software. These costs are amortized over their estimated useful life of eight years on reducing balance method.

#### (d) Leased assets

Property, plant and equipment on finance leases, (which effectively transfer to the Foundation substantially the entire risks and benefits incidental to ownership of the leased items) are capitalized at their cash price and depreciated/amortized over the period the Foundation is expected to benefit from the use of the leased assets. The corresponding principal amount payable to the lessor is shown as a liability.

The interest element of the rental obligation applicable to each financial year is charged to the statement of income and expenditure over the period of the lease so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

#### (e) Inventories

Inventories are valued at the cost. The cost of inventories is based on the first in first out principle, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their existing location and condition.

#### (f) Investments

Short term investments in treasury bills and fixed deposits are valued at amortized cost.

**(g) Trade and other receivables**

Other receivables are carried at anticipated realizable value. An estimate is made for bad and doubtful receivables based on a review of all outstanding amounts at the year end.

**(h) Cash and cash equivalents**

Cash and cash equivalents comprise cash in hand, deposits held at call with bank.

For the purpose of the statement of cash flows, cash and cash equivalents comprise cash in hand, deposits held at call with bank, and net of bank overdrafts. In the statement of financial position, bank overdrafts are included in current liabilities.

**Statement of cash flows**

Statement of cash flows has been prepared using the indirect method.

**(i) Impairment**

The carrying amounts of the Foundation's non-financial assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in statement of income and expenditure.

**(j) Liabilities and provisions**

Liabilities are recognized in the statement of financial position when there is a present obligation as a result of past events, the settlement of which is expected to result in an outflow of resources embodying economic benefits. Obligations payable at the demand of the creditors or within one year of the reporting date are treated as current liabilities in the statement of financial position. Liabilities payable after one year from the reporting date are treated as non-current liabilities in the statement of financial position.

A provision is recognized if, as a result of a past event, the Foundation has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

**(k) Specifics funds**

Where funds are received for use in an identified activity, such funds are held in a specific fund account and transferred to the Statement of income and expenditure to match with expenses incurred in respect of that identified activity. Unutilized funds are held in their respective fund accounts and included in the Statement of financial position until such time as they are required.

**(l) Taxation**

**Income taxation**

The Foundation is exempt from income tax under the Inland Revenue act No: 24 of 2017.

**(m) Employee benefits**

**i. Defined benefit plan**

The Foundation's obligation in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is measured annually using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future benefit that employee have earned in return for their services in the current and prior period.

Gains and losses arising from changes in the assumptions, current service cost and interest are recognized in the statement of income and expenditure in the period in which they arise.

Provision is made for retirement gratuity for all employees in respect of gratuity payable under the Payment of Gratuity Act No.12 of 1983. The provision is not invested in a fund outside the Foundation. The provision is not externally funded, nor has it been valued by an actuary. This item is grouped under noncurrent liabilities in the statement of financial position.

**ii. Defined contribution plan.**

Obligations to defined contribution plans are recognized as an expense in the income statement as incurred. The Foundation contributes 12% and 3% of gross emoluments of employees as Provident Fund and Trust Fund contribution respectively.

**(n) Revenue**

**Revenue recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Foundation and the revenue and associated cost incurred or to be incurred can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, net of trade discounts and turnover taxes.

**(o) Expenses**

All expenditure incurred in the operations of the Foundation and in maintaining the capital assets in a state of efficiency have been charged in arriving at the Foundation's surplus for the year.

**(p) Finance expense**

Finance expenses comprise interest expense on borrowings, bank charges and debit tax. All borrowing cost are recognised in statement of income and expenditure.

**(q) Comparative information**

Where necessary, comparative figures have been rearranged to confirm with the current year's presentation.

**(r) Events occurring after the reporting date**

All material post reporting events have been considered and where appropriate adjustments or disclosures have been made in respective notes to the financial statements.

**(s) Commitments and contingencies**

Contingencies are possible assets or obligations that arise from a past event and would be confirmed only on the occurrence or non-occurrence of uncertain future events, which are beyond the Foundation's control.

Commitments and contingent liabilities are disclosed in Note 21 to the financial statements.
