BY-LAW ON CONTROLLING, REGULARIZING, SUPERVISING AND LEVYING CHARGES FROM FUNERAL SERVICE CENTERS

1. This by-law is cited as "the by-law on control, regularize, supervise and levying charges from funeral service supply centers within the area of the authority of the Pradeshiya Sabha relevant."
2. (a) Unless a valid license signed by the Chairman of the Pradeshiya Sabha relevant has been obtained by forwarding an application substantially prepared in accordance with the specimen set out in the First Schedule hereto issued by the Pradeshiya Sabha no person shall maintain a Funeral Service Supply Center within the area of authority of the Pradeshiya Sabha.

 (b) Every license issued under the provisions of this Section shall be valid up to 31 st December of the year unless it is cancelled earlier under the provisions of this Section and such license shall not be authorized to anybody.
3. The Pradeshiya Sabha shall levy a fee decided from time to time by the Pradeshiya Sabha in respect of a license issued for a Funeral Service Supply Center maintained within the area of authority of Pradeshiya Sabha and such amount of fee shall be published in the *Gazette* Paper.
4. In the case of neglecting or violation of an order or orders set out in this by laws, it shall be lawful for the chairman to cancel the license issued for the maintenance of the said funeral service center upon the decision of the General Council.
5. There shall be a separate room for preparing dead bodies in the building where a funeral service center is maintained and the room shall have at least space not below eighty square feet to prepare one dead body. Moreover, a concrete slab sufficient for the use of such task shall be made available and it shall be tiled and finished well.
6. (a) Certificate of Clearance issued by the Provincial Environment Authority before the establishment of the Funeral Service Center should be obtained and Annual Environment Protection License should be obtained for the maintenance of Funeral Service Centers.

 (b) Funeral Service Centers already underway should obtain Environment Protection License from the ensuing year after adopting this by law.
7. The windows allowing fresh air to a degree not less than one seventh of the area of the particular room where the dead bodies are prepared shall be made available and the work connected to it shall not be opened to be seen by any outsider. Moreover, the windows shall not be directly opened to the occupants or office premises where the Funeral Service Center is located.
8. Sufficient receptacles to temporarily dump parts of the dead body removed in the process of preparing them shall be made available, and non-translucent and non-transparent receptacles that could be securely closed so as to prevent the entry of flies, rats or other animals and receptacles shall also be provided to collect blood flowing out of the dead body while it is being prepared or other-fluids or waste water generated in the event of the body being washed.
9. If an order has not been issued by a Magistrate or an Inquirer into Sudden Deaths in respect of a dead body, parts of the body removed in the process of preparation shall be securely interred in a pit of four feet depth from the ground level before the lapse of six hours after the completion of preparatory activities. If such order has been given the owner of the Funeral Service Center Shall act in accordance with such order.

10. When there is no sufficient space at the Funeral Service Centre to carry out the activities mentioned in the Section 9 action shall be taken to securely inter the body parts at the aforesaid depth at the public cemetery of the Pradeshiya Sabha on payment of a fee decided by the Pradeshiya Sabha from time to time.
11. The room where the dead bodies are prepared shall always be located separate from the ex-position hall or halls of the Funeral Service Centre and action shall be taken to prevent outsiders other than an employee entering without permission.
12. The room where the dead bodies are prepared shall be maintained cleanly always having applied disinfectants, Moreover, sufficient first aid materials and other instruments for hygiene and sanitation shall be made available for the use of the staff when necessary.
