1.1.3 Basis of preparation

(a) Statement of Compliance

The Financial Statements comprise the statements of financial position, statement of financial performance, statement of changes in equity, statement of cash flows and notes to the financial statements.

The Financial Statements of the Sabaragamuwa University of Sri Lanka are prepared in conformity with Sri Lanka Public Sector Accounting Standards for the accrual basis of accounts. All accounting policies adopted by the University are applied consistently with those of the previous year, where necessary comparative figures have been adjusted to conform to the changes, in presentation of current year figures.

(b) Basis of measurement

The Financial Statements of the Sabaragamuwa University of Sri Lanka are prepared under the Historical Cost convention and do not take into account of changes in money values, except where it is stated.

(c) Functional and presentation currency

The Financial Statements are presented in Sri Lankan Rupees, which is the University's functional and presentation currency.

(d) Going concern

The Financial Statements have been prepared on a going concern basis.

1.2 Assets and the basis of valuation

1.2.1 Property, Plant & Equipment

Lands, Buildings, Water Treatment plant, Road Network, Laboratory and Teaching Equipment, Fixtures & Fittings, Library Books and Periodicals, Motor Vehicles, Computer & Computer accessories, Cloaks and Other

Assets include the items acquired out of Government grant, research grants, internally generated funds, and donations.

a) Basis of Recognition and Measurement

Property, Plant and Equipment are recognized if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be reliably measured. Properties, plant and equipment are recorded at cost less accumulated depreciation. The cost of property, plant and equipment is the cost of purchase or construction together with any incidental expenses thereon.

b) Cost

The cost of property, plant and equipment comprises its purchase or construction cost and any directly attributable cost of bringing the assets working condition for its intended use.

c) Subsequent expenditure on existing Fixed Assets

Expenditure incurred on tangible fixed assets is charged to the Statement of Financial Performance in the period it is incurred, unless it meets one of the following criteria, in which case it is capitalized and depreciates on the relevant basis:

- Market value of fixed assets has subsequently increased,
- Asset capacity increase,
- Sustainable improvement in the quality of output or reduction in operating cost,
- Significant extension of the asset life beyond that confirmed by repair and maintenance.

d) Depreciation

Depreciation is recognized in the Statement of Financial Performance on a Straight – Line Method over the estimated useful life of Property, Plant and Equipment items from the date that they were made available for use. Lands are not depreciated. The estimated useful life periods are as follows.

<i>Description</i>	<i>Estimated useful life period</i>
Buildings	20 years
Water Treatment plant	20 years
Road Network	20 years
Office and Teaching Equipment	5 years
Computer & computer accessories	5 years
Library Books and Periodicals	5 years
Communication Equipment	5 years
Motor Vehicles	5 years
Cloaks	5 years
Other Equipment	5 years

Depreciation is provided in full in the year of purchase and no depreciation is charged in the year of disposal. This method of depreciation is adopted in using the rates in the UGC circular 649 from the financial year 2006 and hope to continue in future.

Also this method of calculation of depreciation was approved by our Council at its 117th meeting held on 20.01.2007.

During the year 2020, following long term construction projects are completed and handed over to the University. These assets are included in Buildings as capital assets and above depreciation policy applies from 2020.

i. Installation & commissioning internet Facilities to the Mungastanna	Rs.1,028,883.06
ii. Refurbishment of FGS	Rs.1,755,568.99
iii. Construction of rooftop-MGT & roof Terrace-FSSL	Rs.4,660,649.01

In 2020, cloak has been disposed with the consideration of Rs.6,250. The net book values of these assets are as follows:

<i>Cost</i>	<i>Depreciation</i>	<i>NBV</i>
Rs. 6,250	1,250	5,000

Disposal gain of Rs.1,250 charged to the statement of financial performances in 2020.

e) Capital Works in Progress

Capital work-in-progress is stated at cost. These are expenses of a capital nature directly incurred in the construction of property, plant and equipment awaiting capitalization. Capital work-in-progress would be transferred to the relevant asset category in property, plant and equipment, when it is available for use *i.e.*, when it is in the location and condition necessary for it to be capable of operating in the manner intended by the university.

1.2.2 Intangible Assets

An Intangible asset is recognized only when its cost can be measured reliably and it is probable that the expected future economic benefits attributable that will flow to the University.

Intangible assets acquired are measured on initial recognition at cost. Intangible assets are carried at cost less any accumulated amortization and any accumulated impairment losses. Subsequent expenditure is capitalized only when it increase the future economic benefits embodied in the assets. All other expenditure is expensed as incurred.

All intangible assets are considered to have a finite useful life and amortized using straight line method to write down the cost of intangible asset to their residual values over their estimated useful lives as follows.

- Computer software is amortised over a period of 5 years on straight-line basis.
- Cost of development of new curriculum is amortised over a period of 5 years on Straight-line basis from the effective date of the new curriculum.
- Patent is amortised over a period of 5 years on straight line basis.

Intangible assets represent the software purchased under the HETC grant on their written down value and software purchased by the entity.

1.2.3 Curriculum Revision

The university revises the curriculum for all degree programs in every five years and amendments are not making within that period. Hence, the expenditure incurred on capital funds are amortize over the five years period on the basis that the economic benefits would flow to the university during the effective period of the new syllabus. Since the faculty of Management Studies and Faculty of Geomatics have implemented the revised curriculum w.e.f. 2015, the expenditure incurred on that are amortizes w.e.f. 2015. Also since the Faculty of Agricultural Sciences and the Faculty of Applied Sciences have implemented the revised curriculum w.e.f. 2016, the expenditure incurred on that are amortizes w.e.f. 2016.

Further the university amortized the expenditure incurred for Faculty of Technology from 2019. In 2019 expenses incurred for the curriculum revision of Faculty of Management Studies, Faculty of Social Sciences and Languages and Center for Open Distance and Learning shows under work in progress. In 2020, due to the COVID 19 pandemic situation curriculum revision has not been implemented. Therefore these expenses will be amortized after implementing the new curriculum revision. However due to the implementation of Curriculum revision of Center for Open Learning, expenses have been amortized from 2020.

1.2.4 Knowledge Enhancement

The expenditure incurred to enhance the knowledge of the employees is treated as capital expenditure and amortize over 5 year period.

1.2.5 Primary Establishment cost

Faculty of medicine was established in a building which is received from the Auditors General's Department and Faculty of Technology was established at university premises in the prevailing buildings. Cost incurred for the renovation and converting of these buildings to establishment of these faculties is treated as capital expenditures and amortize over 5 year period from 2019 financial year. Further consultancy service which is received after establishing the Faculty of Medicine is considered as capital expenses and amortized in incurred year.

1.2.6 Livestock

Livestock are revalue end of each financial year and revaluation surplus is add to the revaluation surplus account. If there is a deficit, deficit is adjusted to opening balance of the surplus account and different is charged to the statement of financial performance. In current year revaluation surplus is Rs.1,512,155.

1.2.7 Inventories

Inventories are stated at the lower of cost and net realizable value. In general, cost is determined on a first in first out basis and includes expenditure incurred in acquiring the inventories and bringing them to their existing condition and location. Inventories include all materials and supplies related to provision of services to the entity.

1.2.8 Receivables

Receivables are stated at the amounts they are estimated to realize.

1.2.9 University Research Grant

As per the SLPSAS 20, no intangible asset arising from research phase of an internal project shall be recognized. Expenditure on research phase activities shall be recognized as an expense when it is incurred. An intangible assets arising from development phase of an internal project shall be recognized if an only if the entity can demonstrate the recognition criteria. This Standard is adopted in current financial year with retrospectively and hope to continue in future.

The university has allocated funds to enhance research and development activities under the annual capital budget. The total amount spent for the research phase activities are shown as an expense in statement of financial performance. The aggregate amount of research expenditure recognized as expenditure during the year of 2020 is Rs.2,630,161.

1.2.10 Cash & cash equivalents

Cash & cash equivalents comprise cash balances at banks and short term deposits (3 month Fixed Deposits).

1.3 *Liabilities & Provisions*

All known liabilities as at the balance sheet date are included in the financial statements and adequate provisions are made for liabilities which are known to exist but the amount of which cannot be determined accurately.

Obligations payable on demand or within one year of the balance sheet date are treated as current liabilities in the balance sheet. Liabilities payable after one year from the balance sheet date are treated as noncurrent liabilities in the balance sheet.

1.3.1 *Employee Benefits*

(a) **Defined Benefit Plans**

Defined benefit plans estimate the amount of benefit that an employee will receive on retirement.

Provision for retiring Gratuity

The university has adopted the benefit plan as required under the payment of Gratuity Act, No. 12 of 1983 for all eligible employees.

Defined benefit plans define an amount of benefit that an employee will receive on retirement usually dependent on one or more factors such as age, years of service and compensation. In order to meet this liability, a provision carried forward as at the reporting date, amount calculated based on an internal management assessment. Accordingly liability recognizes for the employees who have completed 5 years of service in the university system as at the reporting date. The resulting difference between brought forward provision as at the beginning of the period net of any payments made, and the carried forward provision at the end of the period is dealt with in the statement of profit and loss.

The gratuity liability are not externally funded nor actuarially valued.

As per the Commission Circular No. 05/2019 issued by the University Grants Commission in 2019, Gratuity payment to be made to the employees with considering Academic Allowance and Monthly Compensations Allowance (MCA) with effect from 2019.

(b) **Defined Contribution Plans**

A defined contribution plan is a post-employment plan under which an entity pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay a further amount. Obligations for contributions to defined contribution plans are recognized as an expense in the statement of comprehensive income as and when they are due.

University Provident Fund (UPF), Employee Provident Fund and University Pension Fund

Permanent employees and the University monthly contribute 10% and 15% on the salary (Basic Salary + Cost of Living Allowance + Academic Allowance and Monthly Compensations Allowance) of each permanent employee to the University Provident Fund in line with the respective statues and legislation in Sri Lanka and University Act. From that 15% the University Contributes 8% to University Pension Fund and 7% to University Provident Fund for the employees who are the members of the University Pension Fund. For other permanent employees total 15% contribute to the University Provident Fund.

From the year 2000 Contribution for the University Pension Fund is compulsory for the all newly appointed employees.

The University and temporary employees monthly contribute 12% and 8% to the Employees' Provident Fund.

Employees' Trust Fund (ETF)

The university contributes 3% monthly on the basic salary and the allowances considered to contribute to University Provident Fund of each employee to the Employees' Trust Fund.

1.3.2 Accounting for Grants

Grants that compensate the University for Expenses incurred are recognized as revenue in the income statement in the same period in which the expenses are recognized. Grants that compensate the University for the Cost of an asset are recognized in the income statement on a systematic basis over the useful life of the related asset.

As per Sri Lanka Accounting standard 20 the university adopted income approach accounting principal when identifying capital grants and donations w.e.f. 01.01.2014 and hope to continue in future.

The university has received new capital grants of Rs.31 Million from the Ministry of Higher Educations for the Faculty of Medicine in the year 2020.
