S W R D BANDARANAIKE NATIONAL MEMORIAL FOUNDATION

Financial Statements for the year ended 31st December, 2016

INDEPENDENT AUDITORS' REPORT

TO THE BOARD OF MANAGEMENT OF S W R D BANDARANAIKE NATIONAL MEMORIAL FOUNDATION

Report on the financial statements

We have audited the accompanying financial statements of the S W R D Bandaranaike National Memorial Foundation ("the Foundation"), which comprise the statement of financial position as at 31 December 2016, and the statements of income and expenditure, changes in funds and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

The Board of management ("the Board") is responsible for the preparation of these financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standard for Small and Medium-sized Entities ("SLFRS for SMEs"), and for such internal control as the Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Sri Lanka Auditing Standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of accounting estimates made by Board, as well as evaluating the overall financial statement presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Foundation as at 31 December 2016, and of its financial performance and its cash flows for the period then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-sized Entities ("SLFRS for SMEs").

Actual results may differ from these estimates.

S W R D BANDARANAIKE NATIONAL MEMORIAL FOUNDATION NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st December, 2016

1.3 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

Foreign exchange differences arising on translation are recognized in the statement of income and expenditure.

(b) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset and bringing the assets to its working condition.

(d) Leased assets

Property, plant and equipment on finance leases, (which effectively transfer to the Foundation substantially the entire risks and benefits incidental to ownership of the leased items) are capitalized at their cash price and depreciated/ amortized over the period the Foundation is expected to benefit from the use of the leased assets. The corresponding principal amount payable to the lessor is shown as a liability.

The interest element of the rental obligation applicable to each financial year is charged to the statement of income and expenditure over the period of the lease so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

(e) Inventories

Inventories are valued at the cost. The cost of inventories is based on the first in first out principle, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their existing location and condition.

(f) Investments

(i) Impairment

The carrying amounts of the Foundation's non-financial assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in statement of income and expenditure.

(j) Liabilities and provisions

Liabilities are recognized in the statement of financial position when there is a present obligation as a result of past events, the settlement of which is expected to result in an outflow of resources embodying economic benefits. Obligations payable at the demand of the creditors or within one year of the reporting date are treated as current liabilities in the statement of financial position. Liabilities payable after one year from the reporting date are treated as non-current liabilities in the statement of financial position.

A provision is recognized if, as a result of a past event, the Foundation has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

(k) Specifics funds

Where funds are received for use in an identified activity, such funds are held in a specific fund account and transferred to the Statement of income and expenditure to match with expenses incurred in respect of that identified activity. Unutilized funds are held in their respective fund accounts and included in the Statement of financial position until such time as they are required.

Gains and losses arising from changes in the assumptions, current service cost and interest are recognized in the statement of income and expenditure in the period in which they arise.

Provision is made for retirement gratuity for all employees in respect of gratuity payable under the Payment of Gratuity Act, No.12 of 1983. All expenditure incurred in the operations of the Foundation and in maintaining the capital assets in a state of efficiency have been charged in arriving at the Foundation's surplus for the year.
