The Applicant in his evidence stated as follows:

The applicant joined as a Rigger Grade 9 B in Sri Lanka Rupavahini Corporation on 16/12/1991.

Later he was promoted to Trainee Camera Operator Grade 8 B on 1.10.2005 after getting selected by an examination and an interview. His salary was Rs. 16040/=. He further said his salary was not revised.

The applicant also produced and marked his educational and technical qualifications. (A4, A5 and A6).

He also marked as A7 a letter issued by Director General (Engineering) appreciating his contribution in fixing new transmitting station at Deniyaya.

The Applicant said when he joined as a Rigger, Grade 9 B his salary was Rs 1600/=.

In 1988.01.01. 8 B Camera man salary was Rs.2410/=

In 1988.01.01. 9 B Electrical Technician salary Rs.1600/=

In 1996.08.09, as per salary revision salary scale for 8 B was Rs 3130/= But the Applicant did not get the said salary scale and therefor he suffered a financial loss.

During Cross examination witness stated as follows.

The Applicant rejected that he was recruited to Rigger 10 B. He said he was recruited to Rigger 9 B.

He further said that he was not aware that how much marks he obtained during the interview.

During Cross examination witness further stated as follows.

The riggers duties are climb to transmission tower, fixing cables and maintenance towers.

There are about 15 employees of 9B grade in the Co-operation. Some of them were promoted 8B even without interview being held.

After analyzing the evidence of the given I arrived at following conclusion..

- i. On 1991.12.16, the Applicant was recruited as a rigger, Grade 9 B after an interview and competitive examination
- ii. As a rigger he performed important and risky tasks such as climbing to transmission tower, fixing cables and maintenance.
- iii. In 1996 (1996.08.09.) others were promoted to Grade 8 B, except the Applicant.
- iv. Though the Applicant was promoted to Trainee Camera Technician on 01.04.2005 he was not proper salary scale. He was placed on Rs. 16040/= scale when others were paid 16,305/=
- v. The Applicant has followed 1 year course in Electrical Technician at Government Technical College. His professional qualifications were neglected by the Respondent.

After taking into totality of evidence, I have come to following conclusion.

- a. The Respondent has acted unfairly and maliciously towards the Applicants denying him appropriate salary scale.
- b. The Respondent has acted maliciously and irresponsible manner be little Applicant's contribution as a rigger.

In the circumstances, I wish to quote majority decision of the Supreme Court in State Bank in India vs. Edirisinghe (1991) that the arbitrator has to make an award which is just and equitable. he is not tied down and fettered by the terms of the contract of employment. He can create new rights and introduce new obligations between the parties. The effect of the award is to introduced terms which become implied terms of the contract. It was pointed out that as industrial arbitrator creates a new contract for the future in contrasts to a judge who enforces rights and liabilities arising out an existing contract. An industrial arbitrator settles disputes by dictating new conditions of employment to come into force in the future when he cannot get the parties to agree to them in contrast to a judge who determines the existing right and liabilities of the parties.

For the reasons aforesaid it is my finding that the Respondent, Sri Lanka Rupawahini Co-operation has caused injustice

to the Applicant, G.L.M. Rathnayake (party of the First part)

In the circumstances taking into consideration the totality of evidence led before me I make award that the party of the First part G.L. Rathnayake, be paid.

Salary difference, salary arrears, and holiday pay for the period 9.08.1996 to 31.8.2020 = Rs. 2967339/=.

And the aforesaid money should be deposited by the Party of the Second Part at the office of the Assistant Commissioner of Labour, Colombo central.

I further make order that this award should be implemented within 21 days of the publicaion in the Government Gazette of the Democratic Socialist Republic of Sri Lanka.

I consider this award just and equitable.

Arbitrator.
