## STATEMENT OF LEGAL EFFECT

- Clause 2: This clause amends section 8 of the Sri Lanka Electricity Act, No. 20 of 2009 (hereinafter referred to as the "principal enactment") and the legal effect of the section as amended is to allow any person to participate in a bidding process for the generation of electricity.
- Clause 3: This clause amends section 9 of the principal enactment and the legal effect of the section as amended is -
  - (a) to allow any person to apply for the issue of a generation licence to generate electricity; and
  - (b) to take away the restriction imposed on a person to be eligible to apply for the issue of a generation licence to generate electricity over and above the generation capacity of 25 M.W. and also to allow any person to apply for the same without any demarcation on the generation capacity.
- Clause 4: This clause amends section 43 of the principal enactment and the legal effect of the section as amended is -
  - (a) the repeal of subsection (3) thereof as an consequential amendment made in relation to the amendment made to subsection (1) of section 9; and
  - (b) to expand the application of the provisions of the proviso to any existing generation plant that is to be developed and also to rectify an omission in that subsection.
