Government Notifications

My No.: CI/1603.

THE INDUSTRIAL DISPUTES ACT, CHAPTER 131

THE Collective Agreement entered into between Ceat Kelani International Tyres (Pvt) Limited, Nungamugoda, Kelaniya of the one part and Inter Company Employees' Union, No. 259/9, Sethsiri Mawatha, Koswatta, Thalangama of the other part on 12th day of August 2015 is hereby published in terms of Section 06 of the Industrial Disputes Act, Chapter 131, of the Legislative Enactments of Ceylon (Revised Edition 1956).

M. D. C. AMARATHUNGA, Commissioner of Labour.

Department of Labour, Labour Secretariat, Colombo 05. 23rd May, 2016.

Collective Agreement No. 18 of 2015

COLLECTIVE AGREEMENT

THIS COLLECTIVE AGREEMENT entered into on this 12 day of August, Two Thousand and Fifteen between Ceat Kelani International Tyres (Pvt) Limited, a company duly incorporated in Sri Lanka and having its registered office at Nungamugoda, Kelaniya, (hereinafter referred to as "The Employer") and Inter Company Employees' Union, a Trade Union duly registered in Sri Lanka under the Trade Unions Ordinance and having its registered office at No. 259/9, Sethsiri Mawatha, Koswatta, Thalangama (hereinafter referred to as "The Union").

WHEREAS the Employer and the said union have discussed and come to a settlement with regard to certain demands regarding revision of salaries and other terms and conditions of employment, and having arrived at a negotiated settlement wish to agree on the following terms and conditions as a full and final settlement thereto:-

- 1. *Parties Covered and Bound.* The provisions of this Agreement shall apply to the Employer, the Union and its members in the Operative Grades engaged on confirmed permanent contracts of employment in the factory of the employer at Kelaniya. The provisions of this Agreement shall not apply to trainees/ apprentices.
- 2. **Date of Operation and Duration.** This Agreement shall come into force on the First day of August Two Thousand and Fifteen (1st August, 2015) and shall remain in force unless terminated by either party, with three months' notice, in writing, to the other, subject to the condition that neither party shall give such notice prior to the Thirtieth April Two Thousand and Eighteen (30th April, 2018).
- 3. *Salaries.* With effect from 1st August 2015, the salaries of the employees covered and bound by this Agreement will be increased in the following manner. The revisions will be subject to the achievement of revised production norms and efficiency parameters set out in schedule A Annexure i, Schedule A Annexure ii, Schedule A Annexure iv, hereof.
 - (i) With effect from 1st August, 2015, the employer shall add Rs. 4,000 to the salary of each employee as at 31st July, 2015.
 - (ii) With effect from 1st August, 2016, the employer shall add Rs. 3,300 to the salary of each employee.
 - (iii) With effect from 1st August, 2017, the employer shall add Rs. 3,300 to the salary of each employee.

Further, it is proposed to add sum of Rs. 500/- to the salaries of employees who have completed a service period of 10 years and above in the Company as at 1st August, 2016 in addition to the basic salary increase of Rs. 3,300 with effect from 1st August, 2016.

With effect from 1st August, 2017, a sum of Rs. 500/- will be added to the salaries of employees who have completed a service period of 10 years and above in the Company as 1st August, 2017 in addition to the basic salary increase of Rs. 3,300 with effect from 1st August, 2017.

Provided that employees who are confirmed in employment during the year would be entitled to the immediately succeeding increase in salary only on a pro rata basis.

- 4. If During the Continuance of this Agreement, the Government of Sri Lanka.-
 - (a) Prescribes in any year, increases in salary/ and or any allowances by any written law applicable to categories of employees covered by this Agreement, the Employer shall be entitled to take credit for the salary increases granted to an employee in respect of such year in terms of Clause 3 hereof and determine the increase, if any, that is to be granted to an employee accordingly.
 - (b) Recommends increases in salaries/ and or any allowances, such recommendations will not be applicable to the Employer regardless of whether or not such recommendation is applicable to the categories of employees covered by this Agreement or not.
- 5. *Meal Allowance*. The Employer will increase the meal allowance up to Rs. 125 per day for every day on which such employee reports for work. This meal allowance will be calculated on a daily basis and paid at the end of the month effective 1st August, 2015. In case, employee continue to work more than 5 hours on continuous basis other than the normal shift hours he/she will be entitled for a meal allowance.
- 6. **Annual Increments.** Unless otherwise decided on disciplinary grounds, in terms of this Agreement, an employee shall be entitled to an annual increment in the month of April each year, subject to the performance evalution of each employee on the basis of the following:-

Grades	New Incremental Rates
Production and all other categories of Employees except Engineering Divisions	Rs. 200/-
Employees of Engineering Sections	Rs. 225/-
Team Leader	Rs. 250/-

- 6.1. *Probation.*—Each employee recruited to the permanent cadre of the Company will be required to serve a minimum period of six months' probation during which the Employer will assess the suitability for confirmation through an evalution process and written/ practical test on skills and competence. The Employer reserves the right to extend the period of probation of any employee. During the period of probation or extended period of probation, where applicable, the Employer shall have the right to terminate such probationary employment without any notice.
- 7. **Bonus.** Provided the company registers a profit, the employees will be paid a bonus in respect of each year in keeping with the existing practice. The payment will be made in two instalments, as follows:-
 - (a) Advance payment in December of a particular year, subject to half -yearly performance and profits made as at 30th September in relation to that year.
 - (b) Final payment in April of the following year, subject to the previous year's performance.

The quantum of bonus payable will be decided by the company. No bonus will be declared in case the Company registers a loss in respect of any year. As such, any advance paid in December, in accordance with Sub-clause (a) above, will be recoverable as a loan in equal instalments, in case the Company fails to make a profit for the full financial year.

8. *Hours of Work and Overtime.* – Subject to changes due to exigencies of work the normal working hours during the continuance in force of this Agreement shall be those that are worked by the employees as at present. The employees shall work reasonable overtime as and when required by the Employer for which the employees shall be paid overtime as stipulated by the law.

Employees in the Engineering Division, will be required to report for work as and when required (as per the roster or special programme), including statutory holidays. They will be required to work on all Sundays as at present, and will be entitled to 11/2 times' wages and lieu leave as per the law. Also Saturday payments shall be made as per the law. Any employee who may be unable to report for work when required on any of the days mentioned above, should inform the relevant Head of the Department / Personnel Division, in writing, at least 24 hours in advance setting out the reasons for such inability. The Head of the relevant Department may accept or reject such a request by an employee taking into consideration the exigencies of business and the reasons cited by the employee. The decision taken by the Manager concerned in respect of such requirement shall be binding on the worker concerned.

- 9. *Shift Allowance.* The Employer shall continue to pay a shift allowance to employees engaged in the 2nd and 3rd shifts, i.e. from 2.00 p.m. to 10.00 p.m. and from 10.00 p.m. to 6.00 a.m. following day respectively, calculated at the rates and subject to the terms and conditions currently applicable.
- 10. Attendance Incentive for Attending the Night Shift (i.e from 10.00 p.m. to 6.00 a.m.). The Employer will continue to pay to employees an attendance incentive for attending work on the third shifts at the same rates and on the same terms and conditions as at present.
 - (i) Provided also that the allowance of Rs.500/- payable on account of attending the night shift, for a minimum of six per mensem, would be deducted on a pro rata basis as given below, on account of approved leave availed of-
 - (a) More than 1day of approved annual leave deduction of Rs.150/-
 - (b) More than 2 days of approved annual leave deduction of Rs.300/-
 - (c) More than 3 days of approved leave or above Incentive will not be paid
 - (ii) One mutual shift change would be allowed per employee per mensem. Provided however, the allowance shall not be paid to the employee, originally scheduled to work the night shift, if the covering employee does not report to work on the said night shift
- 11. *Norms*.— It is agreed between parties that the production norms/ efficiency parameters/ departmental requirements in the factory shall be in accordance with the revised norms agreed to between parties and as set out in Schedule A Annexure i, Schedule A Annexure ii, Schedule A Annexure iii and Schedule A Annexure iv, hereof and the employees shall maintain such norms in their day to day work. The norms shall be subject to change in the event of the introduction of new machinery/ technology, upgrading of existing machinery/ technology or work processes geared towards improving production in the factory. The employees will strive towards controlling scrap and rejects and work towards the overall improvement of product quality.

It is also agreed that any change in the pattern or design of production, according to market/ customer requirements, will not have any effect on the norms (vide Schedule A - Annexure i and ii), efficiency parameters (vide Schedule A - Annexure iii) and Departmental requirements (vide Schedule A - Annexure iv) that have been agreed to by parties.

In the event of introduction of new machinery/ technology, and in the event that the union and the management fails to agree at a reasonable output norm within 3 months from the date of commissioning/installation/implementation, the company has the sole discretion to conduct a time and motion study/ work study with the involvement of the union. Both management and union hereby agree to abide by the results/ recommendations of such time and motion study/ work study. The time and motion study/ work study will be carried out by a professional body in Sri Lanka. The union will whole - heartedly and completely cooperate to make such studies complete and successful. The company agrees to allocate one union representative as an observer during the period of time and motion work study.

The recommended norms of the any work study which may be carried out in the future from time to time will be achieved within a period of 2 months from the date of officially handing over of the study report to the union.

Norms/ Agreed output of the 59 J tyre building machine which is currently installed and the work study was completed during the previous agreement, should be achieved as per the rated output of the said work study and as agreed at the duscussion held between the Union and the Management on 24th July 2015 as given below:

No. of Plies	Current output	Before 30th November, 15	Before 31st Mar, 16
6	32 No.	40	47
8	28 No.	37	45

In the case of the above norms/ agreed output is not delivered within the stipulated period of 8 months (from 1st August, 2015), then management will have the prerogative to try out various options to get the desired output including outsourcing or subcontracting and union will wholeheartedly support and facilitate this process while continuing to operate these machines when and if required.

12. Production Bonus (I and II) and Productivity Bonus.-

- (i) The Employer shall continue to pay a production bonus of Rs. 300/- per mensem (hereinafter referred to as production Bonus I), subject to employees achieving the production bonus payment criteria (vide Schedule B). Provided also, however, that such production bonus shall only be payable upon achiving production norms as set out in Schedule A Annexure I and efficiency parameters in Schedule A Annexure II as agreed to by parties. As such the production bonus scheme shall be continued and payments made as done in the past.
- (ii) In addition to the payment of production bonus I, as set out in clause (i) above, the company shall continue to pay production bonus scheme, hereinafter referred to as production Bonus II which has been already in place.
- * If the monthly ticket is not sufficient to achieve the monthly average target of 19.5 metric tons per day, this scheme will not be applicable for such months.
- * To be eligible for the payment under the production bonus scheme, the Company should achieve a minimum average of 19.5 metric tons per day as per the available working days for that particular month. If the planned working days are not covered due to any reason or unavoidable circumstances, the average production tonnage will be calculated as per the planned working days.
- * The payment for the production bonus will be calculated on a daily basis as per the production bonus scheme. If the production tonnage in any particular day is below 19.5 metric tons, the said amount/s will be taken for the calculation on monthly average basis.
- * The Company does not hold any liability for machine breakdown, material shortages, power failure, lack of semi products, lack of supply of material from the Kelaniya / Kalutara plants or from suppliers, absenteeism or any other reason which will have an impact on achieving the monthly average target.
- * The Company does not agree to extend the working hours of employees or to introduce any other systems to achieve the average target which will have a negative impact and /or financial implications for the Company.
- * Any scrap / defect tyres if produced will not be accounted under this production bonus scheme and the employees are required to maintain the highest quality of product as per the specifications.
- * With the introduction of new technology, machinery, curing pressers and increase of manpower, the monthly average and daily average production targets will also be proportionately increased and a new production bonus scheme will be introduced.
- * The Company has the sole discretion to withdraw, modify, amend or introduce on a intermittent basis the bonus scheme according to situations that may require such changes. This will be communicated to the employees at least two days prior to such actions.

 ${f I}$ කොටස ${f :}$ (${f I}$) ඡෙදය - ශුී ලංකා පුජාතාන්තුික සමාජවාදී ජනරජයේ අති විශෙෂ ගැසට් පතුය - 2016.06.01PART I: SEC. (I) - GAZETTE EXTRAORDINARY OF THE DEMOCRATIC SOCIALIST REPUBLIC OF SRI LANKA - 01.06.2016

Production levels and payments in terms of production Bonus II are set out as follows:-

```
An average of 19.5 metric tons and above per day/month - Rs. 750/-
An average of 20.0 metric tons and above per day/month - Rs.1,250/-
An average of 20.5 metric tons and above per day/month - Rs 1,750/-
An average of 21.0 metric tons and above per day/month - Rs.2,000/-
An average of 21.5 metric tons and above per day/month - Rs.2,500/-
An average of 22.0 metric tons and above per day/month - Rs.3,000/-
An average of 23.0 metric tons and above per day/month - Rs.3,500/-
```

The payment under the production bonus II scheme shall be subject to the number of days an employee presents himself for work. If an employee absents himself from work, due to any reason, the payment will be made on a pro rata basis.

Eg: The number of days work planned in the month Daily average of production per month 21.0 MT Production bonus entitlement per month Rs. 2.000/-No. of days present for work Production bonus per month Rs. 2,000/-25 x 20 days

= Rs. 1.600/-

(iii) Apart from the production bonus schemes set out above, all permanent employees covered and bound by this agreement shall be paid a productivity bonus, on a monthly basis, considering their contribution towards the production of 'semi - products' that are supplied from the CKITL Plant to the Radial and ACPL Plants as well as production levels achieved by the Radial and ACPL plants, respective.

ACPL Plant Achievement

Average of 21.5 Metric Tons per day for a month	-	Rs. 200/-
Average of 22.5 Metric Tons per day for a month	-	Rs. 250/-
Average of 23.5 Metric Tons per day for a month	-	Rs. 300/-
Average of 24.5 Metric Tons per day for a month	-	Rs. 350/-
Average of 25.5 Metric Tons per day for a month	-	Rs. 400/-

Radial Plant Achievement

Achievement of average of 600 Tyres per day for a month	-	Rs. 200/-
Achievement of average of 650 Tyres per day for a month	-	Rs. 250/-
Achievement of average of 700 Tyres per day for a month	-	Rs. 300/-
Achievement of average of 750 Tyres per day for a month	-	Rs. 350/-
Achievement of over average of over 800 Tyres per day for a month	-	Rs. 400/-

The payment under the above scheme will also be subject to the number of days present at work. If an employee is absent from work due to any reason, the payment will be made on a pro rata basis.

- 13. Work Assignments .- Employees should be willing and ready to work on any machine in the factory or any work related to Production Process to which they may be assigned, for which the Company shall provide adequate training wherever necessary.
- 14. Annual Picnic .- The Company agrees to make payment of Rs. 2,300/- per employee on account of the annual picnic. The payment would be made by the Company upon the Union submitting a list signed by employees indicating the desire to participate in the picnic. The Company will also provide suitable and adequate transport. The annual picnic shall not exceed two days duration and shall be organized by the Union in consultation with the Management.

^{*} If an employee absents himself from work for more than 5 days in a month due to any reason either by way of utilizing his leave entitlement, suspension on disciplinary grounds or any other reason whatsoever, such employee will not be eligible for the production bonus for the relevant month.

^{*} The production bonus earned in a particular month will be paid in the following month along with the salary and the production bonus will not be considered for Employees Provident Fund (EPF), Employees Trust Fund (ETF), Gratuity or any other statutory payments or allowances such as bonus, advances, overtime payments, etc.

The picnic shall be arranged on a holiday in order to avoid disruption to production and may be curtailed to one day on account of operational exigencies. In the event the picnic is limited to one day on account of operational exigencies, the Company would make a payment of Rs.1,500/- per employee.

The Union and employees undertake to conduct themselves in an appropriate manner during the picnic and refrain from tarnishing the image of the Company. The Company will be entitled to take disciplinary action upon inquiry against any employee or employees, who resort to acts of indiscipline during the picnic. In such instances, the Company will not bear any liability, financial or otherwise, arising out of the misconduct of any employee.

- 15. *Leave*.— Employees shall be entitled to a maximum of 14 days annual leave in accordance with the provisions of the respective Wages Boards' Decisions applicable to the trade. In addition to annual leave, employees will be entitled to 7 days casual leave, subject to the condition that absence on account of sickness in excess of two days should be supported by a medical certificate from the Registered Medical Practitioner and whatever rules pertaining to leave in the Company.
- 16. Facilities for the Trade Union .— The Employer agrees to permit the Branch to conduct an Executive Committee Meeting once in a month, for which the Management would provide a suitable location within the administration building of the Company. The Employer also agrees to permit a designated member of the Parent Union to attend these Committee Meetings, after obtaining prior permission to do so from the employer. Permission to hold such meetings shall be made in writing by the designated Branch Committee Member to the Factory Manager and the date on which such meeting would be held shall be communicated to him, at least five working days prior to the date of the intended meeting. The employer also agrees to release ten Committee Members of the Branch who are on duty for a duration of not more than two hours to attend these meetings.

It is also agreed by the Employer to make a payment of Rs. 20,000/- plus transport allowance of Rs. 10,000/- for holding Annual General Meetings of the Branch. It is agreed by the Union and its employees that the AGM of the Branch shall be held outside the Company premises on a holiday, in a manner that would not disrupt production at the factory at Kelaniya.

- 17. *Disciplinary Action*.—When the company proposes to proceed against an employee on disciplinary grounds, the following procedure will be adopted:—
 - (a) A show-cause notice setting out the misconduct alleged against the employee will be furnished to the employee regardless of whether the employee is suspended or not.
 - (b) The employee shall be required to submit a written explanation to the show-cause letter within five clear working days. The Employee may, if he so requires, seek an extension of time to submit his explanation and the Company may at its discretion grant such an extension of time as being required.
 - (c) The Company shall conduct a domestic inquiry into the alleged misconduct on receipt of the employee's written explanation.
 - (d) The employee shall be informed, in writing, of the findings of the inquiry and any punishment that has been imposed after the conclusion of the domestic inquiry.
 - (e) The Company shall not be required to conduct a domestic inquiry in terms of sub-clause (c) above where the employee has admitted the acts of misconduct alleged against him or where the employees shall only be warned in respect of an act of misconduct.
 - (f) The services of an employee may be suspended without pay by the Company pending disciplinary action or by way of punishment upon the findings of domestic inquiry.
 - (g) In the event of an employee being suspended without pay and the employer is unable to conclude the domestic inquiry within a period of three months from the date of suspension other than for reasons beyond the control of the employer the employee shall, pending the finalization of the inquiry, be entitled to receive half month's wages in respect of each month in excess of such three months.
- 18. *Variation of Terms and Conditions*.— During the continuance in force of this Agreement, neither party shall seek or attempt to vary, alter or change any of the terms and conditions contained herein and/or terms and conditions or other benefits, which are applicate to employees as at the date of signing this Agreement other than by way of mutual agreement between parties.

The Union and the Employees also agree that they shall not, raise any new demand or resort to any form of Trade Union action, whatsoever, in relation to any matter covered by the Agreement.

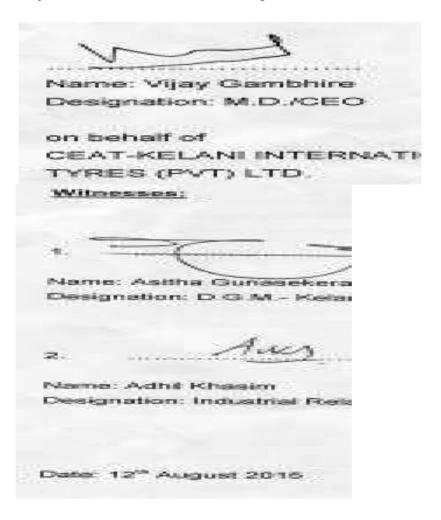

19. Disputes Settlement Procedure.-

- (a) In the event of any dispute that shall arise between parties during the continuance in force of this Agreement, the Branch of the Union in the Employer's Establishment shall raise such dispute with the factory management of the Employer and parties shall take all efforts to resolve such disputes amicably.
- (b) If no settlement of the dispute can be reached between parties, the Branch of the Union may request the Union to raise the matter in dispute with the Company.
- (c) Failing a settlement of the dispute as provided in the preceding sub-clauses, the union may raise the dispute with the Department of Labour and move to have the dispute resolved under the provisions of the Industrial Disputes Act.
- 20. *Trade Union Action*.—The employees and the Union agree that they shall not, during the continuance in force of this Agreement. resort to Trade Union action of any form in respect of any dispute that may arise between parties which is covered by this Agreement. Any such dispute may be settled in the manner provided herein.

The employees and the union further agree that, in relation to any dispute which is not covered by this collective agreement, they shall strictly abide by the dispute settlement procedure set out herein (in clause 19) and shall give at least 14 days notice to the employer, in the event a decision is made to take trade union action, thereafter.

21. *Compliance*.— If workmen fail to achieve any of the norms agreed in this collective agreement and /or violate any clause of this agreement, Management will have the prerogative not to implement the annual increase of compensation described under clause 3 of this agreement.

In witness hereof parties have set their hands on this twelfth August, Two Thousand and Fifteen (12th August, 2015).

Manpower Alocation for Banbary Operation

Operation		Manning
Banbary # 1 (For master)	Persons/Shift	8
Banbary # 2	Persons/Shift	9
Banbary #3	Persons/Shift	7

Note

^{*}Above norms are applicable for banbary No 2 & 3.

^{*}Mixing time will be decided as per the mixing specification given by the technical department.

^{*}Batch weight and mixing cycle can be changed any time as per the technical requirement.

^{*}Norms should be delivered proportionately based on carder availability as current practice.

Shear Strip Press Operation 42" & above

Manpower/ Shift	No of presses	Inspect nos of tyres/shift
2	3	0
2	2	12
1	1	6

Note:

- * 6 Nos. of truck tyre presses will be operated by 4 persons / shift and they are responsible for inspection of 100 nos tyres. Required Green Tyres will be provided to the respective machine by GT preparation crew.
- * Odd nos. of curing cycles should be delivered during 24 hours.
- * Curing cycles will be change as per the specification given by the Technical Department and curing output to be changed accordingly as above.

Note

One fitter from MRM-curing to be transfered to MRM-TB

One fitter from MRM-mixing to be transfered to MRM-TB

One fitter from MRM-mixing to be transfered to MRM-TB

One fitter from MRM-mixing to be transfered to TPWS-pump house & One fitter from TPWS-pump house to be transfered to Boiler. One welder from MRM-WS to be transfered to MRM-Mixing

One electrcian to be transfered to Electrical winding shop

Attending on PM activity during shift duty to be performed with existing practice & sectional engineer will take the responsibility of deploying people for Breakdown & PM

Pump house & power unit service operators will rotate & train for both operation as required

Power sub station electrician will support plant PM & breakdowns as necessary

Schedule A

- Annexure - iv

Operational requirements in line with productivity norms

Common clause:

There could be changes in machinery/process or technology, as and when required which may result changes in manpower allocation, production norms or operating hours and systems. These changes could be discussed with the relevant personel before implementing. However there should not be a barrier or constraint in implementing aforementioned changes. If there are unexplained losses occured, the operators are responsible for such losses.

Extruder / Fabric calendar:

Efficiency of the machine / process is calculated based on the number of hours operated and the output generated during the particular time of operation. Norms should be delivered on proportionate basis if the required manpower is not available.

Bias Cutter:

In case of providing electronic encoder for auto function, cutting norms should be increased and the cutter operator should be able to work as an additional splicer. Norms should be delivered on proportionate basis if the required manpower is not available as follows.

When 4 people available- 2395 cuts

When 3 people available- 1795 cuts

Squeegee calendar:

In case of upgrading/modernization norms should be increased. Norms should be delivered on proportionate basis if the required manpower is not available as follows.

When 8 people available- 135 rolls

When 7 people available 117 rolls

Tyre Building:

- 1. Band building and Tractor Rear Tyre Building will be considered as two seperated operations. Tractor Tyre Building Machine will be operated with one builder and one helper. They are responsible to get all required material for operation.
- 2. Tyre builder's / Helper's job should include following responsibilities.
 - (A) Helper should provide all required materials to the tyre builder to fulfill the norms.
 - (B) He should be directly responsibile for maximum utilization of materials and minimize wastage & scrap during the operating period.
 - (*C*) Ply changing time for the above 4 ply construction tyres should be within 1.5 hrs. and it will be 1.25 hrs. for the less than 4 ply construction tyres during drum changes.
 - (D) Ply loading time should be 60 minutes when machine servicer is empty.
 - (E) All green tyres should build (assemble) as per specification & follow the SOP given by the T echnical Department in order to maintain the quality.
 - (F) Green tyres should be inspected after building (assembling) to ensure the green tyres are free from defects (Eg: Should not have blisters, open chaffer, open tread, loose cord etc.) & do the necessary corrections before removing from the department
 - (G) Operator should deliver agreed full norms with the helper.
 - (H) Operator should stick the Builder number in the center of the green tyre.
 - (I) All the Light Truck Green Tyres should store on green tyre racks by the Helper.

Green Tyre Preparation:

Weighing and supplying of prepared green tyres to the curing presses as per the agreed norms and proper storage of all green tyres built during the shift to be maintained. The green tyre preparation crew also ensures that startup load for the next shift is prepared and supplied.

In case of green tyre poking and jamming automated is introduced, norms should be increased and manpower allocation will be reduced after the discussion with the Union. In such occasion time & motion study should be conducted by an external party.

Schedule B

Production Bonus Payment Criteria

- (a) Production bonus will be payable only on achievement of 100% agreed norms as per schedule A Annexure i & Schedule A Annexure ii.
- (b) When there is a part completion of norms, and the full achievement has not been possible due to justified reasons, the full amount will be paid on Management discretion.
- (c) If there is non achievement of norms due to an unjustified reason no production allowance will be paid.
- (d) For employees in the engineering division the amount will be paid subject to achievement of norms being achieved in respect of drum change, mould change and bladder change overtime as per Schedule A Annexure iii.
- (e) Person-wise, Sector-wise, Shift-wise details will be maintained to document actual output and reasons for the shortfall if any, and such record will form the basis for payment of production bonus.
- (f) The above will be calculated on a monthly basis.
- (*g*) Production bonus shall not be paid if production is curtailed due to reasons beyond the control of the Management. However 80% of the Production Bonus (Rs.300/= per month) will be decided by the management considering the prevailing situation.

06 - 507
